

appreciate your voting for this resolution. Thank you.

PRESIDENT MOUL: Thank you, Senator Robinson. Senator Wesely.

SENATOR WESELY: Again, Madam President, members, just to rise and thank Senator Robinson for introducing this resolution. It's kind of a sad day to have a couple of our former colleagues pass away here so recently and to have lost them, but Jim Goll was another individual who I don't remember seeing him without a smile, Senator Robinson. He was one of the most upbeat, outstanding individuals you could ever get to know and his loss will be felt by all of us and particularly his family who we send our regrets to. And again, I thank Senator Robinson for remembering and recognizing Jim Goll.

PRESIDENT MOUL: Thank you, Senator Wesely. Does anyone else wish to speak to this resolution? Senator Bromm.

SENATOR BROMM: Yes, Madam and fellow members of the Legislature, I've probably known Jim as long as anyone here. I grew up in the same town and neighborhood as Jim and Jim was always known as a gentleman, no matter what the issue, no matter what Jim Goll was involved with, agree or disagree, Jim was always a gentleman and he will always be remembered as such. I think he was a real asset to this body as I know he was to our community. Thank you, Madam President.

PRESIDENT MOUL: Thank you, Senator Bromm. Does anyone else wish to speak to the resolution? Do you have closing, Senator Robinson? Closing is waived. We will now vote on the motion to adopt LR 6. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on adoption of LR 6.

PRESIDENT MOUL: LR 6 is adopted. We will pass over Item 7 on the agenda, a motion for the adoption of the permanent rules. We'll proceed with Item 8 on the agenda, introduction of new bills.

CLERK: Madam President, new bills. (Read LBs 280-291 by title for the first time. See pages 156-58 of the Legislative Journal.)

Madam President, Senator Haberman as Vice-Chair of the Board
