EASE

PRESIDENT MOUL: Ladies and gentlemen, I would now like to recognize Senator Warner for an announcement. Senator Warner.

SENATOR WARNER: Madam President and members of the Legislature, I was just going to remind the members if the old Speaker's office just south of the Clerk's office has been completed, and that was the design or the plan as a meeting room for senators or committee members, instead of meeting under the balcony or in the lounge for those short meetings that are necessary, it will be a convenient place. And those of you who haven't stopped in, you might want to look at it. I think it will be very helpful for those kind of short meetings that can be used and if there's a scheduling problem, it would be through the Clerk's office but, by and large, you might take a look at it.

PRESIDENT MOUL: Thank you, Senator Warner. I will now recognize Senator Lynch. Senator Lynch.
