

old American History teacher that I had when I attended the high school, and he's got an outstanding program, done an outstanding job with that program. The players on the team, Tom Rowen, Mark Dahir, Brian Marshall, Andy Sibbersen, and Tom Kelley, and Tom Kelley is the son of an outstanding former...an outstanding golfer by the name of Mike Kelley, who gave up a promising PGA career to lobby in the Nebraska Legislature. In spite of his father, I'm willing to have a resolution honoring this team for their outstanding effort in golf.

PRESIDENT MOUL: Thank you, Senator Abboud. Senator Withem.

SENATOR WITHEM: Yeah, I have a question of Senator Abboud.

SENATOR ABOUD: Yes, Senator Withem.

SENATOR WITHEM: What's the deal here? I mean yesterday you had an amendme...you had a resolution honoring a baseball team, now you're coming back with a golf team today?

SENATOR ABOUD: Yeah, different schools, different schools.

SENATOR WITHEM: Oh, okay. It's not Ralston High School this time?

SENATOR ABOUD: It's not Ralston. Yeah, they...actually I don't know whose district Prep is in.

SENATOR WITHEM: Oh, this is for Prep.

SENATOR ABOUD: This is...yeah.

SENATOR WITHEM: Okay, as long as it's not for Ralston High School, then I will, in fact, be (laughter) supportive of this.

SENATOR ABOUD: Well, I realize...I also understand that you were somewhat...you were upset yesterday because of the pounding that Papillion took against...

SENATOR WITHEM: Excuse me, this is my time. (Laughter.) If he wants to punch his light again, he may do so. But....

PRESIDENT MOUL: Thank you, Senator Withem. Is there anyone else who wishes to speak on this resolution? Seeing none, we will now vote on adoption of LR 203. All those in favor please
