LB 123, 977, 1129

the Legislative Journal. Re: LB 977 and LB 123.) That's all that I have, Mr. President.

**SPEAKER WITHEM:** Thank you, Mr. Clerk. This afternoon we go to Select File. The first bill up is LB 1129, Mr. Clerk.

**CLERK:** Mr. President, the bill has been discussed on Select File. On March 11 Enrollment and Review amendments were offered and adopted. Senator Matzke then moved to amend with AM3491. I do have amendments pending to that amendment.

**SPEAKER WITHEM:** Senator Matzke, I think probably the best thing to do would be for you to just give us a very brief review of what your amendment is, not a full-fledged opening, but bring us up to date if you could, please.

**SENATOR MATZKE:** Thank you, Mr. Speaker and members. As you will recall the last time we visited this matter I pointed out that Senator Kristensen had filed a motion to amend LB 1129 and his motion included some very good ideas which I adopted and redrafted 1129 to include his recommendations. Also, Senator Chambers had called several matters to my attention and we incorporated two or three of his recommendations in the redraft of 1129. So AM3491 is actually a redraft of the significant Section 2 of LB 1129 and we are here requesting that it be advanced at this time.

**SPEAKER WITHEM:** Thank you, Senator Matzke. Mr. Clerk.

**CLERK:** Mr. President, the first amendment to Senator Matzke's amendment is offered by Senator Witek. (Read Witek amendment. See page 1250 of the Legislative Journal.)

**SPEAKER WITHEM:** Senator Witek.

**SENATOR WITEK:** Mr. Speaker, members of the body, this is a very simple amendment and I've talked to Senator Matzke about it and a few others about putting this into the bill. Some people seem to think it may not be necessary since it already states that they would have to have purpose when they commit these acts. I guess my reasons for putting this into the bill was upon talking to members of...and if you'll look on Senator Matzke's amendment which is AM3491, on line 7, after, or right before after "the" between "the" and "purpose" it would say "implicit or explicit" purpose of initiation, admission to (sic), affiliation,
