LB 716, 855, 1041, 1091
LR 329

as I am concerned and I would certainly support its adoption.

PRESIDENT NICHOL PRESIDING

PRESIDENT: Thank you. Senator Wehrbein, would you like to close on this matter?

SENATOR WEHRBEIN: I wouldn't have, Mr. Speaker and members, nothing more than to say that this does clarify the intent as outlined in an internal proposal that they offered on selecting these. It does give more probably definitive guidelines that become part of statute that how these grants or the monies from the various research allocations will be made and it would be appropriate to adopt the amendment.

PRESIDENT: Thank you. The question is the adoption of the committee amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.
