LB 446A, 903, 991, 1213A, 1359A

don't know if it's true right now, but when Judge Krivosha was the Chief Judge of the Supreme Court the court system was in such good shape that the lawyers would rather file their lawsuits in the state courts rather than the federal courts because the delay was not so great. Now I don't know if that's still true or not. But we have...the way we improve the justice system, the way we give victims greater opportunities for justice is to hire the most competent people that we can, therefore, I take it that Senator Chambers wants us to vote these amendments so that he can ambush them later all at once. So I think we just ought to move them forward. Thank you.

**SPEAKER WITHEM:** Mr. Clerk, I understand there's a motion on the desk. Prior to taking that motion up, do you have any items for the record?

**CLERK:** I do, Mr. President. I have amendments to be printed from Senator Momen and Bohlke to LB 991. New A bills, (Read LB 446A, LB 1359A, and LB 1213A by title for the first time. See pages 1195-96 of the Legislative Journal.)
