

Ninety-Ninth Legislature - Second Session - 2006
Introducer's Statement of Intent
LB 787

Chairperson: DiAnna R. Schimek
Committee: Government, Military and Veterans Affairs
Date of Hearing: January 18, 2006

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 787 would establish within the Nebraska Emergency Management Agency a cost effective method to provide for the calibration of radiological instruments within the State of Nebraska. As written, this bill gives the Nebraska Emergency Management Agency Radiological Emergency Preparedness Division the ability to calibrate radiological equipment and charge minimal fees in support of this service. The bill also provides a method to promulgate rules and regulations for future fees and establishes a cash fund to receive fees charged to support on going program costs.
