PRESIDENT ROBAK: Thank you, Senator Schrock. Is there any further discussion on LR 269? LR 270. Senator Stuhr.

SENATOR STUHR: Madam President and members of the Legislature, I would like to recognize Bradshaw's FBL team which is the Future Business Leaders of America. They have competed in the state conference for the last 11 consecutive years. This year Bradshaw was the smallest school out of 102 schools competing in the state conference and yet they had eight members qualify for national competition. In the last five years, Bradshaw's FBL team has won first place in the national competition in accounting. So I would like to congratulate the 1995 members of Bradshaw's FBL team and their advisor Ken Schultz. Thank you.

I think that many of you, ... Hastings College has been ranked in the top 58 liberal arts colleges. He has improved the buildings there and one of the... a couple of the more exciting things is the Gray Center for Communication Arts and the Scott Studio Theater. He has also been a very active member of our community and we will miss him. But I feel that Hastings College, the community of Hastings and the State of Nebraska have been very fortunate to have Dr. Reeves in the leadership position at Hastings College and wish he and his wife Delores a very happy retirement. Thank you.
