

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office
FLOOR DEBATE

March 13, 2006 LB 508, 1226

SENATOR CHAMBERS: Senator Schrock, you and I have labored during this session and in previous sessions over a number of bills, have we not?

SENATOR SCHROCK: Yes, we have.

SENATOR CHAMBERS: And sometimes we start out completely at loggerheads. Is that true?

SENATOR SCHROCK: That is true.

SENATOR CHAMBERS: And after we work on the bill, we, on most of them, have managed to find some kind of middle ground. Would you agree?

SENATOR SCHROCK: Yes. And I like middle ground.

SENATOR CHAMBERS: (Laugh) Senator Schrock, there is another bill, LB 1226, that deals with funding for NRDs, or it may be a vehicle for that,...

SENATOR SCHROCK: Yes.

SENATOR CHAMBERS: ...with reference to water management activities, and you have an interest in that bill and that amendment, correct?

SENATOR SCHROCK: Yes, I do.

SENATOR CHAMBERS: So there is no necessity for me to belabor this bill which has your name on it, is there, in view of the fact that that other bill is still in the pipeline heading our way?

SENATOR SCHROCK: That would be true, Senator Chambers.

SENATOR CHAMBERS: Thank you, Senator Schrock. Mr. President, I withdraw that motion.

SENATOR CUDABACK: It is withdrawn. Anything further on the bill, Mr. Clerk?
