FLOOR DEBATE

March 17, 2004      LB 1083A, 1083  
                         LR 209

CLERK: Mr. President, some amendments to be printed: amendments to LB 1083A; an amendment to LR 209CA...LB 1083A, Senator Wehrbein; LR 209CA, Senator Louden; and Senator Connealy to LB 1083. Mr. President, the final announcement I have is, the Transportation Committee will have an Executive Session tomorrow morning at 9:30 a.m. That's all that I have. (Legislative Journal pages 1130-1133.)

SENATOR CUDABACK: Thank you, Mr. Clerk. Mr. Speaker, you're recognized to speak.

SPEAKER BROMM: Thank you, Mr. President and members. I think I've got a motion to adjourn up there, and so we'll be taking that up. But I think we've had some good debate. And there are some further discussions that perhaps can occur, and this would facilitate that if we would adjourn. I would also like to remind the body that tomorrow morning at 8:00 the Appropriations Committee, Senator Wehrbein, is offering a briefing for us before we begin the debate on the budget package, which is several bills, beginning at 9:00 in the morning. We'll stay on the budget tomorrow, and I would presume we would return to that on Friday morning. So as many of us as can, I would encourage us to take advantage of the briefing and the information that the Appropriations Committee will offer us. So with that, Mr. Clerk, I would offer the motion.

SENATOR CUDABACK: You've heard the motion by Senator Bromm to adjourn till Thursday morning, March 18, 9:00 a.m. All in favor of the motion say aye. Opposed to the motion say nay. We are adjourned until Thursday at 9:00 a.m.
