LB 1290

SENATOR HALL: Senator Warner, for all three members, withdraws that as well.

CLERK: I have nothing further on the bill.

SENATOR HALL: Senator McKenzie, on the bill.

SENATOR MCKENZIE: Mr. President, I move LB 1290 be advanced to E & R Final.

SENATOR HALL: Thank you. You've heard the motion. The question is debatable. Senator Elmer, your light is on.

SENATOR ELMER: Thank you, Senator Hall. I had to get up and comment on Senator Will's timely notice to us that the school funding problem is not going to go away and it cannot rely on property tax as heavily as it does now. Residential people are feeling it, ag people are feeling it. And I think that the comments are proper. We need to address it, I hope we are able to in the coming years. Thank you.

SENATOR HALL: Thank you, Senator Elmer. Is there any other discussion on the motion to advance? Seeing none, Senator Warner. You've heard the motion. The motion was made by Senator McKenzie. All those in favor of advancing LB 1290 say aye. Opposed. The motion carries, the bill is advanced. Mr. Speaker, to be recognized.

SPEAKER WITHEM: I would just suggest that after the Clerk reads items into the record that we consider adjourning for the day and reconvening tomorrow morning.

SENATOR HALL: Mr. Speaker, there is nothing to read into the record. The Clerk is rather efficient tonight.

SPEAKER WITHEM: And that should be noted that that did happen tonight. With...with...I didn't say accurate, just said efficient. With that, I would move that we adjourn until 9:00 a.m. tomorrow morning, April 6th.

SENATOR HALL: You've heard the motion. All those in favor of adjourning say aye. Opposed. We are adjourned.
