SPEAKER WITHEM: LB 1244 passes. I'd like to make an announcement now so that there is no confusion when we get to it. There will be a couple of slight adjustments to the agenda as we go forward. We're still waiting for the bills to be reported down from E & R. LB 694E is quite a lengthy bill and also we've discovered that it has not been printed and is not available in your bill books. We will be passing over that bill. LB 1066 is a very lengthy bill and I am going to suggest that we pass over that bill also. We will, after then reading LB 1292, we'll jump to LB 1310 and then LB 1015 is a bill that had been printed on today's agenda so people should be aware that it is on the agenda. Originally, we thought there would be an amendment filed to it, there was not, so we will then read LB 1015. So you should add LB 1015 to the bottom and we will not be reading 1066 or 694. LB 906, Mr. Clerk.

CLERK: (Read LB 906 on Final Reading.)

SPEAKER WITHEM: All provisions of law relative to procedure having been complied with, the question is, shall LB 906 pass? Have you all voted? Record, Mr. Clerk.

CLERK: (Read record vote. See page 2046 of the Legislative Journal.) 46 ayes, 0 nays, 3 excused and not voting, Mr. President.

SPEAKER WITHEM: LB 906 passes. LB 1044.
