you can talk till you're blue in the face but you've still got to make some consideration of children. All I want to make sure we do, because I'm going to vote for the bill to get it on because I think you've made some great strides in it, is that we don't use mediation as a shield or as a sword for manipulation purposes to settle cases and to don't settle cases, and if we put some standards in there so at least people know...

SPEAKER BAACK: One minute.

SENATOR KRISTENSEN: ...what judges can look at and what basis are for those things, then I think you've gone a long way for selling it. If we just leave it without a standard or the mere bringing up the aspect, then I think you've gone to making this a sword and something that will just make divorces even more complicated and put in more factors with it and I thank you for your opportunity to put that amendment on on Select File. It is something I think we ought to look for. Thank you.

SPEAKER BAACK: Thank you, Senator Kristensen. Mr. Clerk, do you have items for the record?

CLERK: Madam President, or Mr. President, excuse me, Judiciary Committee reports LB 253 to General File with amendments; LB 393, LB 451, LB 500, LB 294, indefinitely postponed; LB 494, indefinitely postponed; LB 610, all signed by Senator Lindsay. (See pages 874-76 of the Legislative Journal.)

I have a motion to reconsider the vote to place LB 12 on General File notwithstanding the action of the committee. That is offered by Senator Lynch.

Amendments by Senator Schellpeper to LB 471, Senator Schmitt to LB 410, Senator Cudaback to LB 346. Ag Committee reports LE 258 indefinitely postponed; LB 772, indefinitely postponed. Senator Preister has selected LB 301 as his priority bill and, Mr. President, Senator Hohenstein would like to add his name to LB 346 as cointroducer. That's all that I have. (See pages 876-83 of the Legislative Journal.)

SPEAKER BAACK: Thank you, Mr. Clerk. Senator Preister, would you like to adjourn us until tomorrow morning at 9:00 a.m.

SENATOR PREISTER: Thank you, Honorable President. I move that we adjourn until, what time was that?
