

AMENDMENTS TO LB 620

(Amendments to E & R amendments, AM7106)

1 1. Insert the following new sections:

2 "Sec. 18. Genetic information means information about a
3 gene, gene product, or inherited characteristic derived from a
4 genetic test.

5 Sec. 19. Genetic test means the analysis of human DNA,
6 RNA, and chromosomes and those proteins and metabolites used to
7 detect heritable or somatic disease-related genotypes or karyotypes
8 for clinical purposes. A genetic test must be generally accepted
9 in the scientific and medical communities as being specifically
10 determinative for the presence, absence, or mutation of a gene or
11 chromosome in order to qualify under this definition. Genetic test
12 does not include a routine physical examination or a routine
13 analysis, including a chemical analysis, of body fluids unless
14 conducted specifically to determine the presence, absence, or
15 mutation of a gene or chromosome.

16 Sec. 35. A company entering into an agreement under the
17 Invest Nebraska Act is prohibited from requiring as a condition of
18 employment or promotion at the project that an employee or an
19 individual applying for employment at the project submit to a
20 genetic test or provide genetic information outside the scope of
21 normal blood testing."

22 2. On page 1, line 3, strike "40" and insert "43"; and
23 in line 13 strike "28" and insert "30".

- 1 3. On page 13, line 20, after the semicolon insert
- 2 "(i) A copy of the written policy of the company which
- 3 prohibits the company from requiring as a condition of employment
- 4 or promotion at the project that an employee or an individual
- 5 applying for employment at the project submit to a genetic test or
- 6 provide genetic information outside of the scope of normal blood
- 7 testing;"; and in line 21 strike "(i)" and insert "(j)".
- 8 4. Renumber the remaining sections and correct internal
- 9 references accordingly.
