advancement. Have you all voted who care to? Record.

ASSISTANT CLERK: 25 ayes, 4 nays on the motion to advance the bill, Mr. President.

SPEAKER KRISTENSEN: The bill advances. Items for the record.

CLERK: Mr. President, new A bills. (Read LB 876A and LB 1033A by title for the first time.) Amendments to be printed: Senator Schimek to LB 1086, Senator Coordsen to LB 1303, Senator Engel to LB 1085. Senator Bruning would like to add his name to LB 847, Senator Redfield to LB 488. That's all that I had, Mr. President, other than a priority motion. (Legislative Journal pages 1458-1459.)

SPEAKER KRISTENSEN: Thank you, Mr. Clerk. There is a priority motion on the desk. Members, before we go to that priority motion, just for your information, tomorrow we will be moving over and tackling the remaining of the budget bills in the morning. We'll plan to work through the noon hour, see how much we get accomplished. I've gotten several questions about will we be coming back to General File. The answer is, yes, we will. It's a matter of when and how many times, but I anticipate we will be coming back. So those of you who had the next bill or two or three or five or whatever, I anticipate we will be revisiting General File. Thank you for staying the last two evenings. I appreciate your patience. Mr. Clerk, priority motion.

CLERK: Mr. President, Senator Coordsen would move to adjourn until Friday morning, April 5, 2002, at nine o'clock a.m.

SPEAKER KRISTENSEN: Question before the body is, shall we adjourn? All those in favor say aye. All those opposed say nay. There's been a request for a machine vote. Question before the body is, shall we adjourn? All those in favor vote aye; all those opposed vote nay. Could I see a hand of who asked for the record vote, please? Senator Smith. Thank you, Senator. Voting on adjournment. Have you all voted who care to? Record.
