LB 152, 345, 536, 835
LR 174-186

PRESIDENT MOUL: Senator Hall.

SENATOR HALL: Thank you, Madam President and members, this is a bill that was on Select File, actually, as a priority bill. It's LB 152. Could have been voiced over yesterday, as a matter of fact. Senator Wesely put up an amendment to it that kept that from taking place. I can either offer it as an amendment to this bill and we can stick it in this bill on Select File and move it over, or Senator Wesely could agree to withdraw his amendment and we could voice over LB 152 today. Senator Wesely, what's your preference?

SENATOR WESELY: I don't like blackmail.

SENATOR HALL: That's not blackmail.

SENATOR WESELY: Sure it is.

SENATOR HALL: No, not at all, Don. I mean, blackmail would have been running the bracket motion. Blackmail is your amendment on the bill to keep it from going over because you're irritated with the hospitals. You know, take your amendment off LB 152 and let the damn thing go over instead of what you're doing, yesterday with that issue and what you're doing today on this whole series of proposals. I'll withdraw the amendment.

PRESIDENT MOUL: The amendment is withdrawn. Are there further amendments? Does anyone else wish to address the bill itself? Seeing none, do you have closing, Senator Wesely?

SENATOR WESELY: No, I just appreciate the indulgence of the Legislature and move advancement of the bill.

PRESIDENT MOUL: Thank you, Senator Wesely. We'll now vote on the motion to advance. We'll have a voice vote. All those in favor please say aye. Opposed nay. LB 536 is advanced. Do you have items for the record, Mr. Clerk?

CLERK: I do, Madam President. A reminder. Exec Board meets at noon today in 2102. Amendments to be printed to LB 345 by Senator Schellpeper. Enrollment and Review reports LB 835 to Select File with Enrollment and Review amendments attached. I have a series of study resolutions, LR 174-184. Actually, LR 174 is a regular resolution. That will be laid over. LR 175 through LR 184 are study resolutions, as are LR 185 and LR 186.
