

amended, and the only way they can be amended is if they are considered as a bill, and the only way they can be considered as a bill. So I hope we'll take a second look at this on resolutions. I can't believe we're going to have to put up with this and it probably won't get back on the agenda because, you know, Senator Chambers is going to divide the question into eight parts and Senator Wesely is going to sit here amending and amending other amendments and saying we have to talk about it. If you want to talk about those other subjects, bring in your own resolution and talk. Yeah, that's good, smile about it, because Kate Witek's getting angry on the floor of the Legislature. You know, I'm not the only one that's fed up with this, I'm just the only one who has the opportunity to say it right here and right now and I certainly am fed up with it.

**SPEAKER WITHEM:** Thank you, Senator Witek. Senator Bohlke, for what purpose do you rise?

**SENATOR BOHLKE:** Mr. President, I rise to ask that we...it gives me great pleasure to ask that we recess until this afternoon at one-thirty.

**SPEAKER WITHEM:** There is a motion. There is a point of order. Senator Hall, state your point.

**SENATOR HALL:** My point is this, and I apologize to you and to the body, there are not enough members of the Exec Board, the Exec Board meeting that was supposed to be held at noon cannot be held. I'm asking that that be postponed. I will get back to the membership. I apologize. I didn't want to get cut off before the recess motion. Thank you.

**SPEAKER WITHEM:** Senator Hall, you are out of order. On the other hand, there is time for announcements prior to taking a vote. Would you repeat that announcement, Senator Hall, I didn't catch that.

**SENATOR HALL:** Thank you. Senator Withem, there won't be an Exec Board meeting at noon because of lack of members that are available. We'll reschedule at another time.

**SPEAKER WITHEM:** Thank you, Senator Hall. Are there items for the record?

**CLERK:** Mr. President, Enrollment and Review reports LB 436,
