

State of Nebraska and its citizens, whether it be in urban or rural areas, money by reinvesting at least \$100,000 this year in the program and I am sincere in Senator Moore's question that if I could at least get the \$100,000 in this trailer bill that I will, more than likely, drop my pursuit of LB 142, and wait to see what the Governor's reaction might be to this money. But I think it is a reasonable sum that, hopefully, will be an efficient use of \$100,000 to protect the welfare of our citizens and their investments in their businesses, in their livestock, in their buildings. And so I would ask the body's support of this amendment.

SENATOR R. JOHNSON: Madam President, I would ask for a roll call vote but I would prefer that we wait for the 34th vote to arrive, so we are working with a pretty slim margin, so...
