FLOOR DEBATE

February 27, 2003 LR 38

the adoption of this resolution. And, Senator Louden, if you would like some of my time, I would be happy to give it to you.

SPEAKER BROMM: Thank you, Senator Schimek. Senator Louden.

SENATOR LOUDEN: Yeah, thank you, Senator Schimek. Mr. Speaker and members of the body, I feel very privileged to be able to rise and talk on the subject of this library up here. Once completed, this complex will include the Mari Sandoz Museum, an herbarium,...I guess that's the way you pronounce it...exhibit areas, conferencing center, an extensive western history library, artifacts and collections devoted to the study of the history of the High Plains, digital imaging lab, meeting rooms, a Lundeen sculpture, and a heritage trail. So with that, I would ask for your acceptance of this proposal. And I'd ask you to advance LR 38. Thank you.

SPEAKER BROMM: Thank you, Senator Schimek. You've heard the closing on LR 38. Members, the question before us is the
