LR 1

right now. Thank you.

CLERK: (Read LBs 87-128 by title for the first time. See pages 72-79 of the Legislative Journal.)

ASSISTANT CLERK: (Read LBs 129-145 by title for the first time. See pages 72-83 of the Legislative Journal.) Mr. President, I have a new resolution, LR 1. It is offered by Senator Schimek, Senator Crosby and Senator Will. (Read brief explanation or LR 1. See pages 83-84 of the Legislative Journal.)

SPEAKER BAACK: We are going to consider the Committee on Committees' report in about five minutes. The Chair of the committee has told me that it is now ready so I would encourage members to come back up to the Chamber so we can deal with the Committee on Committee report in about five minutes. It is not on the agenda, but we're going to go ahead with it since the report is ready. Thank you.

CLERK: Mr. President, I do. Senator Morrissey as Chair of the Committee on Committees has offered the Committee on Committees' report. I believe that the members will find a copy on your desks that were distributed earlier this morning. (Report appears on pages 84-86 of the Legislative Journal.)

SPEAKER BAACK: Senator Morrissey.

SENATOR MORRISSEY: Yes, hello. Mr. Clerk, is there an amendment?

CLERK: There is, Senator. I didn't know whether you wanted it...talk to your report or should we go right to the amendment? Your decision.

SENATOR MORRISSEY: We're ready to go right to the amendment.

CLERK: Mr. President, I do have an amendment to the report offered by Senators Pirsch and Labeledz and that is with respect to the Intergovernmental Cooperations Committee, remove Senator Labeledz as a member and insert Senator Pirsch as a member to that committee.

SPEAKER BAACK: Senator Pirsch, do you wish to speak on this amendment?
