LR 300

behalf of all my fellow senators. This is a legislative resolution which states: (Read LR 300.) And by the way, Governor Orr, this is signed by all 49 of our members.

GOVERNOR ORR: Thank you. You do me honor. I shall, indeed, treasure this. Thank you. Thank you very much.

PRESIDENT: Thank you. Would the committee please escort the Governor from the Chamber. (Cavel.) While the ladies are still here, I do want to introduce them in the north balcony. We have members of Nebraska's Women's Commission and other organizations on a statewide basis. We are happy to have you with us and we welcome you to the Legislature. We do have other guests which I will announce in a short while here, and shall we take... Speaker Barrett has an important announcement I think you will all be interested in. Senator Barrett.

SPEAKER BARRETT: Thank you, Mr. President and members. Just very quickly, some of you had inquired about the two sheets that were passed out earlier by the Pages with reference to senator priority bills worksheet order and committee priority bills worksheet order. This is simply to give members an opportunity to see where their priority bills come up in worksheet order, not only individual bills, but committee bills. Some of you have inquired about when is my bill coming up. I have suggested to you that you consult the worksheet, you will have a pretty fair idea. All I have done is lift this information from the worksheet to give you some good idea of when your bill or your committee bill might be coming up for General File debate. That is all it is. Thank you very much.

PRESIDENT: Thank you, Speaker Barrett. Senator Jackie Smith, I believe you have a resolution.

CLERK: Mr. President, Senator Smith would move to suspend Rule 4, Section 6 so as to permit consideration of LR 300 today. LR 300 is the one that Senator Smith read just a moment ago.

PRESIDENT: Senator Smith, please.

SENATOR SMITH: Thank you, Mr. President. Members of the body, I ask your support in suspending the rules on the resolution that we have already introduced to Governor Orr this morning, and so that we on this day can honor her. That is it.
