obtain an abortion. When they cannot get the adults, they zero in on those below the age of 18. So the first significant language in this statement by the Department of Education points out that the doctor who is being asked to perform the abortion must give notification to the parent, parents or guardian, as selected by the young woman, about the abortion. After that notice is given, 48 hours must elapse before the abortion can be performed. Next item, all caps, heavy print: WAIVER OF NOTICE. If the pregnant woman doesn't want her doctor to notify one of her parents or legal guardian, she must request that a judge authorize the abortion without written notice to a parent or guardian. This process is referred to as a judicial waiver of notification. We have been calling it judicial bypass. A waiver means that something is set aside. Then, JUDICIAL WAIVER OF NOTIFICATION, all caps; under that in all caps, FORMS AND INSTRUCTIONS. The pregnant woman must fill out a special form to ask for a waiver.

SPEAKER BROMM PRESIDING

SPEAKER BROMM: One minute.

SENATOR CHAMBERS: The Waiver of Notification form can be found at any courthouse in Nebraska in a place where anyone can pick it up without asking. The form has instructions on how to fill it out and where and how to turn it in. There is no need for anyone seeking this waiver form to ask anybody. Now, of course, if somebody wants to surveil the location where these forms are found, the busybody or the nosy person can determine who is picking up such a form. I will have to continue when I'm recognized again. Thank you, Mr. President.

SPEAKER BROMM: Thank you, Senator Chambers. Senator Schimek, on the Chambers amendment.

SENATOR SCHIMEK: Yes, thank you. Mr. President, members, I had to catch up a minute there, Senator Chambers, with your amendment. I was just reading over some previous information or some information on previous bills, and this happens to be from
