

March 23, 1992 LR 281, 291

PRESIDENT MOUL: Senator Crosby.

SENATOR CROSEY: Thank you, Madam Chair, and good morning, and I was real pleased to bring this legislative resolution today. The month of March will be observed as Youth Art Month which I think might be a change of pace from all of the basketball resolutions. This month gives recognition to the importance of music, dance, dramatics, creative writing and visual arts in our schools and communities. On the seventh of March there was an observance here in the Rotunda and the awards were given to the young people who won the arts awards and I'd like to point out to you that throughout the month of March which will be, of course, until April 1, this art work created by these students is on display in the State Office Building, so if you're out taking a walk at noon and want to just walk through there, you'll see some of these wonderful pieces of art that these young people in our elementary and secondary schools work on. Actually this competition is sponsored by our congressional delegation, but it's always...it's really pleasing that they asked me to come and participate when they give the awards. So at this time I would like to mention that Sidney and Brownell Talbot were the two top schools that their students won awards and I just ask you to support this resolution and recognize the importance of arts of all kinds in our lives and in our schools. Thank you.

PRESIDENT MOUL: Thank you, Senator Crosby. Does anyone wish to speak to this resolution? Seeing none, we will now vote on the motion to adopt LR 281. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.
