

of us, it's even of more vital concern to me. I can't believe that we have to have some of the acrimony that we have in Boyd County, but it seems like it's there and it seems like it's going to be there. We need to address some of those problems. One of the problems is that they're going to run out of money to pay their bills on that monitoring committee. That was due to an error that happened last year when we didn't put an A bill through with one of those bills, and now we have to take care of that. But until we get to that bill why we won't. Another thing we need to do is talk about liability, and I think that bill does that. Many of you have come to me, right from the start of the session, and said, well we feel for you, if there's anything we can do to help you with this situation, we sure want to do that. This will be an opportunity for you to help me. We tried a year ago to get some help and were not able to do that. We tried several times to get some help and were not able to do that. I hope that we can get some of that help this year. It's vital that we provide some sort of help in this whole area of nuclear waste siting in Boyd County. I think that the opportunity for us to do that will come on Select File when 1151 is there. So I urge your support of this motion. I think that if you want to, like you have said, help me, why this is the opportunity for you to do that. Thank you.

SENATOR LABEDZ: Thank you, Mr. President. I urge the members of the Legislature to look on the back of page 1 to page 2, and look at the 1990 committee priority bills. I think almost each and every one of us are concerned that some of those bills will not see the light of day today. I'm very interested in LB 862 which creates a gaming commissioner for bingo and other gambling. I think that's vitally needed. And, if we don't get to the priority bills today, and I'm sure we probably won't, it would be a shame that some of these bills, Senator Wesely has the 1113, which is to prohibit certain discriminatory actions relating to housing, and that happens to be Senator Chambers' bill. I certainly believe that when we get to Final Reading there will be a long time of debate before we get even through the first motion, which is the Speaker's to suspend the rules to permit Final Reading of bills without further amendments, motion or debate. The...As Senator Dierks has mentioned, I believe that 1151 is vitally important to both he and Senator Morrissey. Senator Wesely's bills, LB 989, the...trying to find the ones that I think are most important on General File for the
