LB 556

ways. I wouldn't mind so much, but it allows the other 90 counties to vote on it. Pretty soon, if you have two or three doing it, then it could be a lot of counties doing it. I don't know. I...just call me someone who's opposed to change. I'm going to vote against it. Thank you for your time.

PRESIDENT MAURSTAD: Senator Crosby on the motion to override LB 556.

SENATOR CROSBY: Thank you, Mr. President and members. I just want to take an opportunity to express myself a little bit. I agree with Senator Dan Lynch. I'm not emotional about my license plate. But there are people who are emotional about their license plate, because the family has had it for a long time and...or just the individual his or herself has had the license plate, and they want to keep that number. Unfortunately, as I understand it...Senator Kristensen, I want to just reiterate very quickly a question. This was...this particular bill that Senator Lynch had was amended into this on Select File. Right?

PRESIDENT MAURSTAD: Senator Kristensen?

SENATOR CROSBY: I went back and looked at the status...

SPEAKER KRISTENSEN: Yes, that's correct. We had made some mention of it on General File, and...

SENATOR CROSBY: Okay. I feel...I did vote for it on Final Reading. But that particular day, I did take time out that afternoon, because I thought that there was going to be a long debate on some other bill. And I went on a personal errand, a family errand, and thought probably I'd be okay, I'd be back in time for some bills that were coming up; when I turned on the television a certain place that I was and, lo and behold, they're talking about the alphanumeric system, Senator Lynch. I couldn't believe it. And it didn't seem like there was much discussion, am I right, Doug, that day? It didn't seem like there was a big discussion. Do you remember, or...?

SPEAKER KRISTENSEN: I can't say there was a knock-down, drag-out...
