

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office  
FLOOR DEBATE

March 14, 2006 LB 605A

Thompson. (Read title.)

SENATOR CUDABACK: Senator Thompson, you're recognized to open on LB 605A.

SENATOR THOMPSON: LB 605A is the A bill to put the mechanism in place to do this, and I urge you to advance this bill. Thank you.

SENATOR CUDABACK: Mr. Clerk, a motion on the desk, please.

ASSISTANT CLERK: Mr. President, Senator Pederson would offer AM1897. (Legislative Journal page 401.)

SENATOR CUDABACK: Senator Pederson, to open on AM1897 to LB 605A.

SENATOR D. PEDERSON: Mr. President, members of the Legislature, this particular amendment simply adopts the new proposal in the funding stream that we talked about in the initial bill. It's exactly the same thing that we have previously discussed, and I would ask the advancement of that, as we advance the bill itself. Thank you.

SENATOR CUDABACK: Thank you, Senator Pederson. You've heard the opening on AM1897. Open for discussion. Senator Pederson, there are no lights on. Did you wish to close? He waives closing. The question before the body is adoption of the Pederson amendment, AM1897. All in favor vote aye; opposed, nay. Voting on adoption of the Senator Don Pederson amendment to LB 605A. Have you all voted who wish to? Please record, Mr. Clerk.

ASSISTANT CLERK: 34 ayes, 0 nays on the adoption of Senator Pederson's amendment.

SENATOR CUDABACK: The amendment has been adopted.

ASSISTANT CLERK: Mr. President, I have nothing further on the bill.
