business, I propose to sign and do sign the following certificate: LB 718 and LB 718A, having been returned by the Governor with his objections thereto, and after reconsideration having passed the Legislature by the constitutional majority, have become law this 14th day of April, 1992.

CLERK: Madam President, accompanying that will be in the communication from the Clerk to the Secretary of State indicating such override. I also have an acknowledgement of delivery of bills read on Final Reading this afternoon from the Governor's Office. PRESIDENT MOUL: I now recognize Senator Conway.

Two years ago we also selected him as our
