

One Hundred Fifth Legislature - First Session - 2017

Introducer's Statement of Intent

LB164

Chairperson: Senator Curt Friesen

Committee: Transportation and Telecommunications

Date of Hearing: January 24, 2017

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB164 cleans up the definition of trailer and cabin trailer, amends statutes to meet regulatory requirements in 49 CFT 384.231(b) by adding language that specifies disqualification periods for commercial driver license holders must be served consecutively and separately.

LB164 eliminates the requirement of the Department of Motor Vehicles (DMV) to send Part II of the driver accident report to insurance companies by US Mail, and allows the Department of Roads to electronically submit information from Part II of the driver accident report to the DMV.

LB164 requires the DMV to maintain registration, allow release and purchase of records of motorboats, all-terrain vehicle, utility-type vehicles, snowmobile, and minibike records under the same provisions as motor vehicle records. The bill includes motorboats, all-terrain vehicle, utility-type vehicles, snowmobile, and minibike records as motor vehicle records for protection of personal information under the Uniform Motor Vehicle Records Disclosure Act.
