

AMENDMENTS TO LB 172

1 1. Strike the original section and all amendments
2 thereto and insert the following new sections:

3 "Section 1. Each school district shall post and leave
4 posted throughout the year in a prominent location, available to
5 all students in grades seven through twelve, a toll-free telephone
6 number to the Department of Health and Human Services for the
7 exclusive purpose of providing information explaining the
8 provisions of section 71-6902 with regard to the requirements for
9 parental notification as a condition for obtaining an abortion.
10 The information shall explain the provisions of sections 71-6903
11 and 71-6904 with regard to seeking a judicial waiver of the
12 parental notification requirements. The provisions of this section
13 shall be narrowly construed to authorize and require the department
14 to provide only the information specified in this section. The
15 provisions of this section do not authorize the department to
16 provide specific information regarding how students may implement
17 the judicial waiver provisions of section 71-6903.

18 The Director of Health and Human Services in conjunction
19 with the Commissioner of Education shall develop and approve the
20 information to be provided. The Department of Health and Human
21 Services shall establish a statewide toll-free number in order to
22 comply with this section.

23 Sec. 2. The following section is outright repealed:
24 Section 71-6909, Reissue Revised Statutes of Nebraska."
