LR 259, 260, 261

PRESIDENT MOUL: LB 259 is adopted. LR 260.

CLERK: LR 260, Madam President, offered by Senator Byars, found on page 2459 of the Journal.

PRESIDENT MOUL: Senator Byars.

SENATOR BYARS: Madam President and colleagues, I rise with great honor to recognize the Beatrice High School Orangemen Class B track team on their recent state championship. It has been a long drought for the Orangemen, the last championships they brought home in track and field were in 1956 and 1957, when an illustrious member of this body was a member of those track teams, and you can see why it has taken such a long period of time for them to achieve such success again. But I would like to...I would like to ask you to join with me in congratulating the new and younger Orangemen on the tremendous victory they and their coach, Bob Sexton, have achieved, and we hope that that drought doesn't last as long as the last one.

PRESIDENT MOUL: Thank you, Senator Byars. Does anyone wish to address this resolution? Seeing none, we will now vote on the motion to adopt LR 260. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Madam President, on the adoption of LR 260.

PRESIDENT MOUL: LR 260 is adopted. LR 261 is next.

CLERK: LR 261, Madam President, is on page 2472. It is offered by Senator Crosby.

PRESIDENT MOUL: Senator Crosby.

SENATOR CROSBY: Thank you, Madam President and members. It is a real pleasure and privilege to introduce this particular resolution because it recognizes several women who have received awards recently for their achievements in whatever field that they work in, and I could...each one of us could probably sit down and find at least ten more women who would be worthy of any of these awards and who work every day in their jobs that...to try to make life better for all of us. And one of the things I really appreciate about all of the volunteer organizations and
