LR 316

year in the nation, the JC's have been doing this for 32 years. We had a Nebraskan and an Imperialite picked this year, Jerry Kuenning, and I would like to ask you to vote to support and congratulate him on his fine honor. Thank you very, very much.

SPEAKER BARRETT: Thank you, sir. Discussion on LR 316? Senator Hefner, followed by Senator Chambers and Senator Ashford.

SENATOR HEFNER: Senator Haberman, I have a question for you.

SPEAKER BARRETT: Senator Haberman, would you respond to a question?

SENATOR HEFNER: Okay...

SENATOR HABERMAN: I'll listen to the question, Mr. Speaker, yes.

SENATOR HEFNER: Senator Haberman, in one of your "Whereas", you have "Jerry and Kathy Quenning of Imperial.

SENATOR HABERMAN: Kuenning, Kuenning, please.

SENATOR HEFNER: Kuenning?

SENATOR HABERMAN: Yes.

SENATOR HEFNER: Okay, sorry about that.

SENATOR HABERMAN: That's all right.

SENATOR HEFNER: Kuenning, "received the Nebraska Outstanding Young Farmer Award and were recognized as one of the four national outstanding young farmers for 1988." Then in the resolve part, you say that the Clerk of the Legislature send a copy of the resolution to Keith Rexroth at Dalton, where the Kuenning's are from Imperial. What...how come we're not sending the resolution to these people that won the award?

SENATOR HABERMAN: Well, Senator Hefner, they're going to have a recognition banquet for the Kuenning's, and this gentleman is in charge of it, and they're going to present them the resolution, framed and fixed up real nice at the banquet.
