829, 849

Senator Warner's motion when it comes up, which would go back to our present system, our present unconstitutional system, and I am going to agree with him that it puts the hammer equally on both sides. Both of those people that would like to put everything taken off, we will both be under the gun with that proposal in that we would have before us, we would be operating under an unconstitutional provision so we would then have to do both things, and his amendment, frankly, maybe was better than mine because it does put the hammer on both sides. But my amendment before you at this point, the primary purpose of it is to get rid of the sales tax on energy, and I'd hope you would support it.

SPEAKER BAACK: Before I go to the next speaker, I would like to let the Clerk read some items into the record.

CLERK: Thank you, Mr. President. Very quickly, new A bill, LB 719A by Senator Withem. (Read for the first time by title. See page 2139 of the Legislative Journal.)

Mr. President, Select File reports, LB 849 reported to Select File, as is LB 256, LB 256A, LB 72, LB 167. (See pages 2139-45 of the Legislative Journal.)

Mr. President, amendments to be printed to LB 652 by Senator Coordsen; Senator Lynch to LB 719, and Senator Hall to LB 577. (See pages 2148-51 of the Legislative Journal.)

And a hearing notice from General Affairs on gubernatorial appointments. That is all that I have, Mr. President.

SPEAKER BAACK: Thank you, Mr. Clerk. Is Senator Schmit here yet? I don't see him. Senator Moore, do you wish to speak to this amendment.

SENATOR MOORE: Mr. Speaker, if Senator Lamb would yield to a few questions.

SPEAKER BAACK: Senator Lamb, would you respond, please?

SENATOR LAMB: Yes.

SENATOR MOORE: A couple of ques...we are talking about AM7...this amendment explained on this one-page sheet, correct,
