

that used to be the streetcar line where you took the streetcar from downtown to go to College View. Union Campus is a beautiful campus. The college has a devotion to education, that is to quality education, that the tenor, a moral tenor threads through the polyphony of the fabric of life at Union College, on that campus, and they bring to us, to Lincoln and to the State of Nebraska, students and faculty who have an impact on us, as people and as a community and as a state. Many of you enjoy Nebraska Public Radio, I know. I would like to remind you that KUCV was started originally by Union College. The studio was at 48th and Prescott, just a few blocks from where I live. So at this time I do congratulate Union College and I ask my colleagues to join me in voting for this resolution to show to them our appreciation of what they do at that college, and what they do for us in the community and in the state. Thank you.

PRESIDENT MOUL: Thank you, Senator Crosby. I will now recognize senators wishing to speak to this resolution. Senator Schimek.

SENATOR SCHIMEK: Madam President and members of the body, I would just simply stand to thank Senator Crosby for offering this resolution and to offer my congratulations to Union College on its anniversary celebration.

PRESIDENT MOUL: Thank you, Senator Schimek. Does anyone else wish to speak to this resolution? Seeing none, do you have closing, Senator Crosby?

SENATOR CROSBY: Thank you, Madam President. No, we just ask them to vote for the resolution.

PRESIDENT MOUL: LR 209 is adopted. I would also ask the senators' attention now. Senator Smith, please rise and be recognized. I would now recognize Speaker Baack.
