

PRESIDENT MOUL: Speaker Baack.

SPEAKER BAACK: Yes, Madam President and colleagues, this is the final one of the series of people who are going to be recognized on Nebraska Statehood Day. Mr. Bryant has served as the Assistant Athletic Director at the University of Nebraska for the past 17 years and he has been the Sports Information Director for 30 years. He has been involved in a lot of different activities across the country. He has been the President of the College Sports Information Directors of America and he has also been very involved with the National Football Hall of Fame. He...I think he is very deserving of this award and he will be presented with the Wagon Master Award.
