Transcriber's Office  
FLOOR DEBATE

March 9, 2001 LB 114

SENATOR CUDABACK: One minute.

SENATOR CHAMBERS: ...you want to vote is, you know, I'll see it when we come to it on the board. But am I to take from our discussion that anything that exists in this bill that I find which is not necessary you'll be willing to strike it from the bill and we will leave only those things that are necessary in the bill?

SENATOR QUANDAHL: I've got to be careful in agreeing to that because what you may see or you may opine as being necessary to the bill probably would conflict with what my objectives are in bringing this bill. As a matter of fact, you made that pretty clear that you don't agree with my objectives under this bill.

SENATOR CHAMBERS: But if you agree that a certain provision is unnecessary, would you then agree to strike it?

SENATOR QUANDAHL: Yeah, if I agreed it was unnecessary.

SENATOR CHAMBERS: Okay, thank you. I will ask for a call of the house.
