FLOOR DEBATE

May 31, 2001 LB 75, 85
 LR 273, 274, 275

record and to the supporting senators...

PRESIDENT MAURSTAD: One minute.

SENATOR QUANDAHL: ...was incorrect. But in short, I guess, Senator Chambers had questioned the North Carolina Attorney General's opinion. All I'm saying is, don't take my word for it. Get your own lawyers, get your own people, take a look at it yourself, do your own investigation. And all I'm saying is, is that since this thing just came up before us the day before yesterday, I don't believe that any of us, or most of us in here, have had a chance to actually digest what this bill actually means, what this bill actually says. And for that reason, I would say, don't pass this bill just because of the threat of a filibuster. Don't threat this...or, don't pass this bill just because one senator says that he's going to hold up the rest of the session, he's going to keep us here till midnight. That's no reason to pass this bill.

PRESIDENT MAURSTAD: Time. Thank you, Senator Quandahl. Mr. Clerk, items for the record.

CLERK: Thank you, Mr. President. An announcement, first of all. Judiciary Committee will have an Executive Session immediately underneath the south balcony. Judiciary, south balcony, now. Enrollment and Review reports LB 75 as correctly enrolled. And Mr. President, I have three new study resolutions: LR 273, by Health and Human Services; LR 274, Urban Affairs; LR 275, Business and Labor. All will be referred to the board. That's all that I had, Mr. President. Thank you. (Legislative Journal pages 2326-2328.)

PRESIDENT MAURSTAD: Thank you, Mr. Clerk. On the motion to return LB 85 to Select File for specific amendment, we have Senator Tyson, followed by Senators Schimek, Dierks, Bromm, Beutler, and Chambers. Senator Tyson.

SENATOR TYSON: Thank you, Mr. President. I really feel ashamed of myself in supporting the bill that I do, since Senator DiAnna "Machiavelli" brought it up without the usual torturous path. She assured me when we were discussing this yesterday that she
