LB 181, 181A, 186, 186A, 663, 663A, 748
LR 186

would like to suggest that we bracket it. If other motions come up, I'll be happy to withdraw it.

PRESIDENT MOUL: If there are no objections, it will be so ordered. Senator Withem, what was the date on your bracket?

SENATOR WITHEM: June 10.

PRESIDENT MOUL: 1991.

SENATOR WITHEM: Yes.

PRESIDENT MOUL: It is bracketed. Mr. Clerk, items for the record.

CLERK: Madam President, a communication from the Governor to the Clerk. (Read communication re: LB 181E, LB 181A, LB 186, LB 186A, LB 663 and LB 663A. See page 2940 of the Legislative Journal.)

Madam President, I have a motion on the desk.

PRESIDENT MOUL: Please proceed, Mr. Clerk.

CLERK: Senator Morrissey would move to overrule the Speaker's agenda so as to permit consideration of LB 748 on Final Reading today.

PRESIDENT MOUL: Senator Morrissey.

SENATOR MORRISSEY: Thank you, Madam President and members, I don't know if this is the time and place, but I can't let this go without at least getting something on the record. LB 748, if you remember, originally came to us as a priority bill that the state should take title to the land of the low-level waste facility before the facility was built or licensed, said we had to do it this year. We disputed that. Then they came back and said, changed it completely 180 degrees, that the facility, that we did not have to take title to the land and I amended it that we would not have to take title to the waste. I thought it was a good bill then. We harmonized it with the Department of Health. Now we are in a situation where we do not have to take title to the low-level waste facility or the waste in the facility, and that's good for the state because, and it's good that we've been talking money and taxes all along because with
