

SENATOR PIRSCH: Okay, thank you.

PRESIDENT MOUL: Thank you, Senator Pirsch. Mr. Clerk, an announcement.

CLERK: Very quickly, Madam President, the photographers for the composite photo will be leaving at ten-thirty, so for those of you who have not had your photo taken, please do so by ten-thirty. That is all, Madam President, thank you.

PRESIDENT MOUL: Thank you, Mr. Clerk. While the Legislature is in session and capable of conducting business, I propose to sign and do sign LB 111, LB 230, LB 270, and LB 283. Now I recognize Senator Crosby... I am sorry, Senator Preister.

SENATOR PREISTER: Thank you, Honorable President, friends all. I rise in support, Senator Pirsch, of the concept of what I think you are trying to do. Having worked with young people in a boys club for years, I certainly see the need for protecting the kind of images and things that happen with those young people. I do share some of Senator Crosby's concern and would like to ask you a question, if I may. The existing statute reads, any picture, photograph, drawing, and it goes on, or image of a person or portion of the human body or any replica having the appearance of either male or female genitals, would that also, according to my understanding anyway, include anatomy and physiology books that would be in libraries and would be there for educational purposes?

SENATOR PIRSCH: If I may respond.

SENATOR PREISTER: Please.

SENATOR PIRSCH: I might remind you that those kind of pictures have been around a long time in schools, universities, libraries, and so forth. They have not been judged to be obscene and, therefore, are not...are not...no one has ever been convicted. The point is what we are getting at is the seller of the worthless that are down here on "O" Street, between 9th and 10th, who would sell the high-core porn, but also Gary Buccino pointed out a more serious problem, a different problem, and that is just the pedophile, the pedophile who used that pornography to seduce children and solicit them to repeat and perform the acts that are in that pornography. Now, believe me,
