50 bucks, though, and Stevens got 150 bucks. (Laughter.) He said three times as much, but I'm not sure about the value of what he said. So,...

SENATOR WITHEM: You can ask him what forbearance means, maybe he knows.

SENATOR ROBINSON: No, I'd rather not. I don't know if you cleared it up or not, but I got some answers. Thank you.

SENATOR WARNER: Senator Lindsay. Senator Lindsay passes. I see no further lights. Senator Withem, do you wish to close?

SENATOR WITHEM: Yes, Senator Warner, members of the body. I would urge you to advance LB 232. I appreciate the comments Senator Schmit did make. I don't think, from my experiences, I don't think any member of this body abuses anything in this, either the current statute or in the bill, or would abuse anything that's in the bill as written. I do agree with Senator Beutler that there may need to be something to tighten up this section on honoraria, and I'll be delighted to work with him on that. The rest of the bill is providing what I think are needed updates and changes to the accountability and disclosure statute, and I'd urge you to advance the bill.

SENATOR WARNER: The motion is to advance LB 232 to E & R initial. Those in favor vote aye, opposed nay.
