don't need anybody going around saying how great the State Patrol is, and if you have an emergency, dial 911. That is not needed and I think you ought to reconsider your support for this amendment although you didn't say, categorically, you would oppose it, but I think you ought to support what it is I'm trying to do.

PRESIDENT MAURSTAD: Thank you, Senator Chambers. Senator Chambers, you're recognized to close.

SENATOR CHAMBERS: Mr. President and members of the Legislature, I say, again, and it'll be the last time on this amendment, \$176,000 is not peanuts. The Speaker was quoted in the paper as saying if everything that is on the table docketed for passage is passed, way too much money is going to be spent. Why is it that because people wear uniforms, we're expected to voluntarily suspend our disbelief, as you do in literature, and pretend that what is really in front of us is not there? We will not call things by their true name, and by calling them a different name, we thereby change their nature. I don't see it that way. This is an unwise expenditure of money and I'm hoping that you will vote for this amendment. Mr. President, I will ask for a call of the house.

PRESIDENT MAURSTAD: The question is, shall the house go under call? Those in favor vote aye, those opposed nay. Mr. Clerk, please record.

ASSISTANT CLERK: 22 ayes, 0 nays to go under call, Mr. President.

PRESIDENT MAURSTAD: The house is under call. Would members
