that are going to have their legs amputated. You see 50 cells in a petri dish. I would suggest when you do pray tonight...and I'm sure you will...rather than closing your eyes, I would rather that you look around, look for that person who is blind, that amputee, the person who doesn't know where he or she is. Now is the time to help by allowing this research, and then thank God for your ability to do it. Thank you.

SENATOR CUDABACK: Thank you, Senator Johnson. Mr. Clerk, do you have any items for the record?

CLERK: I do, Mr. President. Your Committee on Enrollment and Review reports LB 305 as correctly engrossed. Amendments to be printed: Senator Landis to LB 283; Senator Brashear to LB 320; and Senator Tyson to LB 73; and Senator Beutler to LB 602. (Legislative Journal pages 1610-1627.)

Mr. President, I have a priority motion. Senator Brashear would move to adjourn until Tuesday morning, May 6, at 9:00 a.m.

SENATOR CUDABACK: You've heard the motion to adjourn until May 6, 9:00 a.m. All in favor of that motion say aye. Opposed nay. We are adjourned.
