LR 191

SENATOR CONWAY: Thank you, Madam President, and members, the resolution, you will find on 2411, was brought forth by Senator Coordsen and myself; I, by virtue of being Chairman of the Government Committee and Senator Coordsen as being Chairman of the Business and Labor Committee. What the resolution basically does is once again declares June 3rd, or the week of June 3rd, a management week and in response to the activities and the chapters that we have in Nebraska of the National Management Association Chapters. We have, I believe, two chapters in the state. And by declaring it again this year National Management Week of June 3rd, that will be a period of time when they will do things to try to heighten the public's awareness of the professional activities that they're engaged in, the support for free enterprise and many other standard principles that are strongly upheld here in Nebraska and will also give an opportunity during that period of time to recognize people who have contributed significantly to the profession of management. So, with that, I offer the resolution for the body as a courtesy to that organization. I'm sure Senator Coordsen may also like to speak.

PRESIDENT MOUL: Thank you, Senator Conway. Senator Coordsen.

SENATOR COORDSEN: Thank you, Madam President, and members of the body, Senator Conway did a good job of explaining the history and the purposes of this particular resolution. We felt that it was a good acknowledgement by the Legislature of the importance of these organizations and I would encourage your support of the adoption of this resolution. Thank you, Madam President.

PRESIDENT MOUL: Thank you, Senator Coordsen. Does anyone wish...else wish to speak on this resolution? Seeing none, do you have closing, Senator Conway? Closing is waived. We'll vote on the motion to adopt LR 191. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.
