

PRESIDENT MOUL: You've heard the motion to advance. All those in favor please say aye. Opposed nay. LB 829A is advanced. Speaker Baack.

SPEAKER BAACK: Madam President and colleagues, we're going to go on with Select File now. And I just might remind people that right now I think, at the last count, there were 58 live amendments yet on Select File bills, and we're going to come to a point, sometime later today, I don't know exactly what time yet, when we can still send things up to E & R and still get them back by the time we adjourn tonight, because today is the last day to amend bills and still have them read on Wednesday. SENATOR R. JOHNSON: Madam President, I'd ask to withdraw that amendment, please.

PRESIDENT MOUL: If there are no objections, it will be so ordered. Further amendments?

CLERK: Yes, ma'am. Madam President, the next amendment is by Senator Warner. Senator, AM1680. (The Warner amendment may be found on page 2045 of the Legislative Journal.)

PRESIDENT MOUL: Senator Warner.

SENATOR WARNER: What page?

CLERK: Page 2045, Senator.

SENATOR WARNER: Madam President, members of the Legislature,
