

January 9, 1992      LB 398  
                             LR 212

Madam President, new resolution. (Read brief summary of LR 212CA. See page 179 of the Legislative Journal.) That's all that I have at this time, Madam President.

PRESIDENT MOUL: Thank you, Mr. Clerk. I will now recognize Senator Moore. Senator Moore.

SENATOR MOORE: Madam President and members of the body, this morning as you come to the Chamber, you will notice that on your desk has been distributed the quasiquicentennial picture book...we call this a coffee table book, to help us celebrate the 125th anniversary of the State of Nebraska. As you may be aware of, Lieutenant Governor Maxine Moul, Secretary of State Allen Beermann, and myself are the tri-chairs of that commission, which I may add, serves on a volunteer basis, and so we didn't appropriate any money for, which is fine with me. They were the ones that distributed these, so U.S...on behalf of US West and as one of the tri-chairs, would like to present these books to you and hope you will join all of us in celebrating 1992, the 125th anniversary, or the quasiquicentennial. If you can't say that, Q125 we can all say.
