- 2 Statutes Cumulative Supplement, 2022; to change provisions relating
- 3 to the committee on American civics; and to repeal the original
- 4 section.
- 5 Be it enacted by the people of the State of Nebraska,

1 Section 1. Section 79-724, Revised Statutes Cumulative Supplement,  
2 2022, is amended to read:

3 79-724 It is the responsibility of society to ensure that youth are  
4 given the opportunity to become competent, responsible, patriotic, and  
5 civil citizens to ensure a strong, stable, just, and prosperous America.  
6 Such a citizenry necessitates that every member thereof be knowledgeable  
7 of our nation's history, government, geography, and economic system. The  
8 youth in our state should be committed to the ideals and values of our  
9 country's democracy and the constitutional republic established by the  
10 people. Schools should help prepare our youth to make informed and  
11 reasoned decisions for the public good. Civic competence is necessary to  
12 sustain and improve our democratic way of life and must be taught in all  
13 public, private, denominational, and parochial schools. A central role of  
14 schools is to impart civic knowledge and skills that help our youth to  
15 see the relevance of a civic dimension for their lives. Students should  
16 be made fully aware of the liberties, opportunities, and advantages we  
17 possess and the sacrifices and struggles of those through whose efforts  
18 these benefits were gained. Since young people are most susceptible to  
19 the acceptance of principles and doctrines that will influence them  
20 throughout their lives, it is one of the first duties of our educational  
21 system to conduct its activities, choose its textbooks, and arrange its  
22 curriculum in such a way that the youth of our state have the opportunity  
23 to become competent, responsible, patriotic, and civil American citizens.

10 incorporation of multicultural education as set forth in sections 79-719
