FLOOR DEBATE

March 23, 2006 LB 690, 1060

which has been made with regard to an earlier disputed item, which will come back then for your consideration as an amendment on LB 1060, what I'm going to do at this point is...and we may have a moment here of pause, but what we're going...I don't see Senator Stuhr, but I assume she's nearby. We're going to return to LB 690 and finish that category of senator priority bills, and then we'll see where we are. I want to stay with revenue bills until we...budget bills until we complete them before we move on to the fun of Select File, 2006 committee first priority bills. But for now, we will go to LB 690 and LB 690A, and then come back to LB 1060. I think this is the most efficient use of everybody's time, and I appreciate your cooperation. Thank you.

SENATOR CUDABACK: Thank you, Mr. Speaker. Mr. Clerk, LB 690.

CLERK: Mr. President, LB 690. Senator Flood, I have Enrollment and Review amendments pending to LB 690. (AM7184, Legislative Journal page 1094.)

SENATOR CUDABACK: Senator Flood, for a motion, please.

SENATOR FLOOD: Mr. President, I move the adoption of the E & R amendments to LB 690.

SENATOR CUDABACK: Heard the motion to adopt the E & R amendments to LB 690. All in favor of the motion say aye. Opposed, nay. They are adopted.

CLERK: Mr. President, the next amendment is by Senator Erdman, FA622.

SENATOR CUDABACK: Senator Erdman, you're recognized to open.

SENATOR ERDMAN: Thank you, Mr. President. I offered an amendment earlier today and Senator Stuhr has come over and discussed the amendment thoroughly with me and, as it has, forced me to withdraw it. So I would act to ask to withdraw it, please.
