LB 733, 1131
LR 266, 296, 297, 301

as indefinitely postponed; LB 733, indefinitely postponed; LB 1131, indefinitely postponed. Those are signed by Senator Morehead as Chair.

I have received a report from the Private Industry Council required by statute to be filed with the Legislature. That will be on file in my office.

Mr. President, LRs 266, LR 296, and LR 297 are ready for your signature.

PRESIDENT: Thank you. While the Legislature is in session and capable of transacting business, I propose to sign and do sign LR 266, LR 297 and LR 296.

(Gavel.) If I could have your attention a moment, please. Over in the north balcony we have some guests of Senator Schmit and I think perhaps a guest of some more of us. They are the Nebraska Sweet Wheathearts. I think their real name is just Nebraska Wheathearts but we call them the Nebraska Sweet Wheathearts, and they are Nina Papik of Crete, Lorraine Haas of Hemingford and Jane Rauner of Sidney. Would you ladies please stand and be welcomed by the Legislature. And while we're at it, we also thank you for the delightful bakery goods that are on our desks this morning. We appreciate it. Thank you very much and thank you for being with us today. One other thing, before we go on, that is very important and that is if you would look to the front of the room, please. (Gavel.) If you would look to the front of the room, please, you will see our Clerk, Mr. Pat O'Donnell, and he does a great job for us year after year and we want him to know it. Since this is his birthday, he is providing us with doughnuts, or whatever it is in those boxes over there and we appreciate that, Pat. But Pat hasn't had a standing ovation today and let's give him a standing ovation. Sincerely, Pat, we do appreciate all the help that you give all of us and we want you to know it. Thank you very much. That's not to indicate that you will get a raise next year, but we want you to know we appreciate you. Thank you. Move on to LR 301, please.

CLERK: Mr. President, 301 is offered by Senator Rod Johnson. It's found on page 1110 of the Journal. (Read explanation of LR 301.)

PRESIDENT: Senator Rod Johnson.
