FLOOR DEBATE

April 6, 2004 LB 613, 850, 1082, 1231A

Senator Chambers?

SENATOR CUDABACK: Senator Chambers.

SENATOR CHAMBERS: Thank you, Senator Schimek. Thank you, Mr. President. Senator Schimek, I think your approach is very good, and that's why I acknowledged in the beginning that as strongly as I feel about this, I would not try to just put something together and maybe cause people to feel that we've got to do something, and what we would do on the spur of the moment may not be the best or the right thing. So I appreciate your approach. And if there's anything along the way that I could do, I'd like to have the opportunity to join you.

SENATOR SCHIMEK: Thank you for raising the issue, Senator Chambers.

SENATOR CUDABACK: Thank you, Senator Schimek and Senator Chambers. Any further lights on? Seeing no further lights on, the senator (sic) by Senator Mossey was to advance LB 1231A to E & R for engrossing. Again, all in favor say aye. Opposed nay. It is advanced. (Visitors introduced.) Mr. Clerk, items or messages?

CLERK: Mr. President, a confirmation report from Health and Human Services. And Government Committee reports LB 1082 to General File with amendments attached. That's all that I have. (Legislative Journal pages 1522-1524.)

SENATOR CUDABACK: Thank you, Mr. Clerk. We're still on Select File. LB 613, Mr. Clerk.

CLERK: LB 613. Senator, I have no E & R's. Senator Mossey would move to amend with AM3325. (Legislative Journal page 1436.)

SENATOR CUDABACK: Senator Mossey, you're recognized to open on your amendment to LB 613.

SENATOR MOSSEY: Thank you, Mr. President. What AM3325 is, essentially it's LB 850 as amended by the Judiciary Committee
