INAUGURAL CEREMONIES

Chief Justice Michael G. Heavican, administered the Oath of Office to the newly elected state officials.

Governor Pete Ricketts delivered the following inaugural address:

“We can grow Nebraska.”

President Foley, Speaker Hadley, Chief Justice Heavican, Members of the Legislature, distinguished guests, family, and fellow Nebraskans.

Congratulations on beginning the 104th Nebraska Legislature. I am humbled and honored to serve you as the 40th Governor of the great State of Nebraska.

Welcome to the new members of the Unicameral and my fellow constitutional officers. I look forward to working with each and every one of you.
Today, as is with all inauguration days, is a time of new beginning for the state of Nebraska. As I look into the future, I’m optimistic about the road that lies ahead. We have a great state, filled with opportunity.

It is also a time to take stock. We’ve turned the calendar to 2015. In a little over two years, we will celebrate Nebraska’s 150th anniversary of statehood.

Our rich history is deeply rooted in freedom, opportunity, liberty, and the hope for a better life for future generations.

A few years before statehood in 1862, the Homestead Act was signed into law by President Abraham Lincoln, who also selected Nebraska to be a crossroads for a great transcontinental railroad.

The first Homesteaders were citizens, immigrants, and freed slaves. They traveled hundreds of miles to Nebraska by foot, wagon train and railroad seeking a better life.

A special incentive was provided for the patriots who served in the Union Army. One of the first Homesteaders, Daniel Freeman, was one such soldier. He claimed a piece of land at Cub Creek near Beatrice. Another veteran, Robert Ball Anderson, was a former slave who earned his freedom in the Union Army. In 1870, he became the first freed African-American Homesteader.

Today we gather in Lincoln, our state capital, named for one of the greatest of American presidents who shaped the destiny of our state. We continue to welcome all those who value freedom and are in search of a better life. We welcome people from all over the world, who study at our great Universities or work at our businesses, farms and ranches. And as our forefathers did a century and a half ago, we honor the veterans—the men and women who sacrificed and served our country.

Folks, we have a beautiful state filled with tremendous opportunity from the Missouri River to the Sandhills to the Pine Ridge.

Nebraska is what America is supposed to be.

The strength of our state lies in our people. Nebraskans are engaged in their communities, their schools, and their churches. And when we have problems, we find ways to work together despite our differences.

The future of our state continues to depend on our ability to pull together, to solve problems, and to grow Nebraska. I am excited to work together in a spirit of collaboration to move our great state forward.

To create the futures that Nebraska families want and deserve we must work toward four goals.
First, we must strengthen our economy and create jobs. These priorities go hand in hand. We must create more and better paying jobs for our kids and grandkids and attract kids from across the country. We must create the 21st century infrastructure and pro-growth policies that foster investment by business and productivity for our farms and ranches.

However, there’s a major barrier to growing jobs in our state: Nebraska’s high taxes. We must cut taxes.

Whether you’re a homeowner, farmer, rancher, or small business owner, everyone feels the burden of high taxes.

Nebraskans from Alliance to Syracuse have expressed their strong interest in finding a pathway to property tax relief. That is my number one priority this year.

At the same time, we must act responsibly. It is our constitutional duty to balance our budget while funding the priorities that the people of Nebraska care about most.

Next, we must reduce regulatory burdens. Whether it’s a livestock producer in Bridgeport or a manufacturer in Deshler, business owners bear the burden of oppressive over regulation.

As governor, I will stand up to the excessive regulation forced on us by Washington. At the state level, I will work to ensure our regulatory process is fair, transparent, and more efficient.

In addition, we must strengthen our education system. We must make sure our young people have the skills they need to compete in a 21st century global economy and in particular career and vocational training. Every manufacturer I’ve spoken to has told me they can’t find enough skilled labor, and it’s a barrier to them expanding in our state.

In the coming weeks, I will continue to meet with members of the legislature to build relationships so that we can Grow Nebraska.

As we work together, you will have other ideas on how to reach our goals. You may have other concerns you are hearing from your constituents. I promise I will listen closely and with an open mind.

Nebraskans want government to work. They hold us to high standards. I will work hard each and every day to meet those standards and safeguard the public’s trust. I urge Nebraskans everywhere to stay engaged: You are the second house. Hold us accountable for what we achieve and help us Grow Nebraska.

In the words of Virginia Smith, the only woman to represent Nebraska in the
U.S. House of Representatives, “There is no excellence without great labor.”

On behalf of my wife Susanne and our entire family, thank you very much, and God Bless the people of this great state.

The Governor, Lt. Governor, their families, and other newly elected state officials were escorted from the Chamber.

At the general election in November 2022 and every six years thereafter, members of the Legislature representing even-numbered districts shall be elected to terms of six years, with the manner of such election to be determined by the Legislature. LEGISLATIVE RESOLUTION 22. Introduced by Gloor, 35.

PURPOSE: Patient-centered medical home is a health care delivery process that is transforming today's medical care to a coordinated, patient-centered method of delivering health care. This care is provided in primary and certain specialty care clinics and is coordinated with other medical, dental, and behavioral health services, public health entities, and other community-based support services. The aim of patient-centered medical home is to
improve patient experience and individual health outcomes while improving population health and containing health care costs.

This systemwide transformation necessitates the cooperation and collaboration of health care providers, insurers, and administrators, federal and state governmental entities, along with self-insured businesses as purchasers of health care and health insurance, among others.

It is the purpose of this interim study for the Health and Human Services Committee of the Legislature and the Banking, Commerce and Insurance Committee of the Legislature to monitor this medical care transformation in Nebraska and the progress of the participation agreement to recognize and reform payment structures to support patient-centered medical home and to provide a legislative forum for discussion and collaboration among the many stakeholders of this health care industry and health insurance transformation.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED FOURTH LEGISLATURE OF NEBRASKA, FIRST SESSION:

PROPOSED RULES CHANGES

The Rules Committee offered the following proposed rules changes:

Rule 5, Sec. 5. Scheduling of Bills, Priority Bills.

(d) The State-Tribal Relations Committee may designate one bill consistent with the committee's jurisdiction as a priority bill but the principal
introducer must concur with the designation as a priority bill, and with the withdrawal of the designation once made.

(d)(e) The Speaker may designate up to 25 additional priority bills.

(e)(f) Priority bill designations may be made at any time prior to the annual designation deadline which shall be set each year by the Speaker. The designation deadline shall be prior to the 45th legislative day in the ninety-day session and prior to the 30th legislative day in the sixty-day session.

(f)(g) A senator or committee may withdraw a priority designation at any time, but will not be allowed to designate another bill as a priority bill in its place. The Speaker may withdraw a priority designation made by the Speaker.

(g)(h) All committees shall schedule priority bills for public hearing ahead of all unscheduled, nonpriority bills unless the person or committee making the priority designation shall otherwise agree.

(h)(i) All bills not designated as priority bills shall be heard on General File in the order in which they are reported to the floor by the committees, unless the introducer of the bill and the Speaker agree to delay the hearing of a particular bill. This provision shall not be construed to prevent the Speaker from placing bills reported out of committee with no dissenting votes on a consent calendar.

(i)(j) Priority bills shall generally be considered ahead of all other bills at each stage of debate, except as provided for in Rule 1, Section 17. Priority bills requiring the expenditure of appropriated funds shall be held on Final Reading until such time as the annual appropriations bills have been passed. A priority bill which fails to advance after two votes on General File, or after one vote on Select File, shall return to nonpriority status.

(j)(k) No priority bill designated under this rule shall have priority over appropriations bills.

Rule 7, Sec. 3. Motion, in Writing, Withdrawal.

(e) Any member may call for the division of a question, which shall be divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition shall remain for the decision of the Legislature. Once a division is ordered by the presiding officer, each component shall be treated as a separate and distinct proposition. For purposes of germaneness, even if a question is germane prior to a request for division, each and every other component or proposition of the divided question will be subject to germaneness rulings. Once a vote or change has occurred on any of the divisible questions, the remaining divided sections may not be withdrawn without a majority of those voting or without
unanimous consent. A motion to strike out and insert shall be deemed indivisible, but a motion to strike out being lost, shall not preclude an amendment or a motion to strike out or insert. Such call for division shall not be allowed when considering motions under Rule 6, Section 6. Such a call for division shall not be allowed for the mainline budget bill, the deficit bill, the capital construction bill, the constitutional officers salary bill, and the funds transfer bill.

The Rules Committee indefinitely postponed the following proposed rules changes:

**Rule 1, Sec. 1. Officers to be Elected.**

If the election is not contested, the presiding officer may accept a motion to declare the nominations closed, and declare the nominee elected by acclamation.

Before the ballot vote is taken each person so nominated may make a public statement to the Legislature indicating what the Legislature may expect from him or her in the area of the responsibility of such office. The officers so elected shall hold such office for a period of two years.

At the end of the roll call vote but prior to the presiding officer declaring a winner, the clerk shall verify how each member voted and the result shall be entered into the legislative journal.

*The Legislature elects two from Legislative Districts 2, 3, 15, 16, 19, 21 through 29, 45, and 46; two from Legislative Districts 4 through 14, 18, 20, 31, 39, and 49; and two from Legislative Districts 1, 17, 30, 32 through 38, 40 through 44, 47, and 48. Speaker is member of Board; Chairperson of Appropriations is nonvoting member. RRS 50-401.01.*

(b) In the event a vacancy occurs on the Executive Board, the following shall apply:

(i) The Vice Chairperson shall serve as acting Chairperson upon the resignation or death of the Chairperson until the commencing of the next regular session of the Legislature, at which time the Legislature shall
nominate from the floor and elect by secret ballot a Chairperson of the Executive Board for the balance of the original term.

(ii) Upon the resignation or death of the Speaker, during the interim, said position shall remain vacant until the next regular session or special session the Legislature convenes, at which time a Speaker shall be nominated from the floor and elected by secret ballot for the balance of the original term. Upon the resignation or death of the Speaker during the session, a Speaker shall immediately be nominated from the floor and elected by secret ballot for the balance of the term.

(iii) In the event there is a vacancy of the Vice Chairperson of the Executive Board during the interim, said vacancy shall be filled pursuant to Rule 3, Section 8(c) until the commencing of the next regular session of the Legislature at which time the Legislature shall nominate from the floor and elect by secret ballot a Vice Chairperson of the Executive Board for the balance of the original term.

(iv) During session, a vacancy among the remaining six members of the Executive Board shall be filled by a majority vote of all members of the respective caucus from which the vacancy occurred, subject to approval of the Legislature. The individual so selected shall serve for the balance of the original term. During the interim, a vacancy among the remaining six members of the Executive Board shall be filled by a majority vote of all members of the respective caucus from which the vacancy occurred, subject to approval of the Executive Board. The individual so selected shall serve for the balance of the original term.

Rule 3, Sec. 8. Chairperson, Vice Chairperson.

(a) The chairperson of each standing and select committee shall be selected by secret ballot roll call vote with each member indicating the candidate he/she is supporting.

(b) At the end of the roll call vote but prior to the presiding officer declaring a winner, the clerk shall verify how each member voted and the result shall be entered into the legislative journal.

If the election is not contested, the presiding officer may accept a motion to declare the nominations closed, and declare the nominee elected by acclamation.

(b)(c) The chairperson of a special committee shall be selected in the manner provided by the act authorizing the committee, or if not specified, by the Executive Board.

(e)(d) Each committee shall elect from its membership a vice chairperson to serve in the absence of the chairperson.

(b) **Electronic Submission of Documents**

(i) Copies of any additional testimony and/or exhibits being presented may be done electronically to the committee clerk for access by members choosing to use electronic data, as allowed by the committee chairperson.

(ii) These document submissions may occur via electronic mail, disk, or portable drive and shall be placed in an electronic file by the committee clerk.

**Rule 7, Sec. 5. Call of the House.**

(a) A call of the house may be made by any member in the manner following: "I move for a call of the house." The presiding officer shall direct that the board be cleared and the members shall then vote on placing themselves under call. If a majority of the senators present and voting, vote in favor of such a motion, then the Legislature shall be deemed to be under call. Each member present shall indicate his or her presence upon the electric roll call system and shall remain in his or her seat except when excused by the President during the call. After the Clerk shall note the names of the absentees, proceedings under the call may be suspended at any time by a majority vote of the members then present, and when so suspended shall not again be ordered on the proposition pending, except by a majority vote of the members elected. The President may declare a motion to place the house under call out of order if all of the absentees were to vote on one side of the question and if their combined vote would be insufficient to change a result of the vote.

**Rule 2, Sec. 3. Chamber, Guests, Distribution of Material.**

(h) Members shall remain in their seats or within the immediate vicinity of their seats during the final reading of a bill and until the vote thereon has been announced, except when excused by the President. NOTICE OF COMMITTEE HEARING(S)
Nebraska Retirement Systems
Room 1525
Thursday, January 29, 2015 12:00 p.m.

(Signed) Jeremy Nordquist, Chairperson

CONFLICT OF INTEREST STATEMENT(S)
Pursuant to Rule 1, Sec. 19, Senators Watermeier and Williams have filed Potential Conflict of Interest Statements under the Nebraska Political Accountability and Disclosure Act. The statements are on file in the Clerk of the Legislature's Office.

MOTION - Escort Governor
Senator Kolowski moved that a committee of five be appointed to escort the Governor of the State of Nebraska to the Legislative Chamber to deliver his State of the State Address.

The motion prevailed.

The Chair appointed Senators Kolterman, Sullivan, Scheer, Johnson, and Crawford to serve on said committee.
STATE OF THE STATE ADDRESS

"There is one consistent message I have heard in every corner of the state: property taxes are too high."
"This property tax relief will help all Nebraskans: homeowners, small business owners, and our farmers and ranchers."
"...together, we can take important steps toward providing tax relief."

President Foley, Speaker Hadley, Members of the Legislature, Tribal Chairmen, Distinguished Guests, Friends, and Fellow Nebraskans.

Congratulations once again on the commencement of the 104th Nebraska Legislature. I want to commend all of you for your willingness to serve your constituents and our great state. I recognize your personal sacrifice as well your commitment to public service, which is a high and noble calling.

I look forward to working together in a spirit of collaboration, which is of course the tradition of Nebraska’s unique non-partisan institution.

Our future success as a state depends upon our ability to work together, and I look forward to continuing to work with each and every one of you.

Speaker Hadley, it’s a pleasure to work with you and I look forward to what we can do for this state. Congratulations on being chosen to serve as Speaker. The confidence your colleagues have in you speaks volumes and Nebraska is grateful for your dedication.

I also want to take a moment to recognize the Nebraska National Guard. The role of these men and women, who are truly citizen soldiers, has never been more important, has never put more pressure on families, and has never been more difficult or dangerous. We live in a dangerous world. They not only protect us by deploying to foreign regions, but they keep us safe here at home in situations like the tornados in Pilger and Beaver Crossing. We are grateful for their service and sacrifice.

Nebraska is a special place. We are more than just lines on a map. We are bound together by more than just our common geography. It’s a culture, it’s a way of life. It’s the way we treat each other with dignity, respect, and civility.

We have a great state, built by our ancestors who made Nebraska home for themselves and for their children and grandchildren. Like our ancestors before us, we have a duty to create an even better future for our kids and grandkids. And just as our ancestors before us, we have a duty to Grow Nebraska.

I’m excited to join you to take advantage of our opportunities. I am encouraged by the discussions I have had with many of you about how we Grow Nebraska.
As citizen legislators, you bring all of your life experiences to our work. I too have outside experiences, and I promised the people of Nebraska I would put my business experience to work for the state. To that end, I have worked to develop a budget, a blueprint that slows the growth of spending, provides for property tax relief, has room to make improvements in critical areas like corrections and HHS, and also funds the essential services of state government.

Let me take a moment to talk about my philosophy on the cash reserve. My budget recommendation for the next biennium does not draw down the reserves. However, right now, we have too much money there. My belief is we should work together to return more of that to the taxpayers. The remaining reserves should only be used for emergencies or one-time critical expenses.

It is easy to view a government budget as a collection of numbers in rows and columns next to agencies and programs, but behind the numbers are people’s lives. We must be mindful that every dollar is precious. The dollars that fund our budgets are dollars earned by hardworking Nebraskans. We must also be mindful that the agencies and programs are designed to serve our citizens—and many of them are people in need.

This session, we will meet, we will debate, and we will even compromise, as we set about to fund the important services for the people we represent. That is our job and we will do it with dedication and commitment.

Today, I am privileged to report on the condition of Nebraska. It should come as no surprise that I believe the state of Nebraska to be strong.

Here in the heartland we have major military installations, academic research centers, and we are at the heart of the nation's agricultural system. Nebraska is on the front lines of bioterrorism preparedness. At the University of Nebraska Medical Center our medical professionals have made national headlines with their success responding to the Ebola outbreak. I want to recognize the members of that team who are here with us today for their success and bravery: Dr. Dan Johnson and nurses Kate Boulter and Shelly Schwedhelm. Thank you!

Our people, everyday heroes all across Nebraska, are the reason the state of our state is so strong. From teachers that prepare our kids for an ever-changing world to the medical professionals at UNMC treating Ebola patients. From the law enforcement officers and firefighters who put themselves at risk each and every day to farm families that feed the world. From the volunteers who build our communities to the crews at Offutt Air Force Base and our military families that answer the call. These Nebraskans love to serve and they make our state strong.

I have long said that Nebraska’s greatest resource is our people. I know from personal experience when you hire a Nebraskan you hire someone who
has a great work ethic, is well educated, loyal, and will help your business succeed.

As I have said before: Nebraska is what America is supposed to be.

I traveled Nebraska from Chadron to Falls City and from Norfolk to Ogallala. I have listened to the people of Nebraska. I was privileged in my travels to connect with old friends like Senators Lydia Brasch, Bob Krist, Curt Friesen, and Jim Smith.

I also appreciated new friends, who supported me like Senators Dan Hughes and John Kuehn who served on my Ag Advisory Committee, and Senator Dave Bloomfield who was supportive throughout Northeast Nebraska.

Senators Campbell and Mello were gracious to meet with me about issues, and Senator Bolz came to a Lincoln event we had with Lieutenant Governor Mike Foley.

This budget, which is informed by my discussions with many of you—and by the fact that I grew up here—represents not only the priorities of Nebraskans, but their hopes for our shared future.

I’m eager to work with you on four major priorities to Grow Nebraska: First, strengthening our economy and creating jobs; second, reducing taxes; third, ease regulatory burdens; and additionally, expanding educational opportunities. All of these priorities are interconnected and are reflected in my budget recommendation.

Because it is so important that we boost our economic engine and create jobs, one of my administration’s first steps was to conduct a national job search for a new Director of Economic Development. I’m proud to have Brenda Hicks-Sorensen, join my team. Her expertise will help us realize the untapped potential in our state, and we will be well-served with her track record of recruiting businesses. We want the world to know Nebraska welcomes business investment and has good jobs in great communities, and Brenda will help get the message out.

But creating jobs is more than just a marketing focus or incentives. We need to evaluate what we are doing to encourage small business to expand and grow. We need to have a plan to attract business investment as well as business relocations. We need to be strategic and aggressive about trade opportunities.

And there is no better place to start expanding export opportunities than with agriculture.

Our farmers and ranchers are feeding the world. According to Ronnie Green at the University of Nebraska, by 2050 there will be two billion more people on the face of this earth and because of rising standards of living, we will
have to produce one hundred percent more food. Seventy percent of that will have to come from productivity and innovation. Our farmers and ranchers are the most productive and innovative in the world. Nebraska is number one in cattle on feed, number two in ethanol production, number three in corn production, and we are the fourth largest state for overall agriculture production. And I look forward to working with Senator Johnson and the Agriculture Committee to expand upon these successes.

This budget provides additional funds for more export trade missions in both the Department of Economic Development and the Department of Agriculture, and under my administration these departments will work more closely together than ever before.

Job creation, in part, depends on a tax climate that encourages growth. We have a lot of work to do to stay competitive with neighboring states. And staying competitive is something that is often overlooked when we talk about jobs. We need to attract new individuals and families to Nebraska.

We have a great way of life and great jobs to offer. Now, we need to highlight that and invite people to make a home in Nebraska. Unemployment in Nebraska is about 3 percent, which is a blessing and a challenge. A recent State Chamber study said retaining a skilled workforce is one of the top concerns of our business leaders. We have long discussed the problem of brain drain, and I can tell you as a dad that I want all roads to lead back to Nebraska. To do that we need to remove the obstacles.

Which is just one reason why we must reduce taxes.

According to one national business news network, we are the third overall highest taxed state behind only California and New York. Think about that for a second. We can do better.

Our high tax reality does not just hit the wallets of our citizens—it creates a reputation. It discourages new business investment. Our high taxes also discourage people from choosing Nebraska as a place to live, work and raise a family.

There is one consistent message I have heard in every corner of the state: property taxes are too high. My budget adds $60 million each year to the property tax credit relief fund—an increase of nearly 43 percent—for a grand total of $400 million in property tax relief this biennium. This property tax relief will help all Nebraskans: homeowners, small business owners, and our farmers and ranchers.

An example of someone we can help is Roger Brandt. Roger is a farmer from Carroll up in Wayne County who is here with us today. Last spring, Roger showed me his tax assessments for the three pieces of property he owns. His assessments increased between 36 to nearly 50 percent for each parcel in just one year. That is not sustainable. That is why I also want to
work with you to reduce the ag land valuation. I have funded a phased in approach in my budget to reduce valuations from 75% to 65%.

We did not get to be a high tax state overnight, and we won’t get taxes down overnight either. But together, we can take important steps toward providing tax relief.

I do want to take a minute to talk about funding our priorities. One of the most important things we do in government is take care of our most vulnerable citizens. As elected officials we give a voice to the voiceless. In Nebraska, we can—we must—do better.

My administration is conducting a national job search for a new CEO of Health and Human Services. I am looking for a transformational leader to reform the culture. State government needs to work for the children who are in the care of the state, for individuals who are in state facilities, and for all those who rely on government services.

We need a culture in our state agencies that is people-centric. The people who need our help do not fit neatly into the silos we have created. We need a system that cares for the entire person, helps them reach their full potential and if possible helps them live a life free of public assistance.

There are people who will continue to need our help. We must serve them effectively and with dignity and respect. When we start getting better outcomes for people, our costs will come down too.

Many people who receive services just need a hand up to get back on their feet. We have to prevent government from getting in their way. Last year, I met Susanne Shald in McCook. Susanne is widowed and her three kids receive health insurance through Medicaid. She works hard and is intent on teaching her kids a strong work ethic like her father taught her. So when her 16-year-old daughter got a job and was informed that if she earned more than $6,000 a year, she would lose her health insurance, Susanne was infuriated. I don’t blame her. Susanne and her family have joined me here today. Susanne and her children put faces on our need for a common sense approach in government—one that does not create disincentives for people and families to work.

Next, it is time to pursue comprehensive reform in our corrections system, another department in need of a cultural change. Scott Frakes will be joining my administration as the new Director of the Department of Corrections. He brings over 32 years of experience starting as a corrections officer and working through the uniformed ranks before moving into management. I am confident that he will help chart a new course for this agency.

Inmates released early by mistake threaten not only the public safety, but also the public’s trust in their government. Nobody in corrections wanted these mistakes to occur, but they did, and we have got to do better.
Under Director Frakes, we will create a culture of accountability, common sense, and excellence. The Department of Corrections will seek to improve its rehabilitation and reentry programs to address recidivism. We will immediately evaluate our short term and long term needs and set out on a course of reform to this system.

This budget leaves room to address immediate reform needs in corrections.

Many of you here today have worked to tackle the issues in corrections. There is no branch of government that has cornered the market on good ideas or solutions for this issue. We have to work together, executive, legislative, and judicial for comprehensive reform that includes addressing sentencing and good time laws, mental health, and management of these facilities. I will work with Scott Frakes to get a full picture of what we need to do; and I look forward to sitting down with the leadership of this body to set a time table we can agree on to make substantive changes.

This budget holds the growth of our state spending to a little more than 3 percent over the next 2 years. That is a slower rate of growth than the approximately 6.5 percent in the last biennium.

We will fund our priorities, but in a way that is sustainable. We grow our revenues about 5 percent a year on average. If we can restrain government’s growth, we can afford to put money back in the pockets of taxpayers. In turn, taxpayers will be able to afford more goods and services, businesses will expand and we will Grow Nebraska.

Another way I have taken action to drive operational excellence in every corner of state agencies is a private sector solution to create the position of Chief Operating Officer. I have hired Felix Davidson, United States Marine Corps Captain and a business executive with a proven track record of success in change management and process improvement.

I have one more tax relief proposal—an important one. Like many of you, I believe we need to eliminate the state income taxes on the retirement benefits of our military families. I have left room in this budget package to work with Chairman Gloor and the Revenue Committee to give our veterans relief. Chairman Gloor, I thank you for your service in the U.S. Air Force, and I know you understand how important it is to take care of our veterans. From the crews at Offutt Air Force Base to the National Guard Armory in Scottsbluff, we cannot thank our men and women in uniform enough, and we do not want to lose these treasured individuals to other states.

Besides high taxes and lost talent, our business leaders say overregulation is a top concern. We all want clean air, clean water, and safe working conditions, but we must also apply common sense so that we do not create barriers for our businesses creating jobs.

When we get our property tax bill we can see exactly how much we are
paying. The cost of regulation, however, is hidden—but it’s a job killer all the same. As governor, I will stand up to the overregulation forced on us by Washington. Whether it is new health care mandates on employers, EPA overreach on carbon emissions and the Waters of the US, or the delay of the Keystone XL pipeline, Washington just does not get it.

I have urged Congress and President Obama to swiftly approve the Keystone XL pipeline. It will bring much-needed tax revenue to Nebraska counties not only during construction, but for years to come.

And back here at home, we want to set a good example. I will be asking all of my state agency directors to make it a priority to innovate ways to reduce regulatory burdens and bureaucratic delays. Proper regulation protects our health and safety. Overregulation delays progress and growth. We can do better and we will.

As we seek to create jobs, slow the growth of government, reduce taxes and fight burdensome regulations, we must also continue to strengthen our education system.

As we balance our budget, we must ensure we put a priority on proper school funding and improving educational outcomes.

In particular I have talked a lot about career and vocational training. Every manufacturer I have talked to has said they cannot find enough skilled labor, and that is a barrier to expanding. To address this I propose an investment in innovation.

My budget includes funding a pilot program—$250,000 each year—to form a public-private partnership to create a career and vocational training program. Good-paying jobs in the skilled labor force, agriculture, and manufacturing are a great option for our young people. I visited Ash Grove Cement in Louisville and they were telling me if you get a 2-year electrician’s degree out of high school, you will start working for them at $22 or $23 per hour. Stay there a year and pass 2 tests and you will be making $28 an hour. Now think about that, that’s a 21-year-old making $56,000 a year plus full benefits. That’s the start of a great career.

As I mentioned before, we honor the service of our national guard. My budget recommendation also includes an additional $120,000 per year for a total of more than $488,000 of tuition assistance for the patriots who serve in the Nebraska National Guard. We need to help them further their education as well.

As we work together, I want you to know about the culture we are fostering in my administration. Every day, I want my team to ask a couple of questions: How can I serve the people of Nebraska better today? As well as, what can we do to make Nebraska a place people want to be?
While many of us in this chamber have differing political philosophies or come from different ends of the state, I know we are united. We are united in our desire to make Nebraska a better place for our communities and for our children and grandchildren. We are united in our desire to make Nebraska a place where people want to be.

From the Native Americans who nurtured our rich land; to the pioneer homesteaders; to the founders of our great businesses, universities, farms and ranches, our ancestors built more than a state.

They built a community that reflects the best of America. Our ancestors made sacrifices for future generations, for the greater good of Nebraska. And so we too will focus on the future.

We will harness the spirit of our UNMC heroes and all the nurses and doctors across the state.

We will call upon the dedication of police officers and firefighters in Nebraska’s cities and towns.

We will harness the determination of Roger Brandt and Nebraska’s Veterans.

And we will call upon the hard work and aspirations of Susanne Shald and her family and all of the hard working families across Nebraska.

We will work together fueled by their strength and acting on their behalf. We will Grow Nebraska.

Thank you. God Bless you and God Bless the people of this great state.

The committee escorted Governor Pete Ricketts from the Chamber.

LEGISLATIVE BILL 118. Placed on General File with amendment.

1 1. Insert the following new sections:

1 Sec. 5. Section 71-5717, Reissue Revised Statutes of Nebraska, is amended to read:
71-5717 The purpose of the Nebraska Clean Indoor Air Act is to protect the public health and welfare by prohibiting smoking in public places and places of employment with limited exceptions for public accommodations, research, tobacco retail outlets, and cigar shops. The limited exceptions permit smoking in public places where the public would
reasonably expect to find persons smoking, including guestrooms which are
subject to expectations of privacy like private residences, institutions
engaged in research related to smoking, and tobacco retail outlets and
cigar shops which provide the public legal retail outlets to sample, use,
and purchase tobacco products and products related to smoking. The act
shall not be construed to prohibit or otherwise restrict smoking in
outdoor areas. The act shall not be construed to permit smoking where it
is prohibited or otherwise restricted by other applicable law, ordinance,
or resolution. The act shall be liberally construed to further its
purpose.
Sec. 7. If any section in this act or any part of any section is
declared invalid or unconstitutional, the declaration shall not affect
the validity or constitutionality of the remaining portions.
2. On page 3, line 2, strike "in triplicate original" and show as
stricken; and in line 30 after the period insert "The rules and
regulations existing on August 1, 2014, applicable to cigar bars shall
apply to cigar shops until amended or repealed by the commission.".
3. On page 4, after line 30; and page 6, after line 7, insert the
following new subsection:
"(3)(a) The Legislature finds that allowing smoking in tobacco
retail outlets as a limited exception to the Nebraska Clean Indoor Air
Act does not interfere with the original intent that the general public
and employees not be unwillingly subjected to second-hand smoke since
employees have ample other opportunities for similar employment at other
establishments and the general public would not frequent those
establishments and should reasonably expect that there would be second-
hand smoke in a tobacco retail outlet and could choose to avoid such
exposure.
(b) It is the intent of the Legislature to allow smoking in tobacco
retail outlets that meet specific statutory criteria. This exception to
the Nebraska Clean Indoor Air Act is narrowly tailored in accordance with

SPEAKER HADLEY PRESIDING
MOTION - Escort Chief Justice

Senator Howard moved that a committee of five be appointed to escort the Chief Justice of the Supreme Court and members of the Supreme Court to the Legislative Chamber for the purpose of delivering the State of the Judiciary Address.

The motion prevailed.

The Chair appointed Senators Coash, Ebke, Howard, Schumacher, and Seiler to serve on said committee.

The committee escorted Chief Justice Michael G. Heavican to the rostrum where he delivered the following message:

Mr. President, Mr. Speaker, Members of the Legislature, and fellow Justices of the Nebraska Supreme Court. I would like to thank the members of this legislative body, and specifically thank Speaker Galen Hadley, for inviting me to address you this morning.

It is an honor for me to report on the accomplishments of the judicial branch during the past year and to discuss the future of the courts. First, let me introduce my fellow Justices.

To my immediate right is Justice John Wright of Scottsbluff. Next to Justice Wright is Justice Lindsey Miller-Lerman of Omaha.

To my immediate left is Kenneth Stephan of Lincoln. And to Justice Stephan’s left is Justice William Cassel of O’Neill.

Justice William Connolly of Hastings and Justice Michael McCormack of Omaha are unable to be with us.

Today I will speak to you about change in the Judicial Branch’s service to children in the courts; sentencing alternatives; guardianships; and access to justice across Nebraska.

Service to Young People
Throughout the nation states are reforming their juvenile justice systems. Here in Nebraska, young people who are charged in juvenile court with breaking the law and status offenses are the focus of our juvenile justice system.

With the passage of LB 561 in 2013, and in line with those national reform efforts, the Legislature transferred to the Office of Probation Administration, a division of the Nebraska court system, the responsibility for supervision of most of these juvenile law violators. Previously, these juveniles were under the supervision of the Department of Health and Human Services and were frequently made wards of the State in order to gain access to rehabilitative services.

This shift of direction is based on these fundamental principles: 1) fewer young people should be made wards of the state, be incarcerated, or placed in group homes; 2) more youth should be provided with treatment in their homes and local communities; 3) parents and guardians should always be involved in their children’s rehabilitation; and 4) local community providers
of mental health, substance abuse, and other services should be utilized whenever possible.

In Nebraska, approximately 1,000 fewer juveniles are state wards today than in 2012, and the number of service providers around the state has increased over 45%. I note several projects deserving special recognition.

The first of those projects is the “crossover” program in Douglas County, which successfully redirected approximately 170 children from the juvenile justice system last year. The crossover program identifies children who fall under the umbrella of both the child welfare and juvenile justice systems.

Rather than having a child simultaneously go through two systems, the crossover program provides a way to address the needs of both the child and the systems together. This enables us to focus on the rehabilitation of children and their families without redundant hearings and duplicative supervision.

In the past year Gage, Lancaster, and Dodge Counties initiated similar crossover programs. Sarpy County will do so this year. Probation supports the efforts of each of these counties and, as prescribed by last year’s LB 464, will provide leadership and technical assistance to crossover projects in other counties in the state.

In another promising program, Senator Bob Krist and State Court Administrator Corey Steel are part of a committee working with the National Juvenile Detention Alternative Initiative, known as JDAI. That committee is examining statewide juvenile detention practices in order to ensure that only those young people who pose a true community safety risk are incarcerated.

This national initiative seeks to provide alternatives to detention so that a juvenile’s delinquent behavior can more appropriately be addressed. The pilot sites in Douglas and Sarpy Counties have had great success in reducing the number of juveniles in detention.

When Douglas County began JDAI in 2011, its detention center averaged nearly 200 juveniles daily. But through the efforts of JDAI, the daily average has been reduced by approximately 50%. Likewise, Sarpy County’s staff-secure facility had previously housed between 20-25 juveniles per day, but now also averages half that number. This was accomplished by county, state, and private partnerships as well as the Legislature’s leadership and commitment to providing funding for counties to develop detention alternatives.

Similarly, in 2011 nearly 450 boys were admitted to the Youth Rehabilitation and Treatment Center at Kearney; in 2014, that number was approximately 175. In 2011, 140 girls were admitted to YRTC at Geneva; in 2014, that number was approximately 50. This significant reduction is a direct result of the efforts of our juvenile courts and probation staff, providing intervention and treatment services closer to home for young people and their families.

However, many challenges remain. Specifically, probation’s limited ability to access Federal programs such as Medicaid and Title IV-E Reimbursements promotes over-reliance on the state’s general fund rather than maximizing Federal dollars already available to Nebraska. Also, foster care, especially in greater Nebraska, is badly needed. The judiciary and the
probation system support state planning efforts and legislation to rectify both of these issues.

Sentencing Alternatives
The courts and probation are also involved in adult criminal justice reform. This past year the Judicial Branch, in cooperation with the Legislative and Executive Branches and other state institutions, participated in the Council of State Government’s Justice Reinvestment Working Group (CSG).

CSG’s comprehensive analysis of Nebraska’s adult criminal justice system offers new strategies and policy reforms intended to improve the state’s delivery of justice services. Particularly worth mentioning is CSG’s finding that people sentenced to probation have lower recidivism rates than people sentenced to prison for similar offenses. CSG also emphasized the value of increasing the use of sentencing alternatives.

Today I will speak about two effective sentencing alternatives available in our courts. Because 80% or more of the individuals involved in the justice system struggle with alcohol or drug abuse, both of these sentencing alternatives target adult offenders whose criminality often correlates to their use of alcohol and drugs.

The first sentencing alternative is problem-solving courts. This is one of the most successful and cost-effective responses to the problem of addiction and associated crime, both nationally and in Nebraska. The second alternative is the Specialized Substance Abuse Supervision program, otherwise known as SSAS. However, as mentioned in the CSG report, while both SSAS and the problem-solving courts are showing positive outcomes, they are not available in all areas of the state.

First, I will address problem-solving courts. Nebraska currently has 16 problem-solving courts including drug, young adult, and DUI courts that served over 1,000 people in 2014. Assuming that half of these individuals would have been sentenced to incarceration, the cost savings to taxpayers was a minimum of $15 million.

A 2012 statewide evaluation of Nebraska’s drug courts reported that 95% of those who successfully completed the program remained crime-free one year post-graduation. Drug courts emphasize education and employment. This has resulted in 95% of active participants being gainfully employed or attending school full-time.

The second alternative I mentioned is the SSAS program. SSAS provides an opportunity for otherwise prison-bound substance abusers to be intensively supervised by probation while receiving treatment.

Like problem-solving courts, SSAS has been shown to lower recidivism. Last year I reported that 91% of the individuals who were successfully discharged from SSAS in 2013 continued to remain crime-free one year later. This trend hasn’t changed. SSAS participants also have a very high rate of employment, with an average of 94% of SSAS graduates gainfully employed.

In 2014, LB 907 was enacted authorizing 16 new SSAS officers. Adding these officers has doubled the capacity of the SSAS program. It will cost just under $2.5 million to supervise individuals within SSAS this year,
which is a substantial savings when compared to the cost of incarceration.

Thank you to Senators Krist, Mello, and Cook for assisting with this legislation.

Because of LB 907, probation was not only able to expand SSAS, but was also able to open new reporting centers in Grand Island, Columbus, and Norfolk. This brought the total number of reporting centers across the state to eleven. These reporting centers, located in Sarpy, Otoe, Douglas, Lancaster, Dawson, Buffalo, Dakota, Scotts Bluff, Platte, Hall, and Madison Counties, offer over 150 rehabilitative and support services to individuals who are under supervision.

LB 907 also provided funding to begin to identify mental health issues frequently suffered by individuals involved in the criminal justice system. Previously unavailable mental health services were made accessible to probationers, problem-solving court participants, and parolees who were in need of treatment.

I would like to thank the six behavioral health regions and numerous public and private entities who have joined with probation to increase access to these behavioral health services. Of particular note are the substance abuse and mental health services now available in rural areas, thanks to video technology assistance provided by the University of Nebraska Medical Center and Boys Town which have agreed to assist us in greater Nebraska.

Whether through sentencing alternatives, specialized programs, services, or technology, the courts and probation continue to collaborate with the other two branches of government. We also work with both public and private entities to confront these criminal justice challenges as we strive to improve the lives and safety of all Nebraskans.

**Guardianship**

I will now briefly turn to legal guardianships in Nebraska. Both the Legislative and Judicial Branches took steps in 2014 to address the needs of some of Nebraska’s most vulnerable populations: incapacitated or dependent adults and children.

During the 2014 session, the Legislature approved the Public Guardianship Act. Prior to the passage of the Act, a suitable guardian was not always available when needed. The creation of the Office of Public Guardian changes that. A special thanks to Senator Coash for the sponsorship of LB 920, along with Senators Brasch, Davis, Schilz, Seiler, Watermeier, and several former senators who worked to make the Office of Public Guardian a reality.

The State Court Administrator has hired a director for the Office of Public Guardian, who is currently working to carry out the charge it was given. The work will be expedited, to the extent possible, to prepare for appointments yet this year. The office will also recruit, educate, and support current and future guardians and conservators throughout the State of Nebraska.

**Access to Justice Across Nebraska**

**Clerks**

I would like to discuss access to justice. First, I would like to recognize
our partnership with Nebraska’s county officials in exploring innovative ways to provide consistent access to all our courts.

The Judicial Branch has established a pilot program in Polk County where the county court clerk magistrate, who is a state employee, will also serve as the county’s clerk of the district court. The program’s goal is to increase efficiency by offering all court clerk services within one office.

This program was initiated by the county and is the result of cooperation between county officials, area judges, and Judicial Branch staff. The pilot project was made possible through state legislation passed several years ago, which allows county officials and the Administrative Office of the Courts to work together to provide essential court office functions.

Centralized Case Management and E-filing

This type of innovation is possible due to Nebraska’s statewide computerized court case management system, known as JUSTICE. We are fortunate to be one of the few states that has established a statewide system which enables us to share and analyze case information across jurisdictional boundaries and promotes consistency for attorneys and citizens who interact with the courts. Last year marked the 20th anniversary of the inception of the JUSTICE system.

One of the many benefits of a statewide case management system is the ability to provide online access to court records 24 hours a day, 7 days a week, 365 days a year. This access allows people to attend to court business on their own schedules and reduces the time it takes for court staff to process data and payments. Available online services include the ability to pay traffic tickets and court fines and conduct court case information searches. Court documents can conveniently be e-filed and viewed online instead of necessitating travel to one of Nebraska’s 93 courthouses.

An average of 16,000 payments on civil, criminal, and traffic cases totaling over $1.5 million are made online each month. And each month nearly 40,000 documents are e-filed by attorneys and litigants. This use of technology results in numerous efficiencies within the court system, reducing staff time and ultimately benefiting all Nebraska’s citizens.

Self-Represented Litigants

But these access success stories are counter-balanced by access challenges. A major challenge is the number of people needing or choosing to represent themselves in court. Self-represented litigants are often unfamiliar with the law and court processes and frequently find themselves at a disadvantage when navigating the court system.

The Supreme Court’s Committee on Self-Represented Litigation has spent countless hours developing forms and instructions to assist these individuals. This year the Committee was awarded a grant from the “Center on Court Access to Justice for All” to conduct a strategic planning process.

Court of Appeals’ Chief Judge Frankie Moore of North Platte has assembled a planning committee which includes all entities offering free legal assistance to low income Nebraskans and others who choose to represent themselves in court. We are very pleased to partner with Legal Aid, the Nebraska State Bar Association, Nebraska’s public libraries, and
both the University of Nebraska College of Law and Creighton Law School in addressing these issues.

Although we are making great strides, one factor contributing to the increase in self-represented litigation in many areas of Nebraska is a lack of attorneys. Last year members of this body added important language into LB 907, allowing rural attorneys in underserved communities to apply for assistance with student loan repayment. We have great hopes that this type of financial assistance will be of mutual benefit to our newly-graduated attorneys and to our rural communities. Again, I applaud the recent efforts of the Legislature in the passage of LB 907.

**Language Access**

In previous years I have called your attention to the increasing need for language access in our courts. The Judicial Branch continues to contend with the need for more language interpretation and translation services.

Pursuant to state statute, interpreters are used for all appropriate court proceedings in both criminal and civil cases. Interpretation is frequently necessary not only for defendants, but for victims, witnesses, parents of juveniles, and those interacting with probation.

In 2014, we supplied interpreters in 46 different languages for approximately 24,000 appointments in courtrooms and probation offices across the state. This is an increase of 20% over our 2013 numbers.

Spanish remains the language with the greatest demand for interpretation services. After Spanish, our most used languages are: Nuer, Arabic, Vietnamese, Somali, and American Sign. New to Nebraska’s courts this past year were: Bengali and Telugu, spoken in India; Kirundi a Bantu language spoken in Central and Southern Africa; and Sorani, a Kurdish dialect spoken in Iran and Iraq.

**Conclusion**

Last year I reported to you that Nebraska’s Judicial Branch was growing, was dynamic, and was busy. This past year, we were busier and even more dynamic. Our judges and our court and probation staff remain committed to the American values of equal protection, due process of law, and equal access to justice for all our citizens.

The Supreme Court is proud of the many accomplishments of our court family. We appreciate the support the Legislature has provided to the Judicial Branch, and we look forward to continuing to work with you, our constitutional partners, in serving Nebraska in 2015.

Again, thank you for the opportunity to speak with you today.

The committee escorted the Chief Justice from the Chamber.

2 the following new section:
3 Section 1. Section 2-4323, Reissue Revised Statutes of Nebraska, is
4 amended to read:
5 2-4323 (1) Every retailer licensee shall file, not later than the
last day of January and July of each year, a semiannual tonnage report on
forms provided by the department, setting forth the number of net tons of
each agricultural liming material sold in Nebraska during the preceding
six-month period, which report shall cover the periods from July 1 to
December 31 and January 1 to June 30, and such other information as the
director shall deem necessary. All persons required to be licensed
pursuant to the Agricultural Liming Materials Act shall file such report
regardless of whether any inspection fee is due. Upon filing the report,
such person shall pay the inspection fee at the rate prescribed pursuant
to this section. Within thirty days following the expiration of each
license, each retailer licensee shall submit on a form furnished and
approved by the department an annual statement setting forth, by county
name, the number of net tons of each agricultural liming material sold by
him or her for use in this state during the previous twelve-month period.
The Such statement shall be accompanied by payment of an inspection fee
shall be at the rate fixed by the director but not exceeding ten cents
per ton. The fee shall be set at an amount to cover the expenses of the
inspection provided in section 2-4325 and the costs of administering this
section. The minimum inspection fee required pursuant to this section
shall be five dollars, and no inspection fee shall be paid more than once
for any one product. In The fee shall be paid by the retailer licensee
and in the case of agricultural lime slurry, the fee shall be paid on the
base lime material only.
(2) If a person fails to report and pay the fee required by
subsection (1) of this section by January 31 and July 31, the fee shall
be considered delinquent and the person owing the fee shall pay an
additional administrative fee of twenty-five percent of the delinquent
amount for each month it remains unpaid, not to exceed one hundred
percent of the original amount due. The department may waive the
additional administrative fee based upon the existence and extent of any
mitigating circumstances that have resulted in the late payment of such
fee. The purpose of the additional administrative fee is to cover the
administrative costs associated with collecting fees, and all money
collected as an additional administrative fee shall be remitted to the
State Treasurer for credit to the Fertilizers and Soil Conditioners
Administrative Fund. Failure to make an accurate statement of tonnage or
to pay the inspection fee or comply as provided in this subsection shall
constitute sufficient cause for the cancellation of all product
registrations or licenses on file for such person.
(3) The director department shall annually make information
available in such form as he or she may deem proper concerning publish
and make available, to each agricultural liming material registrant or
licensee and to any other interested person upon his or her request, a
composite report showing the tons of agricultural liming material sold in
each county in this state. Such report shall in no way divulge the
operation of any registrant or licensee.

1 1. Strike original section 2 and insert the following new sections:
2 Sec. 2. (1) Beginning sixty days after the effective date of this
3 act, in addition to the occupation tax imposed pursuant to section
4 77-3004, an additional occupation tax shall be levied upon the business
5 of operating a mechanical amusement device that:
6 (a) Accepts currency, coins, tokens, or other value in exchange for
7 play;
8 (b) Awards a monetary prize or anything redeemable for a monetary
9 prize;
10 (c) Is played by a player using a touch screen, computer mouse,
11 touch pad, light pen, laser, or device of similar function by which the
12 player competes against software running the device; and
13 (d) Has not been adjudicated by a court of competent jurisdiction
14 within the State of Nebraska to not constitute a gambling device as
15 defined in subdivision (5) of section 28-1101. Any such adjudication
16 shall be by way of a final order in which the Tax Commissioner has been
17 made a party to the action and written notice shall have been provided to
18 the Attorney General at the commencement of the action.
19 (2) Any operator of such mechanical amusement device shall pay the
20 occupation tax. If an operator believes that a mechanical amusement
21 device is not taxable under subsection (1) of this section, the burden is
22 on the operator to prove to the Tax Commissioner that such device does
23 not have one or more of the characteristics required for taxability under
24 subsection (1) of this section. Such proof may be made by, among other
25 things, a showing that the software running the game remains constant
26 with the nature of a game that had its software at issue in a judicial
27 case, not overturned by appeal, in which the State of Nebraska was party,
28 the issue was litigated, and the final order found that the particular
29 game is more controlled by the player than not, and thus is predominantly
30 a game of skill.
31 (3) The amount of the occupation tax shall be equal to ten percent
32 of the gross revenue derived from the operation of any mechanical
33 amusement device described in subsection (1) of this section. The Tax
34 Commissioner shall collect such occupation tax concurrently with
35 collection of the state sales tax in the same manner as the state sales
9 tax is collected.
10 (4) For purposes of this section, gross revenue means the total
11 aggregate receipts received from the operation of any mechanical
12 amusement device described in subsection (1) of this section without any
13 reduction for prizes, discounts, taxes, or expenses and includes receipts
14 from admission costs, any consideration necessary for participation, and
15 the value of any free tickets, games, or plays used.
16 (5) The occupation tax imposed in this section shall not apply to
17 any device not within the definition of a gambling device as defined in
18 subdivision (5) of section 28-1101 or to any device that is specifically
19 authorized by law.
20 (6) For purposes of this section, the fact that the device is played
21 or connected via league or tournament play shall play no factor in
22 determining whether the occupation tax imposed by this section is due.
23 Sec. 11. Since an emergency exists, this act takes effect when
24 passed and approved according to law.

ATTORNEY GENERAL’S OPINION

Opinion 15-001

SUBJECT: Authority Of A City To Amend An Economic Development Program Under The Local Option Economic Development Act

REQUESTED BY: Senator Colby Coash
Nebraska State Legislature

WRITTEN BY: Doug Peterson, Attorney General
Lynn A. Melson, Assistant Attorney General

You are considering introducing legislation to clarify the authority of a city council or village board to amend an economic development program under the Local Option Municipal Economic Development Act. Neb. Rev. Stat. §§ 18-2701 to 18-2739 (2012). The Act, in general, authorizes a city or village to propose an economic development program and to use such
funds as may be necessary for economic development activities if the program is approved by a majority of the registered voters of the city or village voting upon the question. The Act constitutes the enabling legislation to permit cities and villages to exercise the authority granted by Neb. Const. art. XIII, § 2.

You state that if the Legislature amends the Act to add a qualifying business or eligible activity after the voters have approved a particular economic development plan, this results in confusion about what action a city must then take to include the new business or activity in the plan. You have requested our opinion on two questions concerning amendment of an economic development plan. First, you ask whether, in such a circumstance (if the Legislature amends the Act to add a qualifying business or eligible activity), a city council may amend the plan to include the new business or activity as provided under § 18-2714(2) or whether the change must first be approved by the voters as provided in § 18-2714(3). Second, you ask whether Neb. Const. art. XIII, § 2 would prohibit amendment of the Act so as to instead authorize the city council to amend the plan without voter approval.

**Discussion**

Reviewing the relevant statutes of the Act, Neb. Rev. Stat. § 18-2705 defines “economic development program” to mean a “project or program utilizing funds derived from local sources of revenue for the purpose of providing direct or indirect financial assistance to a qualifying business . . . .” Section 18-2709 then defines “qualifying business” as a business which derives its principal source of income from that statute’s list of eligible sources. There are several steps in the adoption of an economic development program. Section 18-2710 requires the city’s governing body to prepare a proposed plan which includes the “description of the types of businesses and economic activities that will be eligible under the program for the city’s assistance.” Section 18-2712 provides that the city must present the plan at a public hearing and then adopt the proposed plan and any amendments by resolution. The city must also submit the question of the adoption of the proposed economic development plan to the registered voters at an election and, if a majority of those voting on the issue vote in favor of the question, the city then establishes the program by ordinance. §§ 18-2713 and 18-2714.

**Question 1. If the Legislature amends the Act to add a qualifying business or eligible activity, can a city amend the plan to include the new business or activity or does the change have to be approved by the voters?**

In our view, it appears from the language of the Act that it was the intent of the Legislature to require voter approval of a specific, detailed economic development plan. Here, pursuant to Neb. Rev. Stat. § 18-2710, the city’s proposed plan must describe “the types of businesses and economic
activities that will be eligible under the program for the city’s assistance.” As discussed above, the city must propose those types of qualifying businesses and economic development activities which are within the statutory definitions found at §§ 18-2705 and 18-2709. The governing body’s resolution adopting the proposed plan must include either the full text of the proposed plan or it may be incorporated by reference and both the resolution and the proposed plan must be filed with the city clerk’s office where it is available for public review. § 18-2712. The question of the adoption of the economic development program is then submitted to the registered voters at an election and, if a majority of those voting vote in favor of the question, the governing body then implements the program “upon the terms set out in the resolution.” §18-2713. Further, the economic development program is adopted by ordinance “in conformity with the terms of such program as set out in the original enabling resolution.” § 18-2714(1). Thus, these statutes indicate the Legislature’s overall intent that the voters approve a specific program containing a description of eligible businesses and activities and the city then adopts the program approved by the voters.

As to amendment of the approved plan, § 18-2714(3) provides:

The governing body of a city shall not amend the economic development program so as to fundamentally alter its basic structure or goals, either with regard to the qualifying businesses that are eligible to participate, the local sources of revenue used to fund the program, the uses of the funds collected, or the basic terms set out in the original enabling resolution, without submitting the proposed changes to a new vote of the registered voters of the city in the manner provided for in section 18-2713.

When construing a statute, courts should attempt to discover legislative intent from the language of the act and give effect to that intent. Tracfone Wireless, Inc. v. Nebraska Public Service Comm’n, 279 Neb. 426, 433, 778 N.W.2d 452, 459 (2010); Peterson v. Minden Beef Co., 231 Neb. 18, 434 N.W.2d 681 (1989). Statutory language should generally be given its plain and ordinary meaning and where the words of the statute are plain, direct and unambiguous, no interpretation is necessary to ascertain their meaning. State v. Mena-Rivera, 280 Neb. 948, 791 N.W.2d 613 (2010); Sorensen v. Meyer, 220 Neb. 457, 370 N.W.2d 173 (1985). And, a court will “construe statutes relating to the same subject matter together to maintain a sensible and consistent scheme, so that effect is given to every provision. Tracfone Wireless, Inc. at 433, 778 N.W.2d at 459.

With these rules of statutory construction in mind, it seems to us that the language of § 18-2714(3) is plain, direct and unambiguous and requires voter approval before the city may amend the plan to include a new qualifying business or activity. You point out that § 18-2714(2) allows a city to amend its ordinance “to conform to the provisions of any existing or future state or federal law.” You suggest that this provision might allow the city to act without voter approval if the Legislature later amends the Act to
add a qualifying business or eligible activity. However, it appears to us that subsection (3) is the more specific provision with regard to changing the qualifying businesses that are eligible to participate. Furthermore, even if the language of § 18-2714 requires construction, requiring voter approval is consistent with the overall intent of the Legislature that the voters approve a specific plan and that the city then adopt that plan approved by the voters. Therefore, while the language of subsection (2) may result in some confusion, we conclude that the better answer to your first question is that, under the current statutory scheme, the voters must approve a change in the eligible businesses and activities of an economic development plan. If you wish to clarify that the city may amend the plan without voter approval, you may then wish to consider introducing legislation to that effect.

Question 2. Does Neb. Const. art. XIII, art. 2 prohibit amendment of the Act to clearly authorize the city to amend the economic development plan with regard to the description of eligible businesses and activities without first obtaining voter approval?

Neb.Const. art. XIII, § 2 provides, in pertinent part, that “the Legislature may also authorize any incorporated city or village, including cities operating under home rule charters, to appropriate such funds as may be deemed necessary for an economic or industrial development project or program subject to approval by a vote of a majority of the registered voters of such city or village voting upon the question.” “Constitutional provisions are not open to construction as a matter of course; construction is appropriate only when it has been demonstrated that the meaning of the provision is not clear and that construction is necessary.” Conroy v. Keith County Board of Equalization, 288 Neb. 196, 204, 846 N.W.2d 634, 641 (2014).

While the constitutional provision does provide that the Legislature may enact enabling legislation to authorize cities to appropriate funds for a project or program “subject to approval by a vote of a majority of the registered voters,” there is no language in art. XIII, § 2 with regard to amendment of an economic development plan. The details of the enabling legislation are left to the Legislature and the current requirements for the content of the plan, the eligibility of businesses, and the amendment of the plan are found in the statutes enacted by the Legislature. An argument could thus be made that the general language of art. XIII, § 2 does not preclude the Legislature from changing the current statutory requirements for amendment of an economic development plan. On the other hand, the one constitutional limitation on a city’s authority to appropriate funds for an economic development plan is the approval of the voters. As it is not clear whether this pertains to amendment of a plan as well as the original adoption of a plan, an argument could be made that legislation allowing the city to amend the plan without voter approval is contrary to the constitutional grant of authority to the Legislature.
Conclusion

In our opinion, for the reasons stated above, the current statutes require voter approval before a city may amend its economic development plan to include a new qualifying business or activity. You may wish to consider introducing legislation to clarify that a city may amend its plan without voter approval. However, while a plausible argument can be made that Neb. Const. art. XIII, § 2 does not preclude such legislation, it is unclear whether such legislation would be found constitutional.

Sincerely,
DOUG PETERSON

21 liability company, public, private, or municipal corporation, estate, or
22 trust which owns real estate in the district, the filing shall indicate
23 that fact and shall include appropriate documentation evidencing such
24 fact. No filing fee shall be required. A person filing for the office of
25 trustee to be elected at the election held four years after the first
each election thereafter shall designate whether
he or she is a candidate for election by the resident owners of such
district or whether he or she is a candidate for election by all of the
owners of real estate located in the district. If a person filing for the

partnership, a general partnership, a limited liability company, a
public, private, or municipal corporation, an estate, or a trust which
owns real estate in the district, the name of such entity shall accompany

name of each candidate shall appear on only one ballot.
The name of a person may be written in and voted for as a candidate
for the office of trustee, and such write-in candidate may be elected to
the office of trustee. A write-in candidate for the office of trustee who
will serve as a designated representative of a limited partnership, a
general partnership, a limited liability company, a public, private, or
municipal corporation, an estate, or a trust which owns real estate in
the district shall not be elected to the office of trustee unless (a)
each vote is accompanied by the name of the entity which the candidate
will represent and (b) within ten days after the date of the election the
candidate provides the county clerk or election commissioner with
appropriate documentation evidencing his or her representation of the
entity. Votes cast which do not carry such accompanying designation shall
not be counted.
A trustee shall be an owner of real estate located in the district
or shall be a person designated to serve as a representative on the board
of trustees if the real estate is owned by a limited partnership, a
general partnership, a limited liability company, a public, private, or
municipal corporation, an estate, or a trust. Notice of the date of the
election shall be mailed by the clerk of the district not later than
sixty-five days prior to the election to each person who is entitled to
vote at the election for trustees whose property ownership or lease
giving a right to vote is of record on the records of the register of
deeds as of a date designated by the election commissioner or county
clerk, which date shall be not more than seventy-five days prior to the
election.
For any sanitary and improvement district, a person whose ownership or right to vote becomes of record or is received after
the date specified pursuant to subsection (1) of this section may vote
when such person establishes their right to vote to the
satisfaction of the election board. At the first election and at the
election held two years after the first election, any person may cast one
vote for each trustee for each acre of unplatted land or fraction thereof
and one vote for each platted lot which he or she may own in the
district.
This subdivision applies to a district until the board of
trustees amends its articles of association pursuant to subdivision (2)
of this section. At the election held four years after the first
election of trustees, two members of the board of trustees shall be
16 elected by the legal property owners resident within such sanitary and
17 improvement district and three members shall be elected by all of the
18 owners of real estate located in the district pursuant to this section.
19 Every resident property owner may cast one vote for a candidate for each
20 office of trustee to be filled by election of resident property owners
21 only. Such resident property owners may also cast one vote for each
22 acre of unplatted land or fraction thereof and for each platted lot owned
23 within the district for a candidate for each office of trustee to be
24 filled by election of all property owners. For each office of trustee to

26 property owner not resident within such sanitary and improvement district
27 may cast one vote for each acre of unplatted land or fraction thereof and
28 one vote for each platted lot which he or she owns in the district. At

31 elected by the legal property owners resident within such sanitary and
1 improvement district and two members shall be elected by all of the
2 owners of real estate located in the district pursuant to this section,
3 except that if more than fifty percent of the homes in any sanitary and
4 improvement district are used as a second, seasonal, or recreational
5 residence, the owners of such property shall be considered legal property
6 owners resident within such district for purposes of electing trustees,
7 and at the election held six years after the first election of trustees
8 and at each election thereafter, three members of the board of trustees
9 shall be elected by the legal property owners resident within such
10 sanitary and improvement district and two members shall be elected by all
11 of the owners of real estate located in the district pursuant to this
12 section. If there are not any legal property owners resident within such
13 district or if not less than ninety percent of the area of the district
14 is owned for other than residential uses, the five members shall be
15 elected by the legal property owners of all property within such district
16 as provided in this section.
17 (c) Any public, private, or municipal corporation owning any land or
18 lot in the district may vote at such election the same as an
19 individual. If more than fifty percent of the homes in any sanitary and
20 improvement district are used as a second, seasonal, or recreational
21 residence, the owners of such property shall be considered legal property
22 owners resident within such district for purposes of electing trustees.
23 For purposes of voting for trustees, each condominium apartment under a
24 condominium property regime established prior to January 1, 1984, under
25 the Condominium Property Act or established after January 1, 1984, under
26 the Nebraska Condominium Act shall be deemed to be a platted lot and the
27 lessee or the owner of the lessee's interest, under any lease for an
28 initial term of not less than twenty years which requires the lessee to
29 pay taxes and special assessments levied on the leased property, shall be
30 deemed to be the owner of the property so leased and entitled to cast the
31 vote of such property. When ownership of a platted lot or unplatted land
1 is held jointly by two or more persons, whether as joint tenants, tenants
2 in common, limited partners, members of a limited liability company, or
any other form of joint ownership, only one person shall be entitled to
cast the vote of such property. The executor, administrator, guardian, or
trustee of any person or estate interested shall have the right to vote.
No corporation, estate, or irrevocable trust shall be deemed to be a
resident owner for purposes of voting for trustees. Should two or more
persons or officials claim the right to vote on the same tract, the
election board shall determine the party entitled to vote. Such board
shall select one of their number chairperson and one of their number
clerk. In case of a vacancy on such board, the remaining trustees shall
fill the vacancy on such board until the next election.
(d) For any sanitary and improvement district which has been in
existence for at least ten years, which has less than seventy property
owners entitled to vote for trustees, which has at least two resident
property owners, and in which less than ten percent of the area of the
district is owned for other than residential uses, the board of trustees
may amend its articles of association as provided in section 31-740.01 to
provide for a reduction in the number of trustees on the board from five
members to three members to be effective at the beginning of the term of
office for the board of trustees elected at the next election. At the
next election and at each election thereafter, two members of the board
of trustees shall be elected by the legal property owners resident within
such sanitary and improvement district and one member shall be elected by
all of the owners of real estate located in the district pursuant to this
section. Every resident property owner may cast one vote for a candidate
for each office of trustee to be filled by election of resident property
owners only. Such resident property owners may also each cast one vote
for each acre of unplatted land or fraction thereof and for each platted
lot owned within the district for a candidate for the office of trustee
to be filled by election of all property owners. For the office of
trustee to be filled by election of all property owners of the district,
every legal property owner not resident within such sanitary and
improvement district may cast one vote for each acre of unplatted land or
fraction thereof and one vote for each platted lot which he or she owns
in the district.
(3) The election commissioner or county clerk shall hold any
election required by subsection (1) of this section by sealed mail ballot
by notifying the board of trustees on or before July 1 of a given year.
The election commissioner or county clerk shall, at least twenty days
prior to the election, mail a ballot and return envelope to each person
who is entitled to vote at the election and whose property ownership or
lease giving a right to vote is of record with the register of deeds as
of the date designated by the election commissioner or county clerk,
which date shall not be more than seventy-five days prior to the
election. The ballot and return envelope shall include: (a) The names and
addresses of the candidates; (b) room for write-in candidates; and (c)

6 (2) A nonresident owner, except as provided in subsections (3) and 10 (4) of this section, owning any motor vehicle or trailer which has been properly registered in the state, country, or other place of which the owner is a resident, and which at all times, when operated or towed in this state, has displayed upon it the license plate or plates issued for such motor vehicle or trailer in the place of residence of such owner, may operate or permit the operation or tow or permit the towing of such motor vehicle or trailer within the state without registering such motor vehicle or trailer or paying any fees to this state.

26 (b) Except as otherwise provided in subdivision (c) of this subsection, any nonresident owner who operates a motor vehicle or tows a trailer in this state for thirty or more continuous days shall register such motor vehicle or trailer in the same manner as a Nebraska resident unless the state of his or her legal residence grants immunity from such requirements to residents of this state operating a motor vehicle or towing a trailer in that state.
34 (c) Any nonresident owner of a film vehicle may operate the film vehicle for up to one year without registering the vehicle in this state.
43 4(a) The Department of Motor Vehicles or the Department of Revenue may determine (i) that a limited liability company, partnership, corporation, or other business entity that is organized under the laws of another state or country and that owns or holds title to a recreational
vehicle is a shell company used to avoid proper registration of the
recreational vehicle in this state and (ii) that the recreational vehicle
is controlled by a Nebraska resident.

(b) Factors that the Department of Motor Vehicles or the Department
of Revenue may consider to determine that the limited liability company,
partner, corporation, or other business entity is a shell company
used to avoid proper registration of the recreational vehicle in this
state include, but are not limited to:

other business entity does not maintain a physical location in this
state;
(iii) The limited liability company, partnership, corporation, or
other business entity does not employ individual persons and provide

(iv) The limited liability company, partnership, corporation, or
other business entity fails to file federal tax returns or fails to file
a state tax return in this state.

(c) Factors that the Department of Motor Vehicles or the Department

(ii) A Nebraska resident operated or stored the recreational vehicle
in this state for any period of time;
(iii) A Nebraska resident is a member, partner, or shareholder or is
otherwise affiliated with the limited liability company, partnership,

vehicle; or
(iv) A Nebraska resident is insured to operate the recreational
vehicle.

(d) If the Department of Motor Vehicles or the Department of Revenue
makes the determinations described in subdivision (4)(a) of this section,
there is a rebuttable presumption that:

(i) The Nebraska resident in control of the recreational vehicle is
the actual owner of the recreational vehicle;
(ii) Such Nebraska resident is required to register the recreational
vehicle in this state and is liable for all motor vehicle taxes, motor
vehicle fees, and registration fees as provided in the Motor Vehicle

1 after the date of the notice.
2 (f)(i) For a determination made by the Department of Motor Vehicles
3 under this subsection, the Nebraska resident who is presumed to be the
4 owner of the recreational vehicle may accept the determination and pay
5 the county treasurer as shown in the notice, or he or she may dispute the
6 determination and appeal the matter. Such appeal shall be filed with the
7 Director of Motor Vehicles within thirty days after the date of the

COMMITTEE REPORT(S)
Banking, Commerce and Insurance

LEGISLATIVE BILL 155. Placed on General File with amendment.
AM180
1 1. Strike the original sections and insert the following new
2 sections:
3 Section 1. Section 8-116, Reissue Revised Statutes of Nebraska, is
4 amended to read:
5 8-116 (1) Except as provided in subsection (2) of this section, a
6 charter for a bank hereafter organized shall not be issued unless the
7 corporation applying therefor shall have a surplus and paid-up
8 capital stock in an amount not less than the amount necessary for
9 compliance with subsection (1) of section 8-702 for the insurance of
10 deposits of not less than seventy thousand dollars or seventy percent of
11 its paid-up capital stock, whichever is greater, and a paid-up capital
12 stock as follows: In villages or counties of less than one thousand
13 inhabitants, one hundred thousand dollars; in cities, villages, or
14 counties of one thousand or more and less than twenty-five thousand
inhabitants, not less than one hundred fifty thousand dollars; in cities or counties of twenty-five thousand or more and less than one hundred thousand inhabitants, not less than two hundred thousand dollars; and in cities or counties of one hundred thousand or more inhabitants, not less than five hundred thousand dollars.

(2) The notwithstanding subsection (1) of this section, the department shall have the authority to determine the minimum amount of paid-up capital stock and surplus required for any corporation applying for a bank charter, which amount amounts shall not be less than the amount amounts provided in subsection (1) of this section.

(2) For purposes of this section, population shall be determined by the most recent federal decennial census.

Sec. 2. Section 8-128, Reissue Revised Statutes of Nebraska, is amended to read:

8-128 The paid-in capital stock of any bank may be increased or decreased in the following manner: The stockholders at any regular meeting or at any special meeting duly called for such purpose shall by vote of those owning two-thirds of the capital stock authorize the president or cashier to notify the department of the proposed increase or reduction of paid-in capital stock, and a notice containing a statement of the amount of any proposed reduction of paid-in capital stock shall be published for two four weeks in some newspaper published and of general circulation in the county where such bank is located. Reduction of paid-in capital stock shall be discretionary with the department, but shall be denied if granting the same would reduce the paid-in capital stock below the requirements of the Nebraska Banking Act or would impair the security of the depositors. The bank shall notify the department when the proposed increase or decrease of the paid-in capital stock has been consummated.

Sec. 3. Section 8-153, Reissue Revised Statutes of Nebraska, is amended to read:

8-153 All checks, unless sent to banks as special collection items, shall have preprinted the magnetically encoded routing and transit symbol of the bank and either the name of the maker or the magnetically encoded account number of the maker. Except for checks sent to banks as special collection items or checks presented for payment by the payee in person, all checks drawn on any bank organized under the laws of this state shall be cleared at par by the bank on which they are drawn. The term at par applies only to the settlement of checks between collecting and paying or remitting banks and does not apply to or prohibit a bank from deducting a fee from the face amount of the check for paying the check if the check is presented to the bank by the payee in person.

Sec. 4. Section 8-1402, Revised Statutes Cumulative Supplement, 2014, is amended to read:

8-1402 (1) Any person, party, agency, or organization requesting disclosure of records or information pursuant to section 8-1401 shall pay the costs of providing such records or information, unless:

(a) The request for disclosure is made pursuant to subdivision (1)

(b) of section 8-1401 and a Nebraska Supreme Court rule provides for the method of payment;
(b) The request is made pursuant to subdivision (1)(b) of section 8-1401 and the rules for discovery provide for the method of payment;
(b c) The request for disclosure is made pursuant to subdivision (1)
(d) or (1)(e) of section 8-1401;
(c d) Otherwise ordered by a court of competent jurisdiction; or
(d e) The person making the disclosure waives any or all of the
costs.
(2)(a) The requesting person, party, agency, or organization shall
pay five dollars per hour per person for the time actually spent on the
service or, if such person can show that its actual expense in providing
the records or information was greater than five dollars per hour per
person, it shall be paid the actual cost of providing the records or
information.
(b) For purposes of this subsection, actual cost means:
(i) Search and processing costs, including the total amount of
personnel direct time incurred in locating and retrieving, reproducing,
packaging, and preparing records or information for shipment or delivery.
Search and processing costs may include the actual cost of extracting
information stored by computer in the format in which it is normally
produced, based on computer time and necessary supplies;
(ii) Reproduction costs incurred in making copies of records or
information requested. The rate for reproduction costs for making copies
of requested records or information shall be the usual rate charged by
the person making the disclosure to its customers for reproducing copies,
including copies produced by reader-printer reproduction processes.
Photographs, films, and other materials shall be reimbursed at actual
cost; and
(iii) Transportation costs, including transport of personnel to
locate and retrieve the records or information requested and including
all other reasonably necessary costs to convey the records or
information.
(3) No person authorized to receive payment pursuant to subsection
(1) of this section has an obligation to provide any records or
information pursuant to section 8-1401 until assurances are received that
the costs due under this section will be paid, except for requests made
pursuant to subdivisions (1)(d), (1)(e), (1)(f), and (1)(g) of section
8-1401.
Sec. 5. Original sections 8-116, 8-128, and 8-153, Reissue Revised
Statutes of Nebraska, and section 8-1402, Revised Statutes Cumulative
Supplement, 2014, are repealed.
Sec. 6. Since an emergency exists, this act takes effect when passed
and approved according to law.

3 Section 1. Section 28-1429.03, Revised Statutes Cumulative
4 Supplement, 2014, is amended to read:
5 28-1429.03 (1) Except as provided in subsection (2) of this section
6 and section 28-1429.02, it shall be unlawful to sell or distribute
7 cigarettes, cigars, vapor products, alternative nicotine products, or
8 tobacco in any form whatever through a self-service display. Any person
9 violating this section is guilty of a Class III misdemeanor. In addition,
10 upon conviction for a second or subsequent offense within a twelve-month
11 period, the court shall order a six-month suspension of the license
12 issued under section 28-1421.
13 (2) Cigarettes, cigars, vapor products, alternative nicotine
products, or tobacco in any form, may be sold or distributed in a self-service display that is located in a tobacco specialty store or cigar shop bar as defined in section 53-103.08.

Sec. 2. Section 53-103.08, Reissue Revised Statutes of Nebraska, is amended to read:

53-103.08 Cigar shop bar means an establishment operated by a holder of a Class C liquor license which:

1. Does not sell food;
2. In addition to selling alcohol, annually receives ten percent or more of its gross revenue from the sale of cigars and other tobacco products, and tobacco-related products, except from the sale of cigarettes as defined in section 69-2702. A cigar shop bar shall not discount alcohol if sold in combination with cigars or other tobacco products and tobacco-related products;
3. Has a walk-in humidor on the premises; and
4. Does not permit the smoking of cigarettes.

Sec. 3. Section 53-131, Revised Statutes Cumulative Supplement, 2014, is amended to read:

53-131 (1) Any person desiring to obtain a new license to sell alcoholic liquor at retail, a craft brewery license, or a microdistillery license shall file with the commission:

(a) An application in triplicate original upon forms prescribed by the commission, including the information required by subsection (3) of this section for an application to operate a cigar shop bar;
(b) The license fee if under sections 53-124 and 53-124.01 such fee is payable to the commission, which fee shall be returned to the applicant if the application is denied; and
(c) The nonrefundable application fee in the sum of four hundred dollars, except that the nonrefundable application fee for an application for a cigar shop bar shall be one thousand dollars.

(2) The commission shall notify the clerk of the city or village in which such license is sought or, if the license sought is not sought within a city or village, the county clerk of the county in which such license is sought, of the receipt of the application and shall include one copy of the application with the notice. No such license shall be issued or denied by the commission until the expiration of the time allowed for the receipt of a recommendation of denial or an objection requiring a hearing under subdivision (1)(a) or (b) of section 53-133.

During the period of forty-five days after the date of receipt by mail or electronic delivery of such application from the commission, the local governing body of such city, village, or county may make and submit to the commission recommendations relative to the granting or refusal to grant such license to the applicant.

(3) For an application to operate a cigar shop bar, the application shall include proof of the cigar shop bar's annual gross revenue as requested by the commission and such other information as requested by the commission to establish the intent to operate as a cigar shop bar.

The commission may adopt and promulgate rules and regulations to regulate
cigar shops. The rules and regulations existing on August 1, 2014, applicable to cigar bars shall apply to cigar shops until amended or repealed by the commission.

(4) For renewal of a license under this section, a licensee shall file with the commission an application, the license fee as provided in subdivision (1)(b) of this section, and a renewal fee of forty-five dollars.

Sec. 4. Section 53-1,120.01, Reissue Revised Statutes of Nebraska, is amended to read:

53-1,120.01 (1) No county resolution or city ordinance that prohibits smoking in indoor areas shall apply to cigar shops.

(2)(a) The Legislature finds that allowing smoking in cigar shops as a limited exception to the Nebraska Clean Indoor Air Act does not interfere with the original intent that the general public and employees not be unwillingly subjected to second-hand smoke since employees have ample other opportunities for similar employment at other establishments.

(b) The Legislature finds that (i) cigars and pipe tobacco have different characteristics than other forms of tobacco such as cigarettes, (ii) cigar aficionados often pair cigars with various spirits such as cognac, single malt whisky, bourbon, rum, rye, port, and others, and (iii) unlike cigarette smokers, cigar and pipe smokers may take an hour or longer to enjoy a cigar or pipe rather than simply satisfying an addiction. Cigar shops are a variation of a tobacco retail outlet, which has a liquor license. The issue of whether a liquor license shall be granted to a cigar shop is an entirely separate issue that deals with an entirely separate chapter of state law. Whether a liquor license is granted is at the recommendation of the local governing body and the discretion of the Nebraska Liquor Control Commission.

(c) It is the intent of the Legislature to allow cigar and pipe smoking in cigar shops that meet specific statutory criteria. This exception to the Nebraska Clean Indoor Air Act is narrowly tailored in accordance with the intent of the act to protect public places and places of employment.

(3)(a) The Legislature finds that allowing smoking in tobacco retail outlets as a limited exception to the Nebraska Clean Indoor Air Act does not interfere with the original intent that the general public and employees not be unwillingly subjected to second-hand smoke since employees have ample other opportunities for similar employment at other establishments and the general public would not frequent those establishments and should reasonably expect that there would be second-hand smoke in a tobacco retail outlet and could choose to avoid such exposure. The products that tobacco retail outlets sell are legal for customers who meet the age requirement. Customers should be able to try
them within the tobacco retail outlet, especially given the way that

24 tobacco customization may occur in how tobacco is blended and cigars are

25 produced.

26 (b) It is the intent of the Legislature to allow smoking in tobacco

27 retail outlets that meet specific statutory criteria. This exception to

28 the Nebraska Clean Indoor Air Act is narrowly tailored in accordance with

29 the intent of the act to protect public places and places of employment.

30 Sec. 5. Section 71-5717, Reissue Revised Statutes of Nebraska, is

31 amended to read:

1 71-5717 The purpose of the Nebraska Clean Indoor Air Act is to

2 protect the public health and welfare by prohibiting smoking in public

3 places and places of employment with limited exceptions for guestrooms

4 and suites, research, tobacco retail outlets, and cigar shops. The

5 limited exceptions permit smoking in public places where the public would

6 reasonably expect to find persons smoking, including guestrooms and

7 suites which are subject to expectations of privacy like private

8 residences, institutions engaged in research related to smoking, and

9 tobacco retail outlets and cigar shops which provide the public legal

10 related to smoking. The act shall not be construed to prohibit or

11 otherwise restrict smoking in outdoor areas. The act shall not be

12 construed to permit smoking where it is prohibited or otherwise

13 restricted by other applicable law, ordinance, or resolution. The act

14 shall be liberally construed to further its purpose.

15 Sec. 6. Section 71-5730, Revised Statutes Cumulative Supplement,

16 2014, is amended to read:

17 71-5730 (1) The following indoor areas are exempt from section

18 71-5729:

19 (a) Guestrooms and suites that are rented to guests and that are

20 designated as smoking rooms, except that not more than twenty percent of

21 rooms rented to guests in an establishment may be designated as smoking

22 rooms. All smoking rooms on the same floor shall be contiguous, and smoke

23 from such rooms shall not infiltrate into areas where smoking is

24 prohibited under the Nebraska Clean Indoor Air Act;

25 (b) Indoor areas used in connection with a research study on the

26 health effects of smoking conducted in a scientific or analytical

27 laboratory under state or federal law or at a college or university

28 approved by the Coordinating Commission for Postsecondary Education;

29 (c) Tobacco retail outlets; and

30 (d) Cigar shops bars as defined in section 53-103.08.

31 (2)(a) The Legislature finds that allowing smoking in cigar shops as

32 a limited exception to the Nebraska Clean Indoor Air Act does not

33 interfere with the original intent that the general public and employees

34 not be unwillingly subjected to second-hand smoke since employees have

35 ample other opportunities for similar employment at other establishments.

36 This exception poses a de minimis restriction on the public and employees

37 given the limited number of cigar shops compared to other businesses that

38 sell alcohol, cigars, and pipe tobacco, and any member of the public

39 should reasonably expect that there would be second-hand smoke in a cigar
shop given the nature of the business and could choose to avoid such
exposure.
(b) The Legislature finds that (i) cigars and pipe tobacco have
different characteristics than other forms of tobacco such as cigarettes,
(ii) cigar aficionados often pair cigars with various spirits such as
cognac, single malt whisky, bourbon, rum, rye, port, and others, and
(iii) unlike cigarette smokers, cigar and pipe smokers may take an hour
or longer to enjoy a cigar or pipe rather than simply satisfying an
addiction. Cigar shops are a variation of a tobacco retail outlet, which
has a liquor license. The issue of whether a liquor license shall be
granted to a cigar shop is an entirely separate issue that deals with an
entirely separate chapter of state law. Whether a liquor license is
granted is at the recommendation of the local governing body and the
discretion of the Nebraska Liquor Control Commission.
(c) It is the intent of the Legislature to allow cigar and pipe
smoking in cigar shops that meet specific statutory criteria. This
exception to the Nebraska Clean Indoor Air Act is narrowly tailored in
accordance with the intent of the act to protect public places and places
of employment.
(3)(a) The Legislature finds that allowing smoking in tobacco retail
outlets as a limited exception to the Nebraska Clean Indoor Air Act does
not interfere with the original intent that the general public and
employees not be unwillingly subjected to second-hand smoke since
employees have ample other opportunities for similar employment at other
establishments and the general public would not frequent those
establishments and should reasonably expect that there would be second-
hand smoke in a tobacco retail outlet and could choose to avoid such
exposure. The products that tobacco retail outlets sell are legal for
customers who meet the age requirement. Customers should be able to try
them within the tobacco retail outlet, especially given the way that
tobacco customization may occur in how tobacco is blended and cigars are
produced.
(b) It is the intent of the Legislature to allow smoking in tobacco
retail outlets that meet specific statutory criteria. This exception to
the Nebraska Clean Indoor Air Act is narrowly tailored in accordance with
the intent of the act to protect public places and places of employment.
Sec. 7. If any section in this act or any part of any section is
declared invalid or unconstitutional, the declaration shall not affect
the validity or constitutionality of the remaining portions.
Secs. 8. Original sections 53-103.08, 53-1,120.01, and 71-5717,
Reissue Revised Statutes of Nebraska, and sections 28-1429.03, 53-131,
and 71-5730, Revised Statutes Cumulative Supplement, 2014, are repealed.
Sec. 9. Since an emergency exists, this act takes effect when
passed and approved according to law.
2 On page 1, strike beginning with "cigar" in line 1 through line
24 10 and insert "regulated establishments; to amend sections 53-103.08,
25 53-1,120.01, and 71-5717, Reissue Revised Statutes of Nebraska, and

Supplement, 2014; to define cigar shop; to permit certain sales as
28 prescribed; to provide for a nonrefundable application fee; to provide
29 and change requirements for certain liquor license applications; to
30 preempt county resolutions and city ordinances relating to smoking in
31 cigar shops; to state and restate intent; to exempt retail tobacco

13 incorporated under the laws of the State of Nebraska for the purpose of
14 enforcing the restrictive covenants established upon the real property
15 legally described in the articles of incorporation which is located

17 owner of a lot located within the plat or subdivision, and by virtue of

1 (5) Municipality means any city or incorporated village of this

15 appointed as custodian to manage the affairs of the homeowners
16 association as set forth in section 4 of this act.
17 Sec. 4.  (1) The district court of the county in which a dissolved
18 homeowners association was previously existing shall, in a proceeding

31 with the municipality; or
1 (iii) To comply with any applicable laws, rules, or regulations
2 pertaining to maintenance of the common area or private improvements
3 located outside of the common area on the real property in the plat or
4 subdivision such that the noncompliance is adverse to the interests of
5 the municipality and may result in expenditures by the municipality not
otherwise required;

(c) The municipality has made a demand on the members to hold a
special meeting to remove and elect new directors and to approve a
submission of an application to the Secretary of State for reinstatement
pursuant to the Municipal Custodianship for Dissolved Homeowners

to the court. Service by first-class mail shall be deemed sufficient
service. The district court appointing the custodian shall have exclusive
jurisdiction over the homeowners association and all of its property
wherever located.

(3) The district court shall describe the powers and duties of the
custodian in its appointing order, which order may be amended upon motion

recorded. The lien may be foreclosed in like manner as a mortgage on real
estate but the municipality shall give reasonable notice of its action to
all other lienholders whose interest would be affected.

(b) A lien created under subsection (4) of this section is prior to
call other liens and encumbrances on real estate except (i) liens and

been recorded, and (iii) liens for real estate taxes.

(6) In the event the homeowners association is reinstated after
appointment of a custodian, any interested party may make a request to
the district court for termination of the custodianship.

(7) A custodian may be allowed to withdraw from or terminate the
custodianship upon an order from the district court permitting such
withdrawal or termination following a hearing for which notice is
provided to all owners and interested parties by the custodian.

Sec. 5. (1) Notwithstanding any provision to the contrary in the
Nebraska Nonprofit Corporation Act or the articles of incorporation or
bylaws of a homeowners association, a homeowners association dissolved

association pursuant to section 21-19,139; or

(b) Three or more members of such homeowners association may, at any

section 21-1955. For purposes of this section only and notwithstanding
the declaration, articles of incorporation, or the bylaws of a dissolved
homeowners association, action on matters described in this subsection
shall be approved by the affirmative vote of the voters present and
voting on the matter. Three members eligible to vote on the matter shall
constitute a quorum.

(2) Upon action being taken to apply for reinstatement as set forth
in subdivision (1)(a) or (b) of this section, the process for
reinstatement set forth in section 21-19,139 shall apply, except that the
reinstatement fee for a homeowners association dissolved more than five
years shall be one hundred dollars. Nothing in this subdivision shall be
construed to abolish, modify, or otherwise change any restrictive
covenant or other benefit or obligation of membership in a homeowners
association.

(3) The application for reinstatement must:

(a) Recite the name of the homeowners association and the effective
date of its administrative dissolution;

(b) State that the ground or grounds for dissolution either did not
exist or have been eliminated; and

(c) State that the homeowners association's name satisfies the
requirements of section 21-1931.

(4) If the Secretary of State determines that the application
contains the information required by subdivisions (1)(a) and (b) of this
section and that the information is correct, the Secretary of State shall
cancel the certificate of dissolution and prepare a certificate of
reinstatement reciting that determination and the effective date of
reinstatement, file the original of the certificate, and serve a copy on
the homeowners association under section 21-1937.
(5) When reinstatement is effective, the reinstatement shall relate
back to and take effect as of the effective date of the administrative
dissolution, and the homeowners association shall resume carrying on its
activities as if the administrative dissolution had never occurred.
Sec. 6. The Revisor of Statutes shall assign sections 1, 2, 3, 4,
and 5 of this act within Chapter 18.

2 sections:
3 Section 1. Section 29-2261, Revised Statutes Cumulative Supplement,
4 2014, is amended to read:
5 29-2261 (1) Unless it is impractical to do so, when an offender has
6 been convicted of a felony other than murder in the first degree, the
7 court shall not impose sentence without first ordering a presentence
8 investigation of the offender and according due consideration to a
9 written report of such investigation. When an offender has been convicted
10 of murder in the first degree and (a) a jury renders a verdict finding
11 the existence of one or more aggravating circumstances as provided in
12 section 29-2520 or (b)(i) the information contains a notice of
13 aggravation as provided in section 29-1603 and (ii) the offender waives
14 his or her right to a jury determination of the alleged aggravating
15 circumstances, the court shall not commence the sentencing determination
16 proceeding as provided in section 29-2521 without first ordering a
17 presentence investigation of the offender and according due consideration
18 to a written report of such investigation.
19 (2) A court may order a presentence investigation in any case,
20 except in cases in which an offender has been convicted of a Class IIIA
21 misdemeanor, a Class IV misdemeanor, a Class V misdemeanor, a traffic
22 infraction, or any corresponding city or village ordinance.
23 (3) The presentence investigation and report shall include, when
24 available, an analysis of the circumstances attending the commission of
25 the crime, the offender's history of delinquency or criminality, physical
26 and mental condition, family situation and background, economic status,
27 education, occupation, and personal habits, and any other matters that
1 the probation officer deems relevant or the court directs to be included.
2 All local and state police agencies and Department of Correctional
3 Services adult correctional facilities shall furnish to the probation
4 officer copies of such criminal records, in any such case referred to the
5 probation officer by the court of proper jurisdiction, as the probation
6 officer shall require without cost to the court or the probation officer.
7 Such investigation shall also include:
8 (a) Any written statements submitted to the county attorney by a
9 victim; and
10 (b) Any written statements submitted to the probation officer by a
11 victim.
12 (4) If there are no written statements submitted to the probation
13 officer, he or she shall certify to the court that:
14 (a) He or she has attempted to contact the victim; and
15 (b) If he or she has contacted the victim, such officer offered to
16 accept the written statements of the victim or to reduce such victim's
17 oral statements to writing.
For purposes of subsections (3) and (4) of this section, the term victim shall be as defined in section 29-119.

(5) Before imposing sentence, the court may order the offender to submit to psychiatric observation and examination for a period of not exceeding sixty days or such longer period as the court determines to be necessary for that purpose. The offender may be remanded for this purpose to any available clinic or mental hospital, or the court may appoint a qualified psychiatrist to make the examination. The report of the examination shall be submitted to the court.

(6) Any presentence report or psychiatric examination shall be privileged and shall not be disclosed directly or indirectly to anyone other than a judge, probation officers to whom an offender's file is duly transferred, the probation administrator or his or her designee, or others entitled by law to receive such information, including personnel and mental health professionals for the Nebraska State Patrol specifically assigned to sex offender registration and community notification for the sole purpose of using such report or examination for assessing risk and for community notification of registered sex offenders. For purposes of this subsection, mental health professional means (a) a practicing physician licensed to practice medicine in this state under the Medicine and Surgery Practice Act, (b) a practicing psychologist licensed to engage in the practice of psychology in this state as provided in section 38-3111, or (c) a practicing mental health professional licensed or certified in this state as provided in the Mental Health Practice Act.

(7) The court may permit inspection of the report or examination of parts thereof by the offender or his or her attorney, or other person having a proper interest therein, whenever the court finds it is in the best interest of a particular offender. Upon application by counsel, the court shall provide a copy of the report or examination to counsel for the defendant and the prosecution at no charge at least seven days in advance of the sentencing hearing. The copy of the report may be provided electronically. The court may order that the report or examination not be reproduced or disseminated to persons other than the defendant and his or her counsel and counsel for the prosecution. Upon application by counsel for the prosecution or the defendant, the court may order that addresses, telephone numbers, and other contact information for victims or witnesses named in the report or examination be redacted upon a showing by a preponderance of the evidence that such redaction is warranted in the interests of public safety. The court may allow fair opportunity for an offender to provide additional information for the court's consideration.

(8) If an offender is sentenced to imprisonment, a copy of the report of any presentence investigation or psychiatric examination shall be transmitted immediately to the Department of Correctional Services. Upon request, the Board of Parole or the Office of Parole Administration may receive a copy of the report from the department.

(9) Notwithstanding subsection (6) and (7) of this section, the Supreme Court or an agent of the Supreme Court acting under the direction and supervision of the Chief Justice shall have access to psychiatric
examinations and presentence investigations and reports for research purposes. The Supreme Court and its agent shall treat such information as confidential, and nothing identifying any individual shall be released.

13 payment of all annuities and other benefits and for the expenses of
14 administration.
15 (5) The fund shall consist of the total fund as of December 25,
16 1969, the contributions of members as provided in this section, all
17 supplementary court fees as provided in subsection (3) of this section,
18 and any required contributions of the state.
19 (6) Not later than January 1 of each year, the State Treasurer shall
20 transfer to the fund the amount certified by the board as being necessary
21 to pay the cost of any benefits accrued during the fiscal year ending the
22 previous June 30 in excess of member contributions for that fiscal year
23 and court fees as provided in subsection (3) of this section and fees
24 pursuant to sections 25-2804, 33-103, 33-103.01, 33-106, 33-106.02,
25 33-123, 33-125, 33-126.02, 33-126.03, and 33-126.06 and directed to be
26 remitted to the fund, if any, for that fiscal year plus any required
27 contributions of the state as provided in subsection (9) of this section.
28 (7) Benefits under the retirement system to members or to their
29 beneficiaries shall be paid from the fund.
30 (8) Any member who is making contributions to the fund on December
31 25, 1969, may, on or before June 30, 1970, elect to become a future
1 member by delivering written notice of such election to the board.
2 (9) Not later than January 1 of each year, the State Treasurer shall
3 transfer to the fund an amount, determined on the basis of an actuarial
4 valuation as of the previous June 30 and certified by the board, to fully
5 fund the unfunded accrued liabilities of the retirement system as of June
6 30, 1988, by level payments up to January 1, 2000. Such valuation shall
7 be on the basis of actuarial assumptions recommended by the actuary,
8 approved by the board, and kept on file with the board. For the fiscal
9 year beginning July 1, 2013, and each fiscal year thereafter, the actuary
10 for the board shall perform an actuarial valuation of the system using
11 the entry age actuarial cost method. Under this method, the actuarially
12 required funding rate is equal to the normal cost rate, plus the
13 contribution rate necessary to amortize the unfunded actuarial accrued
14 liability on a level percentage of salary basis. The normal cost under
15 this method shall be determined for each individual member on a level
16 percentage of salary basis. The normal cost amount is then summed for all
17 members. Beginning July 1, 2006, any existing unfunded liabilities shall
18 be reinitialized and amortized over a thirty-year period, and during each
19 subsequent actuarial valuation, changes in the funded actuarial accrued
20 liability due to changes in benefits, actuarial assumptions, the asset
21 valuation method, or actuarial gains or losses shall be measured and
22 amortized over a thirty-year period beginning on the valuation date of
23 such change. If the unfunded actuarial accrued liability under the entry
24 age actuarial cost method is zero or less than zero on an actuarial
25 valuation date, then all prior unfunded actuarial accrued liabilities
26 shall be considered fully funded and the unfunded actuarial accrued
27 liability shall be reinitialized and amortized over a thirty-year period
28 as of the actuarial valuation date. If the actuarially required
29 contribution rate exceeds the rate of all contributions required pursuant
30 to the Judges Retirement Act, there shall be a supplemental appropriation
31 sufficient to pay for the differences between the actuarially required
32 contribution rate and the rate of all contributions required pursuant to
33 the Judges Retirement Act.
3 (10) The state or county shall pick up the member contributions
4 required by this section for all compensation paid on or after January 1,
5 1985, and the contributions so picked up shall be treated as employer
6 contributions pursuant to section 414(h)(2) of the Internal Revenue Code
7 in determining federal tax treatment under the code and shall not be
8 included as gross income of the member until such time as they are
9 distributed or made available. The contributions, although designated as
10 member contributions, shall be paid by the state or county in lieu of
11 member contributions. The state or county shall pay these member
12 contributions from the same source of funds which is used in paying
13 earnings to the member. The state or county shall pick up these
14 contributions by a compensation deduction through a reduction in the
15 compensation of the member. Member contributions picked up shall be
16 treated for all purposes of the Judges Retirement Act in the same manner
17 and to the extent as member contributions made prior to the date picked
18 up.
19 Sec. 2. Section 29-3602, Reissue Revised Statutes of Nebraska, is
20 amended to read:
21 29-3602 The county attorney of any county may establish a pretrial
22 diversion program with the concurrence of the county board. Any city
23 attorney may establish a pretrial diversion program with the concurrence
24 of the governing body of the city. Such programs shall be established
25 pursuant to sections 29-3603 and 29-3605 to 29-3609. Beginning July 1,
26 2015, and within sixty days after establishing new or additional pretrial
27 diversion programs, the county attorney or city attorney shall submit
28 written notification to the director in charge of the judges retirement
29 system, regarding the establishment of each program and provide
30 additional information as requested for purposes of remitting fees as
31 required in section 24-703.
1 Sec. 3. Section 29-3606, Reissue Revised Statutes of Nebraska, is
2 amended to read:
3 29-3606 (1) A pretrial diversion plan for minor traffic violations
4 shall consist of a driver's safety training program.
5 (2) A driver's safety training program shall:
6 (a) Provide a curriculum of driver's safety training, as approved by
7 the department, which is designed to educate persons committing minor
8 traffic violations and to deter future violations; and
9 (b) In addition to the fee established in section 24-703, require
10 payment of a fee approved by the department which is reasonable
11 and appropriate to defray the cost of the presentation of the program. A
12 jurisdiction shall charge a uniform fee for participation in a driver’s
13 safety training program regardless of the traffic violation for which the
14 applicant was cited. Except for the fee established in section 24-703,
15 fees received by a jurisdiction offering a driver’s safety training
16 program may be utilized by such jurisdiction to pay for the costs of
17 administering and operating such program, to promote driver safety, and
18 to pay for the costs of administering and operating other safety and
19 educational programs within such jurisdiction.
20 (3) The program administrator of each driver’s safety training
21 program shall keep a record of attendees and shall be responsible for
22 determining eligibility. A report of attendees at all driver’s safety
23 training programs in the state shall be shared only with similar programs
24 throughout the state. All procedures for sharing records of attendees
25 among such programs shall conform with the rules and regulations adopted
26 and promulgated by the department to assure that no individual takes the
27 approved course more than once within any three-year period in Nebraska.
28 Such record of attendees and any related records shall not be considered
29 a public record as defined in section 84-712.01.
30 (4) The department shall approve the curriculum and fees of each
31 program and shall adopt and promulgate rules and regulations governing
1 such programs, including guidelines for fees, curriculum, and instructor
2 certification.
3 Sec. 4. Section 43-260.02, Reissue Revised Statutes of Nebraska, is
4 amended to read:
5 43-260.02 A county attorney may establish a juvenile pretrial
6 diversion program with the concurrence of the county board. If the county
7 is part of a multicounty juvenile services plan under the Nebraska County
8 Juvenile Services Plan Act, the county attorney may establish a juvenile
9 pretrial diversion program in conjunction with other county attorneys
10 from counties that are a part of such multicounty plan. A city attorney
11 may establish a juvenile pretrial diversion program with the concurrence
12 of the governing body of the city. Such programs shall meet the
13 requirements of sections 43-260.02 to 43-260.07. Beginning July 1, 2015,
14 and within sixty days after establishing new or additional juvenile
15 pretrial diversion programs, the county attorney or city attorney shall
16 submit written notification to the director in charge of the judges
17 retirement system, regarding the establishment of each program and
18 provide additional information as requested for purposes of remitting
19 fees as required in section 24-703.
20 Sec. 5. This act becomes operative on July 1, 2015.
21 Sec. 6. Original sections 29-3602, 29-3606, and 43-260.02, Reissue
22 Revised Statutes of Nebraska, and section 24-703, Revised Statutes
23 Cumulative Supplement, 2014, are repealed.
24 Sec. 7. Since an emergency exists, this act takes effect when
25 passed and approved according to law.

AM343

1 1. Strike the original sections and all amendments thereto and

3 Section 1. Section 28-1429.03, Revised Statutes Cumulative
4 Supplement, 2014, is amended to read:
5 28-1429.03 (1) Except as provided in subsection (2) of this section
6 and section 28-1429.02, it shall be unlawful to sell or distribute
7 cigarettes, cigars, vapor products, alternative nicotine products, or
8 tobacco in any form whatever through a self-service display. Any person
9 violating this section is guilty of a Class III misdemeanor. In addition,
10 upon conviction for a second or subsequent offense within a twelve-month
11 period, the court shall order a six-month suspension of the license
12 issued under section 28-1421.
13 (2) Cigarettes, cigars, vapor products, alternative nicotine
14 products, or tobacco in any form whatever may be sold or distributed in a
15 self-service display that is located in a tobacco specialty store or
16 cigar shop as defined in section 53-103.08.
17 Sec. 2. Section 53-101, Revised Statutes Cumulative Supplement,
18 2014, is amended to read:
19 53-101 Sections 53-101 to 53-1,122 and sections 5 and 6 of this act
20 shall be known and may be cited as the Nebraska Liquor Control Act.
21 Sec. 3. Section 53-103.08, Reissue Revised Statutes of Nebraska, is
22 amended to read:
23 53-103.08 Cigar shop bar means an establishment operated by a holder
24 of a Class C liquor license which:
25 (1) Does not sell food;
26 (2) In addition to selling alcohol, annually receives ten percent or
27 more of its gross revenue from the sale of cigars and other tobacco
28 products and tobacco-related products, except from the sale of
29 cigarettes as defined in section 69-2702. A cigar shop bar shall not
30 discount alcohol if sold in combination with cigars or other tobacco
31 products and tobacco-related products;
32 (3) Has a walk-in humidor on the premises; and
33 (4) Does not permit the smoking of cigarettes.
34 Sec. 4. Section 53-131, Revised Statutes Cumulative Supplement,
35 2014, is amended to read:
36 53-131 (1) Any person desiring to obtain a new license to sell
37 alcoholic liquor at retail, a craft brewery license, or a microdistillery
38 license shall file with the commission:
39 (a) An application in triplicate original upon forms prescribed by
40 the commission, including the information required by
41 subsection (3) of this section for an application to operate a cigar shop
42 bar;
43 (b) The license fee if under sections 53-124 and 53-124.01 such fee
44 is payable to the commission, which fee shall be returned to the
45 applicant if the application is denied; and
46 (c) The nonrefundable application fee in the sum of four hundred
47 dollars, except that the nonrefundable application fee for an application
48
for a cigar shop bar shall be one thousand dollars.

(2) The commission shall notify the clerk of the city or village in which such license is sought or, if the license sought is not sought within a city or village, the county clerk of the county in which such license is sought, of the receipt of the application and shall include one copy of the application with the notice. No such license shall be issued or denied by the commission until the expiration of the time allowed for the receipt of a recommendation of denial or an objection requiring a hearing under subdivision (1)(a) or (b) of section 53-133. During the period of forty-five days after the date of receipt by mail or electronic delivery of such application from the commission, the local governing body of such city, village, or county may make and submit to the commission recommendations relative to the granting or refusal to grant such license to the applicant.

(3) For an application to operate a cigar shop bar, the application shall include proof of the cigar shop's bar's annual gross revenue as requested by the commission and such other information as requested by the commission to establish the intent to operate as a cigar shop bar. The commission may adopt and promulgate rules and regulations to regulate cigar shops. The rules and regulations existing on August 1, 2014, applicable to cigar bars shall apply to cigar shops until amended or repealed by the commission bars.

(4) For renewal of a license under this section, a licensee shall file with the commission an application, the license fee as provided in subdivision (1)(b) of this section, and a renewal fee of forty-five dollars.

Sec. 5. (1) The Legislature finds that allowing smoking in cigar shops as a limited exception to the Nebraska Clean Indoor Air Act does not interfere with the original intent that the general public and employees not be unwillingly subjected to second-hand smoke. This exception poses a de minimis restriction on the public and employees given the limited number of cigar shops compared to other businesses that sell alcohol, cigars, and pipe tobacco, and any member of the public should reasonably expect that there would be second-hand smoke in a cigar shop given the nature of the business and could choose to avoid such exposure.

(2) The Legislature finds that (a) cigars and pipe tobacco have different characteristics than other forms of tobacco such as cigarettes, (b) cigars are customarily paired with various spirits such as cognac, single malt whisky, bourbon, rum, rye, port, and others, and (c) unlike cigarette smokers, cigar and pipe smokers may take an hour or longer to enjoy a cigar or pipe while cigarettes simply serve as a mechanism for delivering nicotine. Cigars paired with selected liquor creates a synergy unique to the particular pairing similar to wine paired with particular foods. Cigars are a pure, natural product wrapped in a tobacco leaf that is typically not inhaled in order to enjoy the taste of the smoke, unlike cigarettes that tend to be processed with additives and wrapped in paper and are inhaled. Cigars have a different taste and smell than cigarettes due to the fermentation process cigars go through during production.
Cigars tend to cost considerably more than cigarettes, and their quality and characteristics vary depending on the type of tobacco plant, the geography and climate where the tobacco was grown, and the overall quality of the manufacturing process. Not only does the customized blending of the tobacco influence the smoking experience, so does the freshness of the cigars, which is dependent on how the cigars were stored and displayed. These variables are similar to fine wines, which can also be very expensive to purchase. It is all of these variables that warrant a customer wanting to sample the product before making such a substantial purchase.

(3) The Legislature finds that exposure to second-hand smoke is inherent in the selling and sampling of cigars and pipe tobacco and that this exposure is inextricably connected to the nature of selling this legal product, similar to other inherent hazards in other professions and employment.

(4) It is the intent of the Legislature to allow cigar and pipe smoking in cigar shops that meet specific statutory criteria not inconsistent with the fundamental nature of the business. This exception to the Nebraska Clean Indoor Air Act is narrowly tailored in accordance with the intent of the act to protect public places and places of employment.

Sec. 6. (1) The holder of a cigar shop license shall not allow a person under twenty-one years of age to smoke or purchase any product in the cigar shop.

(2) The licensee shall post a sign on all entrances to the cigar shop, on the outside of each door, in a conspicuous location slightly above or next to the door, with the following statement: SMOKING OF CIGARS AND PIPES IS ALLOWED INSIDE THIS BUSINESS. SMOKING OF CIGARETTES IS NOT ALLOWED.

(3) Beginning November 1, 2015, the licensee shall provide to the commission a copy of a waiver signed prior to employment by each employee on a form prescribed by the commission. The waiver shall expressly notify the employee that he or she will be exposed to second-hand smoke, and the employee shall acknowledge that he or she understands the risks of exposure to second-hand smoke.

Sec. 7. Section 53-1,120.01, Reissue Revised Statutes of Nebraska, is amended to read:

53-1,120.01 No county resolution or city ordinance that prohibits smoking in indoor areas shall apply to cigar shops bars.

Sec. 8. Section 71-5716, Reissue Revised Statutes of Nebraska, is amended to read:

71-5716 Sections 71-5716 to 71-5734 and section 11 of this act shall be known and may be cited as the Nebraska Clean Indoor Air Act.

Sec. 9. Section 71-5717, Reissue Revised Statutes of Nebraska, is amended to read:

71-5717 The purpose of the Nebraska Clean Indoor Air Act is to protect the public health and welfare by prohibiting smoking in public places and places of employment with limited exceptions for guestrooms and suites, research, tobacco retail outlets, and cigar shops. The
limited exceptions permit smoking in public places where the public would reasonably expect to find persons smoking, including guestrooms and suites which are subject to expectations of privacy like private residences, institutions engaged in research related to smoking, and tobacco retail outlets and cigar shops which provide the public legal retail outlets to sample, use, and purchase tobacco products and products related to smoking. The act shall not be construed to prohibit or otherwise restrict smoking in outdoor areas. The act shall not be construed to permit smoking where it is prohibited or otherwise restricted by other applicable law, ordinance, or resolution. The act shall be liberally construed to further its purpose.

Sec. 10. Section 71-5730, Revised Statutes Cumulative Supplement, 2014, is amended to read:

71-5730 (1) The following indoor areas are exempt from section 71-5729:
(a) Guestrooms and suites that are rented to guests and that are designated as smoking rooms, except that not more than twenty percent of rooms rented to guests in an establishment may be designated as smoking rooms. All smoking rooms on the same floor shall be contiguous, and smoke from such rooms shall not infiltrate into areas where smoking is prohibited under the Nebraska Clean Indoor Air Act;
(b) Indoor areas used in connection with a research study on the health effects of smoking conducted in a scientific or analytical laboratory under state or federal law or at a college or university approved by the Coordinating Commission for Postsecondary Education;
(c) Tobacco retail outlets; and
(d) Cigar shops as defined in section 53-103.08.

(2)(a) The Legislature finds that allowing smoking in tobacco retail outlets as a limited exception to the Nebraska Clean Indoor Air Act does not interfere with the original intent that the general public and employees not be unwillingly subjected to second-hand smoke since the general public does not frequent tobacco retail outlets and should reasonably expect that there would be second-hand smoke in tobacco retail outlets and could choose to avoid such exposure. The products that tobacco retail outlets sell are legal for customers who meet the age requirement. Customers should be able to try them within the tobacco retail outlet, especially given the way that tobacco customization may occur in how tobacco is blended and cigars are produced. The Legislature finds that exposure to second-hand smoke is inherent in the selling and sampling of cigars and pipe tobacco and that this exposure is inextricably connected to the nature of selling this legal product, similar to other inherent hazards in other professions and employment.
(b) It is the intent of the Legislature to allow cigar and pipe smoking in tobacco retail outlets that meet specific statutory criteria not inconsistent with the fundamental nature of the business. This exception to the Nebraska Clean Indoor Air Act is narrowly tailored in accordance with the intent of the act to protect public places and places of employment.
(c) The Legislature finds that allowing smoking in cigar shops as
a limited exception to the Nebraska Clean Indoor Air Act does not interfere with the original intent that the general public and employees not be unwillingly subjected to second-hand smoke. This exception poses a de minimis restriction on the public and employees given the limited number of cigar shops compared to other businesses that sell alcohol, cigars, and pipe tobacco, and any member of the public should reasonably expect that there would be second-hand smoke in a cigar shop given the nature of the business and could choose to avoid such exposure.

(b) The Legislature finds that (i) cigars and pipe tobacco have different characteristics than other forms of tobacco such as cigarettes, (ii) cigars are customarily paired with various spirits such as cognac, single malt whisky, bourbon, rum, rye, port, and others, and (iii) unlike cigarette smokers, cigar and pipe smokers may take an hour or longer to enjoy a cigar or pipe while cigarettes simply serve as a mechanism for delivering nicotine. Cigars paired with selected liquor creates a synergy unique to the particular pairing similar to wine paired with particular foods. Cigars are a pure, natural product wrapped in a tobacco leaf that is typically not inhaled in order to enjoy the taste of the smoke, unlike cigarettes that tend to be processed with additives and wrapped in paper and are inhaled. Cigars have a different taste and smell than cigarettes due to the fermentation process cigars go through during production. Cigars tend to cost considerably more than cigarettes, and their quality and characteristics vary depending on the type of tobacco plant, the geography and climate where the tobacco was grown, and the overall quality of the manufacturing process. Not only does the customized blending of the tobacco influence the smoking experience, so does the freshness of the cigars, which is dependent on how the cigars were stored and displayed. These variables are similar to fine wines, which can also be very expensive to purchase. It is all of these variables that warrant a customer wanting to sample the product before making such a substantial purchase.

(c) The Legislature finds that exposure to second-hand smoke is inherent in the selling and sampling of cigars and pipe tobacco and that this exposure is inextricably connected to the nature of selling this legal product, similar to other inherent hazards in other professions and employment.

(d) It is the intent of the Legislature to allow cigar and pipe smoking in cigar shops that meet specific statutory criteria not inconsistent with the fundamental nature of the business. This exception to the Nebraska Clean Indoor Air Act is narrowly tailored in accordance with the intent of the act to protect public places and places of employment.

Sec. 11. (1) The owner of a tobacco retail outlet shall post a sign on all entrances to the tobacco retail outlet, on the outside of each door, in a conspicuous location slightly above or next to the door, with the following statement: SMOKING OF CIGARS AND PIPES IS ALLOWED INSIDE THIS BUSINESS. SMOKING OF CIGARETTES IS NOT ALLOWED.

(2) Beginning November 1, 2015, the owner shall provide to the Division of Public Health a copy of a waiver signed prior to employment
by each employee on a form prescribed by the division. The waiver shall expressly notify the employee that he or she will be exposed to second-hand smoke, and the employee shall acknowledge that he or she understands the risks of exposure to second-hand smoke.

3. The owner shall not allow cigarette smoking in the tobacco retail outlet.

Sec. 12. If any section in this act or any part of any section is declared invalid or unconstitutional, the declaration shall not affect the validity or constitutionality of the remaining portions.

Sec. 13. Original sections 53-103.08, 53-1,120.01, 71-5716, and 71-5717, Reissue Revised Statutes of Nebraska, and sections 28-1429.03, 53-101, 53-131, and 71-5730, Revised Statutes Cumulative Supplement, 2014, are repealed.

Sec. 14. Since an emergency exists, this act takes effect when passed and approved according to law.

ER27
1. Strike the original sections and all amendments thereto and insert the following new sections:
   Section 1. Section 9-1006, Revised Statutes Cumulative Supplement, 4 2014, is amended to read:
   5 9-1006 The Compulsive Gamblers Assistance Fund is created. The fund shall include revenue transferred from the State Lottery Operation Trust Fund under section 9-812 and the Charitable Gaming Operations Fund under section 9-1,101, revenue credited under section 3 of this act, and any other revenue received by the division or commission for credit to the fund from any other public or private source, including, but not limited to, appropriations, grants, donations, gifts, bequests, fees, or reimbursements. The commission shall administer the fund for the operation of the Gamblers Assistance Program. The Director of Administrative Services shall draw warrants upon the Compulsive Gamblers Assistance Fund upon the presentation of proper vouchers by the commission. Money from the Compulsive Gamblers Assistance Fund shall be used exclusively for the purpose of providing assistance to agencies, groups, organizations, and individuals that provide education, assistance, and counseling to individuals and families experiencing difficulty as a result of problem gambling, to promote the awareness of problem gamblers assistance programs, and to pay the costs and expenses of the Gamblers Assistance Program, including travel. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.
   Sec. 2. Section 77-3004, Reissue Revised Statutes of Nebraska, is amended to read:
   1 77-3004 (1) An occupation tax is hereby imposed and levied, in the amount and in accordance with the terms and conditions hereafter stated, upon the business of operating mechanical amusement devices within the State of Nebraska for profit or gain either directly or indirectly received. Every person who now or hereafter engages in the business of operating such devices in the State of Nebraska shall pay such tax in the amount and manner specified in this section.
   8 (2) Any operator of a mechanical amusement device within the State of Nebraska shall pay an occupation tax for each machine or device which he or she operates during all of the taxable year. The tax shall be due and payable on January 1 of each year on each machine or device in operation on that date, except that it shall be unlawful to pay any such
occupation tax unless the sales or use tax has been paid on such
mechanical amusement devices. For every machine or device put into
operation on a date subsequent to January 1, and which has not been
included in computing the tax imposed and levied by the Mechanical
Amusement Device Tax Act this section, the tax shall be due and payable
therefor prior to the time the machine or device is placed in operation.
All taxes collected pursuant to the act this section shall be remitted to
the State Treasurer for credit to the General Fund.
(3) The amount of the occupation tax shall be fifty dollars for each
machine or device for the period from July 1, 1998, through December 31,
1999, except that for machines placed in operation after April 1, 1999,
and before January 1, 2000, the occupation tax shall be twenty-five
dollars for each machine or device.
(4) The amount of the occupation tax shall be thirty-five dollars
for each machine or device for any period beginning on or after January
1, 2000, except that for machines placed in operation after July 1, and
before January 1 of each year, the occupation tax shall be twenty dollars
for each machine or device.
Sec. 3. (1) Beginning sixty days after the effective date of this
act, in addition to the occupation tax imposed pursuant to section
77-3004, an additional occupation tax shall be levied upon the business
of operating a mechanical amusement device that:
(a) Accepts currency, coins, tokens, or other value in exchange for
play;
(b) Awards a monetary prize or anything redeemable for a monetary
prize;
(c) Is played by a player using a touch screen, computer mouse,
touch pad, light pen, laser, or device of similar function by which the
player competes against software running the device; and
(d) Has not been adjudicated by a court of competent jurisdiction
within the State of Nebraska to not constitute a gambling device as
defined in subdivision (5) of section 28-1101. Any such adjudication
shall be by way of a final order in which the Tax Commissioner has been
made a party to the action and written notice shall have been provided to
the Attorney General at the commencement of the action.
(2) Any operator of such mechanical amusement device shall pay the
occupation tax. If an operator believes that a mechanical amusement
device is not taxable under subsection (1) of this section, the burden is
on the operator to prove to the Tax Commissioner that such device does
not have one or more of the characteristics required for taxability under
subsection (1) of this section. Such proof may be made by, among other
things, a showing that the software running the game remains constant
with the nature of a game that had its software at issue in a judicial
case, not overturned by appeal, in which the State of Nebraska was a
party, the issue was litigated, and the final order found that the
particular game is more controlled by the player than not, and thus is
predominantly a game of skill.
(3) The amount of the occupation tax shall be equal to ten percent
of the gross revenue derived from the operation of any mechanical
amusement device described in subsection (1) of this section. The Tax
Commissioner shall collect such occupation tax concurrently with
collection of the state sales tax in the same manner as the state sales
tax is collected. All taxes collected pursuant to this section shall be
remitted to the State Treasurer, and the State Treasurer shall credit
ninety-seven percent of such taxes to the General Fund and the remaining
three percent of such taxes to the Compulsive Gamblers Assistance Fund.
(4) For purposes of this section, gross revenue means the total
aggregate receipts received from the operation of any mechanical
amusement device described in subsection (1) of this section without any
reduction for prizes, discounts, taxes, or expenses and includes receipts
from admission costs, any consideration necessary for participation, and
the value of any free tickets, games, or plays used.
(5) The occupation tax imposed in this section shall not apply to
any device not within the definition of a gambling device as defined in
subdivision (5) of section 28-1101 or to any device that is specifically
authorized by law.
(6) For purposes of this section, the fact that the device is played
or connected via league or tournament play shall play no factor in
determining whether the occupation tax imposed by this section is due.
Sec. 4. Section 77-3005, Reissue Revised Statutes of Nebraska, is
amended to read:
77-3005 The occupation tax taxes levied and imposed by the
Mechanical Amusement Device Tax Act under section 77-3004 and section 3
of this act shall be in addition to any and all taxes or fees, of any
form whatsoever, now imposed by the State of Nebraska or any of its
subdivisions, upon the business of operating or distributing mechanical
amusement devices as defined in section 77-3001, or otherwise defined by
the subdivisions and municipalities of the State of Nebraska, except that
payment of the tax imposed under section 77-3004 and license fees due and
owing on or before the licensing date of each year and payment of any tax
due and owing under section 3 of this act shall exempt any such
mechanical amusement device from the application of the sales tax which
would or could otherwise be imposed under the Nebraska Revenue Act of
1967. Nonpayment of the taxes or tax imposed under section 77-3004 and
license fees due and owing on or before the licensing date of each year
or nonpayment of any tax due and owing under section 3 of this act shall
render the exemption provided by this section inapplicable and the
particular machines or devices shall then be subject to all the
provisions of the Nebraska Revenue Act of 1967, including the penalty
provisions pertaining to the owner or operator of such machines or
devices.
Sec. 5. Section 77-3006, Reissue Revised Statutes of Nebraska, is
amended to read:
77-3006 The administration of the provisions of sections 77-3001 to
77-3004 of the Mechanical Amusement Device Tax Act is hereby vested in the Tax
Commissioner of the State of Nebraska subject to other provisions of law
relating to the Tax Commissioner. The Tax Commissioner may prescribe,
adopt, and enforce rules and regulations relating to the administration
and enforcement of the provisions of sections 77-3001 to 77-3011, act and may delegate authority to his or her representatives to conduct hearings, or perform any other duties imposed under the provisions of sections 77-3001 to 77-3011 act.

Sec. 6. Section 77-3007, Reissue Revised Statutes of Nebraska, is amended to read:

77-3007 (1) The payment of the tax imposed by the provisions of sections 77-3001 to 77-3011 under section 77-3004 shall be evidenced by a separate decal for each device signifying payment of the tax, in a form prescribed by the Tax Commissioner.

(2) Every operator shall place such decal in a conspicuous place on each device to denote payment of the tax for each device for the current year.

Sec. 7. Section 77-3008, Reissue Revised Statutes of Nebraska, is amended to read:

77-3008 Nothing in sections 77-3001 to 77-3011 the Mechanical Amusement Device Tax Act shall be construed to limit, usurp, or repeal any power to tax granted to the subdivisions and municipalities of the State of Nebraska by the laws and Constitution of the State of Nebraska.

Sec. 8. Section 77-3009, Reissue Revised Statutes of Nebraska, is amended to read:

77-3009 (1) Any person who places a mechanical amusement device in operation in the State of Nebraska without the necessary decal being placed conspicuously upon it, or without having obtained the necessary license, or without having paid any occupation tax due under section 3 of this act shall be subject to an administrative penalty of seventy-five dollars for each violation.

(2) Any mechanical amusement device which does not have the necessary decal conspicuously displayed upon it, or if an occupation tax under section 3 of this act has been imposed on a mechanical amusement device and such tax has not been paid, the mechanical amusement device in question shall be subject to being sealed by the Tax Commissioner or his delegate. If such seal is broken prior to payment of the all occupation tax upon taxes owed on such device, the device shall be subject to forfeiture and sale by the Tax Commissioner.

(3) Any person violating the Mechanical Amusement Device Tax Act or engages in or conducts the business of operating or distributing the machines or devices subject to the Mechanical Amusement Device Tax Act, without having paid the tax taxes required by section 77-3004 and section 3 of this act or without having obtained the required license as provided, shall constitute a separate offense.

Sec. 9. Section 77-3010, Reissue Revised Statutes of Nebraska, is amended to read:

77-3010 Prosecutions for any violations of sections 77-3001 to 77-3011 the Mechanical Amusement Device Tax Act shall be brought by the Attorney General or county attorney in the county in which the violation occurs. Any such prosecution for the violation of any of the provisions of sections 77-3001 to 77-3011 shall be instituted within three years.
5 after the commission of the offense.
6 Sec. 10. Section 77-3011, Reissue Revised Statutes of Nebraska, is
7 amended to read:
8 77-3011 Sections 77-3001 to 77-3011 and section 3 of this act shall

AM254
1 1. Strike the original sections and insert the following new
2 sections:
3 Section 1. Section 9-701, Reissue Revised Statutes of Nebraska, is
4 amended to read:
5 9-701 (1) For purposes of this section:
6 (a) Financial institution means a bank, savings bank, building and
7 loan association, or savings and loan association, whether chartered by
8 the United States, the Department of Banking and Finance, or a foreign
9 state agency as defined in section 8-101; or any other similar
10 organization which is covered by federal deposit insurance;
11 (b a) Gift enterprise means a contest, game of chance, savings
12 promotion raffle, or game promotion which is conducted within the state
13 or throughout the state and other states in connection with the sale of
14 consumer or trade products or services solely as business promotions and
15 in which the elements of chance and prize are present. Gift enterprise
16 does not include any scheme using the game of bingo or keno; any non-
17 telecommunication-related, player-activated electronic or
18 electromechanical facsimile of any game of chance; or any slot machine of
19 any kind. A gift enterprise shall not utilize pickle cards as defined in
20 section 9-315. Promotional game tickets may be utilized subject to the
21 following:
22 (i) The tickets utilized shall be manufactured or imprinted with the
23 name of the operator on each ticket;
24 (ii) The tickets utilized shall not be manufactured with a cost per
25 play printed on them; and
26 (iii) The tickets utilized shall not be substantially similar to any
27 type of pickle card approved by the Department of Revenue pursuant to
1 section 9-332.01;
2 (g b) Operator means any person, firm, corporation, financial
3 institution, association, governmental entity, or agent or employee
4 thereof who promotes, operates, or conducts a gift enterprise. Operator
5 does not include any nonprofit organization or any agent or employee
6 thereof, except that operator includes any credit union chartered under
7 state or federal law or any agent or employee thereof who promotes,
8 operates, or conducts a gift enterprise; and
9 (d e) Savings promotion raffle means a contest conducted by a
10 financial institution or credit union chartered under state or federal
11 law or any agent or employee thereof in which a chance of winning a
12 designated prize is obtained by the deposit of a specified amount of
13 money in a savings account or other savings program if each entry has an
14 equal chance of winning.
15 (2) Any operator may conduct a gift enterprise within this state in
16 accordance with this section.
17 (3) An operator shall not:
18 (a) Design, engage in, promote, or conduct a gift enterprise in
19 connection with the promotion or sale of consumer products or services in
20 which the winner may be unfairly predetermined or the game may be
21 manipulated or rigged;
22 (b) Arbitrarily remove, disqualify, disallow, or reject any entry;
23 (c) Fail to award prizes offered;
24 (d) Print, publish, or circulate literature or advertising material
25 used in connection with such gift enterprise which is false, deceptive,
26 or misleading; or
27 (c e) Require an entry fee, a payment or promise of payment of any
28 valuable consideration, or any other consideration as a condition of
29 entering a gift enterprise or winning a prize from the gift enterprise,
30 except that a contest, game of chance, or business promotion may require,
31 as a condition of participation, evidence of the purchase of a product or
1 service as long as the purchase price charged for such product or service
2 is not greater than it would have been without the contest, game of
3 chance, or business promotion. For purposes of this section,
4 consideration shall not include (i) filling out an entry blank, (ii)
5 entering by mail with the purchase of postage at a cost no greater than
6 the cost of postage for a first-class letter weighing one ounce or less,
7 (iii) entering by a telephone call to the operator of or for the gift
8 enterprise at a cost no greater than the cost of postage for a first-
9 class letter weighing one ounce or less. When the only method of entry is
10 by telephone, the cost to the entrant of the telephone call shall not
11 exceed the cost of postage for a first-class letter weighing one ounce or
12 less for any reason, including (A) whether any communication occurred
13 during the call which was not related to the gift enterprise or (B) the
14 fact that the cost of the call to the operator was greater than the cost
15 to the entrant allowed under this section, or (iv) the deposit of money
16 in a savings account or other savings program, regardless of the interest
17 rate earned by such account or program.
18 (4) An operator shall disclose to participants all terms and
19 conditions of a gift enterprise.
20 (5)(a) The Department of Revenue may adopt and promulgate rules and
21 regulations necessary to carry out the operation of gift enterprises.
22 (b) Whenever the department has reason to believe that a gift
23 enterprise is being operated in violation of this section or the
24 department's rules and regulations, it may bring an action in the
25 district court of Lancaster County in the name of and on behalf of the
26 people of the State of Nebraska against the operator of the gift
27 enterprise to enjoin the continued operation of such gift enterprise
28 anywhere in the state.
29 (6)(a) Any person, firm, corporation, association, or agent or
30 employee thereof who engages in any unlawful acts or practices pursuant
31 to this section or violates any of the rules and regulations promulgated
1 pursuant to this section shall be guilty of a Class II misdemeanor.
2 (b) Any person, firm, corporation, association, or agent or employee
3 thereof who violates any provision of this section or any of the rules
4 and regulations promulgated pursuant to this section shall be liable to
5 pay a civil penalty of not more than one thousand dollars imposed by the
6 district court of Lancaster County for each such violation which shall be
7 remitted to the State Treasurer for distribution in accordance with
8 Article VII, section 5, of the Constitution of Nebraska. Each day of
9 continued violation shall constitute a separate offense or violation for
10 purposes of this section.
11 (7) A financial institution or credit union may limit the number of
12 chances that a participant in a savings promotion raffle may obtain for
13 making the required deposits but shall not limit the number of deposits.
14 (8) In all proceedings initiated in any court or otherwise under
15 this section, the Attorney General or appropriate county attorney shall
16 prosecute and defend all such proceedings.
17 (9) This section shall not apply to any activity authorized and
18 regulated under the Nebraska Bingo Act, the Nebraska County and City
19 Lottery Act, the Nebraska Lottery and Raffle Act, the Nebraska Pickle
20 Card Lottery Act, or the Nebraska Small Lottery and Raffle Act, or the
21 State Lottery Act.

23 Nebraska, is repealed.

Senator Nordquist filed the following amendment to LB446:
AM339

5 previously received contributions or distributed benefits which for any
6 reason are not in accordance with the statutory provisions of the School
7 Employees Retirement Act, the board may refund contributions, require
8 additional contributions, adjust benefits, or require repayment of
9 benefits paid. In the event of an overpayment of a benefit, the board
10 may, in addition to other remedies, offset future benefit payments by the
11 amount of the prior overpayment, together with regular interest thereon.
12 In the event of a material underpayment of a benefit, the board shall
13 immediately make payment equal to the deficit amount plus regular
14 interest.
15 (2) If the board determines that termination of employment has not
16 occurred and a retirement benefit has been paid to a member of the
17 retirement system pursuant to section 79-933, such member shall repay the
18 benefit to the retirement system.
19 (3) The board shall adopt and promulgate rules and regulations
20 implementing this section, which shall include, but not be limited to,

In submitting this state's certificate of ascertainment as required by 3 U.S.C. 6, the Governor shall certify this state's presidential electors and state in
the certificate that:

(a) The presidential electors will serve as presidential electors unless a vacancy occurs in the office of presidential elector before the end of the meeting at which the presidential electors cast their votes, in which case a substitute presidential elector will fill the vacancy;

and

(b) If a substitute presidential elector is appointed to fill a vacancy, the Governor will submit an amended certificate of ascertainment stating the names on the final list of this state's presidential electors.

(2) The presidential electors shall convene at 2 p.m. of such Monday at the Governor's office in the capitol. Each presidential elector shall execute the following pledge: As a presidential elector duly selected (or appointed) for this position, I agree to serve and to mark my ballots for President and Vice President for the presidential and vice-presidential candidates who received the highest number of votes in the state if I am an at-large presidential elector or the highest number of votes in my congressional district if I am a congressional district presidential elector which I represent.

Sec. 3. Section 32-714, Revised Statutes Cumulative Supplement, 2014, is amended to read:

(1) The Governor shall provide each presidential elector with a list of all the presidential electors. If any presidential elector is absent or if there is a deficiency in the proper number of presidential electors, those present shall elect from the citizens of the state so many persons as will supply the deficiency and immediately issue a certificate of election, signed by those present or a majority of them, to the person or persons so chosen. In case of failure to elect as required in this subsection by 3 p.m. of such day or in case of a vacancy created under subsection (4) of this section, the Governor shall fill the vacancies by appointment. Each appointee shall execute the pledge in section 32-713. After all vacancies are filled, the presidential electors shall proceed with the election of a President of the United States and a Vice President of the United States and certify their votes in conformity with the Constitution and laws of the United States.

(2) The Secretary of State shall provide each presidential elector with a presidential and vice-presidential ballot. Each at-large presidential elector shall mark his or her ballot for the presidential and vice-presidential candidates who received the highest number of votes in the state and consistent with his or her pledge. Each congressional district presidential elector shall mark his or her ballot for the presidential and vice-presidential candidates who received the highest number of votes in his or her congressional district and consistent with his or her pledge.

(3) Each presidential elector shall present the completed ballot to the Secretary of State. The Secretary of State shall examine each ballot and accept as cast each ballot marked by a presidential elector consistent with his or her pledge. The Secretary of State shall not accept and not count the ballot if the presidential elector has not
3 marked the ballot or has marked the ballot in violation of his or her pledge.
4 (4) A presidential elector who refuses to present a ballot, who
5 attempts to present an unmarked ballot, or who attempts to present a
6 ballot marked in violation of his or her pledge vacates the office of
7 presidential elector.
8 Sec. 4. Section 32-1038, Reissue Revised Statutes of Nebraska, is
9 amended to read:
10 32-1038 (1) The board of state canvassers shall authorize the
11 Secretary of State to open the abstracts of votes from the various
12 counties and prepare an abstract stating the number of ballots cast for
13 each office, the names of all the persons voted for, for what office they
14 respectively received the votes, and the number of votes each received.
15 The abstract shall be signed by the members of the board and shall have
16 the seal of the state affixed by the Secretary of State. The canvass of
17 the votes for candidates for President and Vice President of the United
18 States and the return thereof shall be a canvass and return of the votes
19 cast for the presidential electors of the same party or group of
20 petitioners respectively, and the certificate of such election made by
21 the Governor shall be in accord with such return. Receipt by the
22 presidential electors of a party or a group of petitioners of the highest
23 number of votes statewide shall constitute election of the two at large
24 presidential electors of that party or group of petitioners. Receipt by
25 the presidential electors of a party or a group of petitioners of the
26 highest number of votes in a presidential elector congressional district
27 shall constitute election of the congressional district presidential
28 elector of that party or group of petitioners.
29 (2) The board of state canvassers shall determine from the completed
30 abstract the names of those candidates who have been nominated or
elected. If any two or more persons are returned with an equal and the
3 highest number of votes, the board of state canvassers shall decide by
3 lot which of such persons is elected except for officers elected to the
4 executive branch. The board of state canvassers shall also declare those
5 measures carried which have received the required percentage of votes as
6 provided by law.
7 Sec. 5. Original section 32-1038, Reissue Revised Statutes of
8 Nebraska, and sections 32-710, 32-713, and 32-714, Revised Statutes

ATTORNEY GENERAL'S OPINION
Opinion 15-002
SUBJECT:    LB 280 - Constitutionality of Reducing the Percentage of the Actual Value of Agricultural and Horticultural Land Used in Calculating State Aid Value Under the Tax Equity and Educational Opportunities Support Act.
REQUESTED BY: Senator Al Davis
Nebraska Legislature
WRITTEN BY: Doug Peterson, Attorney General
L. Jay Bartel, Assistant Attorney General

LB 280 contains several provisions relating to school funding. The bill proposes creation of a school-funding surtax on individuals with an income tax liability. LB 280, § 1. The maximum levy rate for school districts would be reduced in incremental steps over a period of years from the current rate of $1.05 per one hundred dollars of taxable value to $.805 per one hundred dollars of value by fiscal year 2020-2021. LB 280, § 2. The maximum levy rate for learning communities would also be reduced over the same period
from the current rate of $0.95 per one hundred dollars of taxable value to $0.705 per one hundred dollars of value. *Id.* The bill also includes several changes to the Tax Equity and Educational Opportunities Support Act ["TEEOSA"]. Section 8 would amend Neb. Rev. Stat. § 79-1015.01 (2014), which establishes the local effort rate for inclusion in local system formula aid resources, by reducing the rate to $0.755 for school fiscal year 2017-18 and subsequent years. LB 280, § 8. The bill would also lower the percentage of agricultural and horticultural land used in determining state aid value from 72 percent to 62.4 percent of actual value. LB 280, § 9. Beginning in school fiscal year 2017-19, a foundation aid amount of $500 would be provided for each student in all school districts. LB 280, § 12.

Your original request referenced prior legislative proposals to “reduce the valuation of agricultural and horticultural land for the purposes of calculating state aid to schools….” Subsequent to receipt of your request, you introduced LB 280. It is our understanding that you seek our opinion on the constitutionality of that portion of the bill which would lower the percentage of agricultural and horticultural land used in determining state aid value from 72 percent to 62.4 percent of actual value.

Your request does not articulate a specific constitutional issue to be addressed, or identify any particular constitutional provision this portion of the bill may contravene. To the extent that the bill proposes only to reduce the portion of state aid value for agricultural and horticultural land from 72 percent to 62.4 percent of actual value, while retaining the state aid value for real property other than agricultural and horticultural land at 96 percent of actual value, there may be a question whether this establishes an unreasonable classification in violation of the prohibition against special legislation in Neb. Const. art. III, § 18.

For statewide equalization purposes, the “acceptable range” for agricultural land and horticultural land is “sixty-nine to seventy-five percent of actual value.” Neb. Rev. Stat. § 77-5023(2)(a) (2009). The acceptable range for agricultural and horticultural land receiving special valuation is “sixty-nine to seventy-five percent of special valuation…” Neb. Rev. Stat. § 77-5023(2)(b) (2009). For all other real property, the acceptable range is

TEEOSA requires the Property Tax Administrator to “compute and certify to the State Department of Education the adjusted valuation for the current assessment year for each class of property in each school district and each local system.” Neb. Rev. Stat. § 79-1016(2) (2014). “The adjusted valuation of property of each school district and each local school system, for purposes of determining state aid pursuant to the Tax Equity and Education Opportunities Support Act, shall reflect as nearly as possible the state aid value....” Id. Neb. Rev. Stat. § 79-1016(3) (2014) provides that “state aid value” means

(a) For real property other than agricultural and horticultural land, ninety-six percent of actual value;

(b) For agricultural and horticultural land, seventy-two percent of actual value as provided in sections 77-1359 to 77-1363. For agricultural and horticultural land that receives special valuation, seventy-two percent of special valuation as defined in section 77-1343; and

(c) For personal property, the net book value as defined in section 77-120.

“State aid value” for agricultural and horticultural land, including agricultural and horticultural land receiving special valuation, is thus currently set at 72 percent of actual or special value, the midpoint of the acceptable range of value for these classes of property. Similarly, “state aid value” for all other taxable real property is 96 percent of actual value, the midpoint of the range for real property other than agricultural and horticultural land or land subject to special valuation. Thus, adjusted valuation of property for state aid purposes is currently determined using the midpoint of the acceptable range for each class of property as the measure of state aid value. Section 9 of LB 280 would lower the measure of state aid value from 72 percent, the midpoint of the acceptable range for agricultural and horticultural land and agricultural and horticultural land receiving special valuation, to 62.4 percent. Adjusted valuation for state aid purposes for all other real property would remain at 96 percent, the midpoint of the acceptable range.

Article III, § 18, provides:

The Legislature shall not pass local or special laws in any of the following cases, that is to say:

*   *   *
Granting to any corporation, association, or individual any special or exclusive privileges, immunity, or franchise whatever... In all other cases where a general law can be made applicable, no special law shall be enacted.

The Nebraska Supreme Court has stated that a legislative act can violate art. III, § 18, as special legislation in “one of two ways: (1) by creating a totally arbitrary and unreasonable method of classification, or (2) by creating a permanently closed class.” Haman v. Marsh, 237 Neb. 699, 709, 467 N.W.2d 836, 845 (1991). “A special legislation analysis focuses on a legislative body’s purpose in creating a challenged class and asks if there is a substantial difference of circumstances to suggest the expediency of diverse legislation.” J. M. v. Hobbs, 288 Neb. 546, 557, 849 N.W.2d 480, 489 (2014). “The prohibition aims to prevent legislation that arbitrarily benefits a special class.” Id. “Classifications for the purpose of legislation must be real and not illusive; they cannot be based on distinctions without a substantial difference.” Big John’s Billards, Inc. v. State, 288 Neb. 938, 945, 852 N.W.2d 727, 735 (2014). “A legislative body’s distinctive treatment of a class is proper if the class has some reasonable distinction from other subjects of a like general character.” Id. “[T]hat distinction must bear some reasonable relation to the legitimate objective and purposes of the legislative act.” Id. As no closed classification is implicated, the question is whether the distinction between the percentages of agricultural and horticultural lands and other real property, utilizing a percentage below the midpoint of the range for agricultural and horticultural lands and land subject to special valuation while retaining the midpoint of the range for other real property, establishes an arbitrary and unreasonable classification.

In 2011, legislation was introduced which proposed to incrementally reduce the percentage of the actual value of agricultural and horticultural land used to calculate state aid from 72 percent to 62 percent over a ten year period. The legislative history of the bill (LB 440) noted this proposal would “decrease formula resources in the calculation of state aid for school districts that have agricultural and horticultural land...”, which would “in turn trigger an increase in equalization aid to those school districts.” Committee Records on LB 440, 102nd Leg., 1st Sess. 1 (Feb. 1, 2011). The bill’s principal introducer stated the bill was intended to provide school districts the benefit of additional state aid, and that school districts would then “possibly lower the levy of the property taxes.” Id. (Statement of Sen. Heidemann). The introducer further stated the bill “was mainly to get more state aid to...more rural school districts...”, and “would help neutralize the effect of soaring agricultural land values and resulting decrease in state aid that burdens our rural communities in supporting K-12 school districts.” Id. at 1-2 (Statement of Sen. Heidemann). The introducer noted that the number of unequaled school districts (districts not receiving equalization aid under TEEOSA) had risen from 23.5 percent in 2001 to around 30 percent of all districts in 2011. Id. at 2 (Statement of Sen. Heidemann). Supporting testimony noted that, “[s]ince 2005, property tax increases statewide on agricultural real estate had increased nearly 46 percent, almost twice the
percentage increase as on residential properties...”, and that “LB 440 attempt[ed] to help with this issue by reducing the value of agricultural land in the state aid to schools formula, which would translate into greater aid for school districts that have come to rely so heavily upon agricultural land for funding...”, and “aid in alleviating some of the pressure on agricultural land as the funding sources for some schools.” Id. at 12 (Statement of Jessica Kolterman on behalf of the Nebraska Farm Bureau).

While LB 440 was not advanced from the Education Committee, we believe the purposes articulated in support of that bill provide a reasonable basis for the proposed reduction to the percentage of agricultural and horticultural land to be used to calculate state aid to schools contained in LB 280. The effect of a decrease in the percentage of actual value of agricultural and horticultural land would be to decrease formula resources in determining state aid, which in turn would increase the amount of state aid allocated to schools as equalization aid. Equalized school districts may receive increased equalization aid, and the number of unequalized districts would be reduced. Given the substantial increase in the valuation of agricultural and horticultural lands statewide in recent years, which has outpaced increases in the valuation of other real property, utilizing a different, lower percentage of agricultural land value in the calculation of state aid is not arbitrary or unreasonable, as it is based on real substantial differences between such lands and other real property. Thus, reducing the value of agricultural and horticultural land, including land subject to special valuation, from the midpoint of the acceptable range for such property (72 percent) to 62.4 percent, while continuing to use the midpoint of the range for other real property (96 percent), in calculating state aid to schools, is not an improper classification in violation of the special legislation clause.

CONCLUSION

The Nebraska Constitution provides that “[t]he Legislature shall provide for the free instruction in the common schools of this state of all persons between the ages of five and twenty-one years.” Neb. Const. art. VII, § 1. “What methods and what means should be adopted in order to furnish free instruction to the children of the state has been left by the constitution to the legislature.” Affholder v. State, 51 Neb. 91, 93, 70 N.W. 544, 545 (1897). “Nebraska’s constitutional history shows that the people of Nebraska have repeatedly left school funding decisions to the Legislature’s discretion.” Nebraska Coalition for Educational Equity and Adequacy v. Heineman, 273 Neb. 531, 550, 731 N.W.2d 164, 179 (2007). Given the broad discretion afforded the Legislature in determining the proper means to fund our schools, we conclude that, for purposes of calculating state aid to schools, LB 280’s proposed reduction to the value of agricultural and horticultural land, including land subject to special valuation, from the midpoint of the acceptable range for such property (72 percent) to 62.4 percent, while continuing to use the midpoint of the range for other real property (96 percent), does not result in an improper classification in violation of the special legislation clause.

AM368

1 1. Strike the original sections and insert the following new
2 sections:
3 Section 1. Sections 1 to 5 of this act shall be known and may be
4 cited as the Radon Resistant New Construction Act.
5 Sec. 2. The Legislature finds that:
6 1) Radon is a radioactive element that is part of the radioactive
7 decay chain of naturally occurring uranium in soil;
8 2) Radon is the leading cause of lung cancer among nonsmokers and
the number one risk in homes according to the Harvard School of Public
Health, Harvard Center for Risk Analysis;
(3) The World Health Organization Handbook on Indoor Radon includes
key messages which state:
(a) "There is no known threshold concentration below which radon
exposure presents no risk."; and
(b) "The majority of radon-induced lung cancers are caused by low
and moderate radon concentrations rather than by high radon
concentrations, because in general less people are exposed to high indoor
radon concentrations.");
(4) The Surgeon General of the United States urged Americans to test
their homes to find out how much radon they might be breathing;
(5) The United States Environmental Protection Agency estimates that
more than twenty thousand Americans die of radon-related lung cancer each
year; and
(6) The United States Environmental Protection Agency has identified
radon levels in Nebraska as the third highest in the United States
because of the high concentration of uranium in the soil.
Sec. 3. For purposes of the Radon Resistant New Construction Act:
(1) Active radon mitigation system means a family of radon
mitigation systems involving mechanically driven soil depressurization,
including subslab depressurization, drain tile depressurization, block
wall depressurization, and submembrane depressurization. Active radon
mitigation system is also known as active soil depressurization;
(2) Building code means an ordinance, resolution, or law that
establishes standards applicable to new construction;
(3) Building contractor means any individual, corporation,
partnership, limited liability company, or other business entity that
engages in new construction;
(4) Department means the Department of Health and Human Services;
(5) New construction means any original construction of a single-
family home or a multifamily dwelling, including apartments, group homes,
condominiums, and townhouses, or any original construction of a building
used for commercial, industrial, educational, or medical purposes. New
construction does not include additions to existing structures or
remodeling of existing structures;
(6) Passive new construction pipe means a pipe installed in new
construction that relies solely on the convective flow of air upward for
soil gas depressurization and may consist of multiple pipes routed
through conditioned space from below the foundation to above the roof;
and
(7) Radon mitigation specialist means an individual who is licensed
by the department as a radon mitigation specialist in accordance with the
Radiation Control Act.
Sec. 4. (1) The Radon Resistant New Construction Task Force is
created. The task force shall consist of the chief medical officer of the
Division of Public Health of the Department of Health and Human Services
as designated in section 81-3115 or his or her designee, who shall serve

The scope of the committee’s investigation shall include, but not be limited to, the adequacy of technology used within the ACCESSNebraska system, including telephone systems, computer software, case management, information technology, and use of and access to databases to allow for data matching. The committee shall also investigate the effectiveness of processes and structures used by the ACCESSNebraska system, including system design, management structure, and system goals. In addition to the information required under subsection (1) of this section, the application for registration shall contain (a) the full legal name as defined in section 60-468.01 of each owner and (b)(i) the motor vehicle operator's license number or state identification card number of each owner, if applicable, and one or more of the identification elements as listed in section 60-484 of each owner, if applicable, and (ii) if any owner is a business entity, a nonprofit organization, an estate, a trust, or a church-controlled organization, its tax identification number.

Sec. 2. Section 37-1278, Revised Statutes Cumulative Supplement, 2014, is amended to read:

Application for a certificate of title shall be presented to the county treasurer, shall be made upon a form prescribed by the Department of Motor Vehicles, and shall be accompanied by the fee prescribed in section 37-1287. The owner of a motorboat for which a certificate of title is required shall obtain a certificate of title prior to registration required under section 37-1214.

(a) If a certificate of title has previously been issued for the motorboat in this state, the application for a new certificate of title shall be accompanied by the certificate of title duly assigned. If a certificate of title has not previously been issued for the motorboat in this state, the application shall be accompanied by a certificate of number from this state, a manufacturer's or importer's certificate, a duly certified copy thereof, proof of purchase from a governmental agency or political subdivision, a certificate of title from another state, or a court order issued by a court of record, a manufacturer's certificate of origin, or an assigned registration certificate, if the motorboat was brought into this state from a state which does not have a certificate of title law. The containers shall prominently display the endorsement holder's trade name or logo or some other mark that is unique to the endorsement holder and shall hold no more than thirty-two ounces;

(c) The licensee seals the container in a manner designed so that it is visibly apparent whether the sealed container has been tampered with or opened and attaches a copy of the dated receipt to the container or, if the sealed container is placed in a bag, to the bag.

Sec. 10. Section 53-131, Revised Statutes Cumulative Supplement, 2014, is amended to read:

Any person desiring to obtain a new license to sell alcoholic liquor at retail, a craft brewery license, or a microdistillery license shall file with the commission:

(a) An application in triplicate original upon forms the commission prescribes, including the information required by subsection (3) of this section for an application to operate a cigar bar;

(b) The license fee if under sections 53-124 and 53-124.01 such fee is payable to the commission, which fee shall be returned to the applicant if the application is denied; and

The commission shall notify the clerk of the city or village in which such license is sought or, if the license sought is not sought within a city or village, the county clerk of the county in which such license is sought, of the receipt of the application and shall include one copy of the application with the notice. No such license shall be issued or denied by the commission until the expiration of the time allowed for the receipt of a recommendation of denial or an objection requiring a hearing under subdivision (1)(a) or (b) of section 53-133.

During the period of forty-five days after the date of receipt by mail or electronic delivery of such application from the commission, the local governing body of such city, village, or county may make and submit to the commission recommendations relative to the granting or refusal to grant such license to the applicant.

(4) For renewal of a license under this section, a licensee shall file with the commission an application, the license fee as provided in subdivision (1)(b) of this section, and a renewal fee of forty-five dollars.

Sec. 13. (1) The Legislature finds that encouraging manufacturers of beer to use beer-related crops grown in this state in their manufacturing operations stimulates the creation of jobs and investments in small communities in this state, encourages the use of lands upon which beer-related crops may be grown, and provides tax revenue to the state which would not otherwise be realized. It is the intent of the Legislature to encourage the use of such beer-related crops by providing a nonrefundable tax credit as provided in this section.

(2) For purposes of this section, beer-related crop means barley, hops, or any other grain customarily used in the manufacture of beer.

(3) A nonrefundable credit against the tax imposed in section 53-160 shall be allowed to any manufacturer of beer if at least ten percent of the beer-related crops used by such manufacturer in the previous calendar year were grown in this state. The credit shall be an amount equal to the percentage specified in subsection (4) of this section multiplied by the total amount of tax paid under section 53-160 in the previous calendar year on the first twenty thousand barrels of beer sold by such manufacturer.

(4) The percentage used to determine the credit shall be as follows:

(a) If at least ten percent but less than forty percent of the beer-related crops used by the manufacturer in the previous calendar year were grown in this state, the percentage used to determine the credit shall be fifteen percent;

(b) If at least forty percent but less than seventy percent of the beer-related crops used by the manufacturer in the previous calendar year were grown in this state, the percentage used to determine the credit shall be twenty-five percent;

(c) If at least seventy percent of the beer-related crops used by the manufacturer in the previous calendar year were grown in this state, the percentage used to determine the credit shall be thirty-five percent.

(5) A manufacturer of beer shall apply for the credit to the commission on a form prescribed by the commission. The application shall be submitted on or before January 25 of each year and shall contain the following information:

(a) The name of the manufacturer;

(b) The total number of barrels of beer sold and the total amount of tax paid under section 53-160 during the previous calendar year;

(c) The percentage of beer-related crops used by the manufacturer in the previous calendar year that were grown in this state; and

(d) Such other information as required by the commission to verify
21 that the manufacturer is qualified to receive the credit allowed under
22 this section and to calculate the amount of the credit.
23 (6) If the manufacturer of beer qualifies for the credit, the
24 commission shall approve the application and notify the manufacturer of
25 the amount of the credit approved. The manufacturer may then claim the
26 credit on the reports due each month under section 53-164.01 as an offset
27 against the taxes due pursuant to such reports until the credit is fully
28 utilized or until the following December 31, whichever occurs first.
29 Sec. 19. Original sections 53-103.01, 53-103.02, 53-130, 53-135,
30 53-167.02, 53-167.03, 53-1,111, and 53-1,113, Reissue Revised Statutes of

32 1 53-133, and 53-177, Revised Statutes Cumulative Supplement, 2014, are
33 repealed.
3 Sec. 20. Since an emergency exists, this act takes effect when
34 passed and approved according to law.

3 Section 1. Section 68-974, Revised Statutes Cumulative Supplement, 4 2014, is amended to read:

5 68-974 (1) The department shall contract with one or more recovery 6 audit contractors to promote the integrity of the medical assistance...
program and to assist with cost-containment efforts and recovery audits. The contract or contracts shall include services for (a) cost-avoidance through identification of third-party liability, (b) cost recovery of third-party liability through postpayment reimbursement, (c) casualty recovery of payments by identifying and recovering costs for claims that were the result of an accident or neglect and payable by a casualty insurer, and (d) reviews of claims submitted by providers of services or other individuals furnishing items and services for which payment has been made to determine whether providers have been underpaid or overpaid, and to take actions to recover any overpayments identified or make payment for any underpayment identified.

(2) Notwithstanding any other provision of law, all recovery audit contractors retained by the department when conducting a recovery audit shall:

(a) Review claims within two years from the date of the payment;
(b) Send a determination letter concluding an audit within sixty days after receipt of all requested material from a provider;
(c) In any records request to a provider, furnish information sufficient for the provider to identify the patient, procedure, or location;
(d) Develop and implement with the department a procedure in which an improper payment identified by an audit is permitted to be rebilled as a corrected claim;
(e) Utilize a licensed health care professional from the area of practice being audited to establish relevant audit methodology consistent with established practice guidelines, standards of care, and state-issued medicaid provider handbooks;
(f) Provide a written notification and explanation of an adverse determination that includes the reason for the adverse determination, the medical criteria on which the adverse determination was based, an explanation of the provider’s appeal rights, and, if applicable, an explanation of the appropriate procedure to rebill in accordance with subdivision (2)(d) of this section; and
(g) Schedule any onsite audits with advance notice of not less than ten business days and make a good faith effort to establish a mutually agreed upon time and date for the onsite audit.

(3) The department shall exclude the following from the scope of review of recovery audit contractors: (a) Claims processed or paid through a capitated medicaid managed care program; (b) medical necessity reviews in which the provider has obtained prior authorization for the service and in which the authorized service was provided; and (c) any claims that are currently being audited or that have already been audited by the recovery audit contractor or by another entity.

(4) The department shall contract with one or more persons to support a health insurance premium assistance payment program.

(5) The department may enter into any other contracts deemed to increase the efforts to promote the integrity of the medical assistance program.

(6) Contracts entered into under the authority of this section may
be on a contingent fee basis. Contracts entered into on a contingent fee
basis shall provide that contingent fee payments are based upon amounts
recovered, not amounts identified, and that contingent fee payments are
not to be paid on amounts subsequently repaid due to determinations made
in appeal proceedings. Whether the contract is a contingent fee contract
or otherwise, the contractor shall not recover overpayments by the
department until all appeals have been completed unless there is a
credible allegation of fraudulent activity by the provider, the
contractor has referred the claims to the department for investigation,
and an investigation has commenced. In that event, the contractor may
recover overpayment prior to the conclusion of the appeals process. In
any contract between the department and a recovery audit contractor, the
payment or fee provided for identification of overpayments shall be the
same provided for identification of underpayments. Contracts shall be in
compliance with federal law and regulations when pertinent, including a
limit on contingent fees of no more than twelve and one-half percent of
amounts recovered, and initial contracts shall be entered into as soon as
practicable under such federal law and regulations.

(7) All amounts recovered and savings generated as a result of
this section shall be returned to the medical assistance program.

(8) Records requests made by a recovery audit contractor in any one-
hundred-eighty-day period shall be limited to not more than five percent
of the number of claims filed by the provider for the specific service
being reviewed, not to exceed two hundred records. The contractor shall
allow a provider no less than forty-five days to respond to and comply
with a record request. If the contractor can demonstrate a significant
provider error rate relative to an audit of records, the contractor may
make a request to the department to initiate an additional records
request regarding the subject under review for the purpose of further
review and validation. The contractor shall not make the request until
the time period for the appeals process has expired and the provider
given the opportunity to contest to the department the second records
request.

(9) On an annual basis, the department shall require the recovery
audit contractor to compile and publish on the department's Internet web

AMENDMENT(S) - Print in Journal

Senator Chambers filed the following amendment to LB10: AM528

1 1. Strike the original sections and all amendments thereto and
2 insert the following new section:
3 Section 1. (1) The Legislature finds that:
4 (a) The President and Vice President of the United States are
5 elected by the Electoral College which consists of 538 presidential
6 electors from the fifty states and the District of Columbia;
7 (b) A candidate must currently receive a majority of 270 electoral
8 votes to win the office of President or Vice President;
9 (c) Article II, Section 1, Clause 2, of the United States
10 Constitution requires each state legislature to determine how
11 presidential electors for each state are chosen;
12 (d) In every state except Maine and Nebraska, presidential electors
13 are chosen by a "winner-take-all" method which awards all presidential
14 electors to the candidate who receives the most votes in those states;
15 (e) Maine and Nebraska use a proportional method whereby
16 presidential electors are allocated based on the popular vote winner
17 within each state's congressional districts and the statewide popular
18 vote winner receives two additional presidential electors;
19 (f) Advocates of the proportional method for allocating presidential
20 electors believe it encourages grassroots organizing within each
21 congressional district and incentivizes presidential candidates to
22 broaden their campaigns in otherwise noncompetitive states; and
23 (g) In the interest of fairness, all states should have the same
24 method for allocating presidential electors and the proportional method
25 is most democratic method while still maintaining the Electoral College.
26 (2) It is the intent of the Legislature to urge each state to adopt
27 or continue the proportional method for allocating presidential electors.
UNANIMOUS CONSENT - Add Cointroducer(s)

Unanimous consent to add Senator(s) as cointroducer(s). No objections. So ordered.

February 26, 2015

Mr. President, Mr. Speaker, and Members of the Legislature
State Capitol
Lincoln, NE 68509

Dear Mr. President and Members of the Legislature:

I have signed LB 109e but with concerns that I want to share with you.

I agree with the underlying goal of the legislation which is to allow a veteran, a spouse, or a dependent to continue to qualify for veterans' educational benefits under the federal "Veterans Access, Choice, and Accountability Act of 2014." As presented in its final form, however, LB 109 is a potentially unconstitutional violation of Article I, Section 29 of the Nebraska Constitution.
Last year, the U.S. Congress made changes to its law governing the use of federal education assistance benefits. In one of those changes, Congress declared that veterans would not be able to use their benefits in any state public institution of higher education, if a state did not change its law to match the new federal requirements. LB 109 was introduced to change our state statutes in accordance with the federal law.

Both the federal statutes and federal regulations that are incorporated by referenced into our state law by LB 109 reference a "veteran" and a "spouse." Nebraska's Constitution provides that only marriage between a man and a woman will be recognized under state law.

Federal guidance that has been issued regarding the federal education program suggests that states are mandated to recognize same-sex unions for purposes of this federal benefit. To the extent that the federal government attempts to interpret the changes contained in LB 109 in a manner that would usurp our Constitution, then I will seek to challenge such an interpretation and I will ask you to consider a future legislative change that will reject the federal bureaucracy's attempt to mandate its view of marriage upon our citizens.

Sincerely,

(Signed) Pete Ricketts
Governor

WHEREAS, in 2008, the Department of Health and Human Services (DHHS) began to develop the ACCESSNebraska system. ACCESSNebraska is a system that is intended to efficiently determine public assistance eligibility and provide service delivery. Since the implementation of this system, the Legislature has conducted several hearings on bills and resolutions related to ACCESSNebraska. In these hearings, the realities and problems faced by clients navigating the ACCESSNebraska system were revealed, including long call wait times, lost documentation, erroneous public assistance decisions, and a general difficulty for clients to get the assistance they needed in a timely manner; and

WHEREAS, the One Hundred Third Legislature, Second Session, adopted Legislative Resolution 400, which created the ACCESSNebraska Special Investigative Committee of the Legislature to study the ACCESSNebraska system; and

WHEREAS, on December 15, 2014, the committee issued a report and recommendations related to ACCESSNebraska. The committee found the ACCESSNebraska system has been and continues to be plagued with problems. The committee also found ACCESSNebraska front-line workers have not been given the proper tools to complete daunting workloads; and

WHEREAS, the committee recommended among other things that the ACCESSNebraska Special Investigative Committee be continued to provide ongoing oversight for the ACCESSNebraska system.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED FOURTH LEGISLATURE OF NEBRASKA, FIRST SESSION:

The scope of the committee's investigation shall include, but not be limited to, the adequacy of technology used within the ACCESSNebraska system, including telephone systems, computer software, case management, information technology, and use of and access to data bases to allow for data matching. The committee shall also investigate the effectiveness of processes and structures used by the ACCESSNebraska system, including system design, management structure, and system goals. The committee shall also investigate the need for new or additional data collection to determine system effectiveness. The committee shall analyze the experiences of clients and their family members and examine customer service experience, access to benefits, and responses to changing family needs. The committee shall utilize existing studies and reports and legislation developed to address the current conditions. The committee shall not be limited to such studies, reports, or legislation.

3. That the ACCESSNebraska Special Investigative Committee shall brief the Health and Human Services Committee of the Legislature by December 15, 2015, and issue a report with its findings and recommendations to the Legislature as circumstances warrant.

COMMITTEE REPORT(S)

Judiciary

LEGISLATIVE BILL 13. Placed on General File with amendment.

AM466
1 1. Strike original section 1 and insert the following new section:
2 Section 1. Section 43-2404.02, Revised Statutes Cumulative
3 Supplement, 2014, is amended to read:
4 43-2404.02 (1) There is created a separate and distinct budgetary
5 program within the commission to be known as the Community-based Juvenile
6 Services Aid Program. Funding acquired from participation in the federal
act, state General Funds, and funding acquired from other sources which
may be used for purposes consistent with the Juvenile Services Act and
the federal act shall be used to aid in the establishment and provision
of community-based services for juveniles who come in contact with the
juvenile justice system.

(2)(a) Ten percent of the annual General Fund appropriation to the
Community-based Juvenile Services Aid Program, excluding administrative
budget funds, shall be set aside for the development of a common data set
and evaluation of the effectiveness of the Community-based Juvenile
Services Aid Program. The intent in creating this common data set is to
allow for evaluation of the use of the funds and the effectiveness of the
programs or outcomes in the Community-based Juvenile Services Aid
Program.

(b) The common data set shall be developed and maintained by the
commission and shall serve as a primary data collection site for any
intervention funded with Community-based Juvenile Services Aid designed
to serve juveniles and deter involvement in the formal juvenile justice
system. The commission shall work with agencies and programs to enhance
existing data sets. To ensure that the data set permits evaluation of
recidivism and other measures, the commission shall work with the Office
of Probation Administration, juvenile diversion programs, law
enforcement, the courts, and others to compile data that demonstrates
whether a youth has moved deeper into the juvenile justice system. The
University of Nebraska at Omaha, Juvenile Justice Institute, shall assist
with the development of common definitions, variables, and training
required for data collection and reporting into the common data set by
juvenile justice programs. The common data set maintained by the
commission shall be provided to the University of Nebraska at Omaha,
Juvenile Justice Institute, to assess the effectiveness of the Community-
based Juvenile Services Aid Program.

(c) Providing the commission access to records and information for,
as well as the commission granting access to records and information
from, the common data set is not a violation of confidentiality
provisions under any law, rule, or regulation if done in good faith for
purposes of evaluation. Records and documents, regardless of physical
form, that are obtained or produced or presented to the commission for
the common data set are not public records.

(d) The ten percent of the annual General Fund appropriation to the
Community-based Juvenile Services Aid Program, excluding administrative
budget funds, shall be appropriated as follows: In the year 2016, seven
percent shall go to the commission for development of the common data set
and three percent shall go to the University of Nebraska at Omaha,
Juvenile Justice Institute, for evaluation. In the year 2017, six percent
shall go to the commission for development and maintenance of the common
data set and four percent shall go to the University of Nebraska at
Omaha, Juvenile Justice Institute, for evaluation. Every year thereafter,
beginning in the year 2018, five percent shall go to the commission for
development and maintenance of the common data set and five percent shall
go to the University of Nebraska at Omaha, Juvenile Justice Institute,
The remaining funds in the annual General Fund appropriation to the Community-based Juvenile Services Aid Program shall be apportioned as aid in accordance with a formula established in rules and regulations adopted and promulgated by the commission. The formula shall be based on the total number of residents per county and federally recognized or state-recognized Indian tribe who are twelve years of age through eighteen years of age and other relevant factors as determined by the commission. The commission may require a local match of up to forty percent from the county, multiple counties, federally recognized or state-recognized Indian tribe or tribes, or any combination of the three which is receiving aid under such program. Any local expenditures for community-based programs for juveniles may be applied toward such match requirement.

In distributing funds provided under the Community-based Juvenile Services Aid Program, aid recipients shall prioritize programs and services that will divert juveniles from the juvenile justice system, reduce the population of juveniles in juvenile detention and secure confinement, and assist in transitioning juveniles from out-of-home placements.

Funds received under the Community-based Juvenile Services Aid Program shall be used exclusively to assist the aid recipient in the implementation and operation of programs or the provision of services identified in the aid recipient's comprehensive juvenile services plan, including programs for local planning and service coordination; screening, assessment, and evaluation; diversion; alternatives to detention; family support services; treatment services; truancy prevention and intervention programs; pilot projects approved by the commission; payment of transportation costs to and from placements, evaluations, or services; personnel when the personnel are aligned with evidence-based treatment principles, programs, or practices; contracting with other state agencies or private organizations that provide evidence-based treatment or programs; preexisting programs that are aligned with evidence-based practices or best practices; and other services that will positively impact juveniles and families in the juvenile justice system.

Funds received under the Community-based Juvenile Services Aid Program shall not be used for the following: Construction of secure detention facilities, secure youth treatment facilities, or secure youth confinement facilities; capital construction or the lease or acquisition of facilities; programs, services, treatments, evaluations, or other preadjudication services that are not based on or grounded in evidence-based practices, principles, and research, except that the commission may approve pilot projects that authorize the use of such aid; or office equipment, office supplies, or office space.

Any aid not distributed to counties under this subsection shall be retained by the commission to be distributed on a competitive basis under the Community-based Juvenile Services Aid Program for a county, multiple counties, federally recognized or state-recognized Indian tribe or tribes, or any combination of the three demonstrating additional need.
16 in the funding areas identified in this subsection.
17 (e) If a county, multiple counties, or a federally recognized or
18 state-recognized Indian tribe or tribes is denied aid under this section
19 or receives no aid under this section, the entity may request an appeal
20 pursuant to the appeal process in rules and regulations adopted and
21 promulgated by the commission. The commission shall establish appeal and
22 hearing procedures by December 15, 2014. The commission shall make appeal
23 and hearing procedures available on its web site.
24 (4)(a) Any recipient of aid under the Community-based Juvenile
25 Services Aid Program shall electronically file an annual report as
26 required by rules and regulations adopted and promulgated by the
27 commission. Any program funded through Community-based Juvenile Services
28 Aid that served juveniles shall report data on the individual youth
29 served. Any program that is not directly serving youth shall include
30 program-level data. In either case, data collected shall include, but not
31 be limited to, the following: The report shall include, but not be
1 limited to, the type of juvenile service, how the service met the goals
2 of the comprehensive juvenile services plan, demographic information on
3 the total number of juveniles served, program outcomes success rates, the
4 total number of juveniles served, and the number of juveniles who
5 completed the program or intervention sent to secure juvenile detention
6 or residential treatment and secure confinement, and a listing of the
7 expenditures for detention, residential treatment, and nonresidential
8 treatment.
9 (b) Any recipient of aid under the Community-based Juvenile Services
10 Aid Program shall be assisted by the University of Nebraska at Omaha,
11 Juvenile Justice Institute, in reporting in the common data set, as set
12 forth in the rules and regulations adopted and promulgated by the
13 commission. Community-based aid utilization and evaluation data shall be
14 stored and maintained by the commission.
15 (c) Evaluation of the use of funds and the evidence of the
16 effectiveness of the programs shall be completed by the University of
17 Nebraska at Omaha, Juvenile Justice Institute, specifically:
18 (i) The varying rates of recidivism, as defined by rules and
19 regulations adopted and promulgated by the commission, and other measures
20 for juveniles participating in community-based programs; and
21 (ii) Whether juveniles are sent to staff secure or secure juvenile
22 detention after participating in a program funded by the Community-based
23 Juvenile Services Aid Program.
24 (5) The commission shall report annually to the Governor and the
25 Legislature on the distribution and use of funds for aid appropriated
26 under the Community-based Juvenile Services Aid Program. The report shall
27 include, but not be limited to, an aggregate report of the use of the
28 Community-based Juvenile Services Aid Program funds, including the types
29 of juvenile services and programs that were funded, demographic
30 information on the total number of juveniles served, program success
31 rates, the total number of juveniles sent to secure juvenile detention or
1 residential treatment and secure confinement, and a listing of the
2 expenditures of all counties and federally recognized or state-recognized
Indian tribes for detention, residential treatment, and secure confinement. The report submitted to the Legislature shall be submitted electronically.

(6) The commission shall adopt and promulgate rules and regulations for the Community-based Juvenile Services Aid Program in consultation with the Director of the Community-based Juvenile Services Aid Program, the Director of Juvenile Diversion Programs, the Office of Probation Administration, the Nebraska Association of County Officials, and the University of Nebraska at Omaha, Juvenile Justice Institute. LEGISLATIVE BILL

Placed on General File with amendment.

1 Strike the original sections and insert the following new sections:

Section 1. Section 43-272, Reissue Revised Statutes of Nebraska, is amended to read:

43-272 (1) When any juvenile shall be brought without counsel before a juvenile court, the court shall advise such juvenile and his or her parent or guardian of their right to retain counsel and shall inquire of such juvenile and his or her parent or guardian as to whether they desire to retain counsel. The court shall inform such juvenile and his or her parent or guardian of such juvenile's right to counsel at county expense if none of them is able to afford counsel. If the juvenile or his or her parent or guardian desires to have counsel appointed for such juvenile, or the parent or guardian of such juvenile cannot be located, and the court ascertains that none of such persons are able to afford an attorney, the court shall forthwith appoint an attorney to represent such juvenile for all proceedings before the juvenile court, except that if an attorney is appointed to represent such juvenile and the court later determines that a parent of such juvenile is able to afford an attorney, the court shall order such parent or juvenile to pay for services of the attorney to be collected in the same manner as provided by section 43-290. If the parent willfully refuses to pay any such sum, the court may commit him or her for contempt, and execution may issue at the
request of the appointed attorney or the county attorney or by the court
without a request.
(2) The court, on its own motion or upon application of a party to
the proceedings, shall appoint a guardian ad litem for the juvenile: (a)
If the juvenile has no parent or guardian of his or her person or the
1 parent or guardian of the juvenile cannot be located or cannot be brought
before the court; (b) if the parent or guardian of the juvenile is
excused from participation in all or any part of the proceedings; (c) if
the parent is a juvenile or an incompetent; (d) if the parent is
indifferent to the interests of the juvenile; or (e) in any proceeding
pursuant to the provisions of subdivision (3)(a) of section 43-247.
A guardian ad litem shall have the duty to protect the interests of
the juvenile for whom he or she has been appointed guardian, and shall be
deemed a parent of the juvenile as to those proceedings with respect to
which his or her guardianship extends.
(3) The court shall appoint an attorney as guardian ad litem. A
guardian ad litem shall act as his or her own counsel and as counsel for
the juvenile, unless there are special reasons in a particular case why
the guardian ad litem or the juvenile or both should have separate
counsel. In such cases the guardian ad litem shall have the right to
16 counsel, except that the guardian ad litem shall be entitled to appointed
counsel without regard to his or her financial ability to retain counsel.
Whether such appointed counsel shall be provided at the cost of the
county shall be determined as provided in subsection (1) of this section.
(4) By July 1, 2015, the Supreme Court shall formally promulgate the
Guidelines for Guardians ad Litem for Juveniles in Juvenile Court
Proceedings adopted by the Supreme Court on July 18, 2007, into the rules
of the Supreme Court.
Sec. 2. Section 43-272.01, Revised Statutes Cumulative Supplement,
25 2014, is amended to read:
43-272.01 (1) A guardian ad litem as provided for in subsections (2)
and (3) of section 43-272 shall be appointed when a child is removed from
his or her surroundings pursuant to subdivision (2) or (3) of section
43-248, subsection (2) of section 43-250, or section 43-251. If removal
has not occurred, a guardian ad litem shall be appointed at the
commencement of all cases brought under subdivision (3)(a) or (7) of
section 43-247 and section 28-707.
2 (2) In the course of discharging duties as guardian ad litem, the
person so appointed shall consider, but not be limited to, the criteria
provided in this subsection. The guardian ad litem:
5 (a) Is appointed to stand in lieu of a parent for a protected
juvenile who is the subject of a juvenile court petition, shall be
7 present at all hearings before the court in such matter unless expressly
excused by the court, and may enter into such stipulations and agreements
concerning adjudication and disposition deemed by him or her to be in the
juvenile's best interests;
11 (b) Is not appointed to defend the parents or other custodian of the
protected juvenile but shall defend the legal and social interests of
such juvenile. Social interests shall be defined generally as the usual
14 and reasonable expectations of society for the appropriate parental
15 custody and protection and quality of life for juveniles without regard
16 to the socioeconomic status of the parents or other custodians of the
17 juvenile;
18 (c) May at any time after the filing of the petition move the court
19 of jurisdiction to provide medical or psychological treatment or
20 evaluation as set out in section 43-258. The guardian ad litem shall have
21 access to all reports resulting from any examination ordered under
22 section 43-258, and such reports shall be used for evaluating the status
23 of the protected juvenile;
24 (d) Shall make every reasonable effort to become familiar with the
25 needs of the protected juvenile which (i) shall include consultation with
26 the juvenile in his or her respective placement within two weeks after
27 the appointment and once every three six months thereafter and inquiry of
28 the most current caseworker, foster parent, or other custodian, unless
29 the court approves other forms of consultation, and (ii) may include
30 inquiry of others directly involved with the juvenile or who may have
31 information or knowledge about the circumstances which brought the
1 juvenile court action or related cases and the development of the
2 juvenile, including biological parents, physicians, psychologists,
3 teachers, and clergy members;
4 (e) May present evidence and witnesses and cross-examine witnesses
5 at all evidentiary hearings. In any proceeding under this section
6 relating to a child of school age, certified copies of school records
7 relating to attendance and academic progress of such child are admissible
8 in evidence;
9 (f) Shall be responsible for making written reports and
10 recommendations to the court at every dispositional, review, or
11 permanency planning hearing regarding the temporary and permanent
12 placement of the protected juvenile, the type and number of contacts with
13 the juvenile, the type and number of contacts with other relevant
14 stakeholders, and any further relevant information on a form prepared by
15 the Supreme Court. A copy of the written reports and recommendations to
16 the court shall also be submitted to the Foster Care Review Office for
17 any juvenile in foster care placement as defined in section 43-1301 and
18 shall submit a written report to the court at every dispositional or
19 review hearing, or in the alternative, the court may provide the guardian
20 ad litem with a checklist that shall be completed and presented to the
21 court at every dispositional or review hearing;
22 (g) Shall consider such other information as is warranted by the
23 nature and circumstances of a particular case; and
24 (h) May file a petition in the juvenile court on behalf of the
25 juvenile, including a supplemental petition as provided in section
26 43-291.
27 (3) Nothing in this section shall operate to limit the discretion of
28 the juvenile court in protecting the best interests of a juvenile who is
29 the subject of a juvenile court petition.
30 (4) For purposes of subdivision (2)(d) of this section, the court
31 may order the expense of such consultation, if any, to be paid by the
1 county in which the juvenile court action is brought or the court may, 
2 after notice and hearing, assess the cost of such consultation, if any, 
3 in whole or in part to the parents of the juvenile. The ability of the 
4 parents to pay and the amount of the payment shall be determined by the 
5 court by appropriate examination. 
6 (5) The guardian ad litem may be compensated on a per-case 
7 appointment system or pursuant to a system of multi-case contracts. 
8 Regardless of the method of compensation, billing hours and expenses for 
9 court-appointed guardian ad litem services shall be submitted to the 
10 court for approval and shall be recorded on a written, itemized billing 
11 statement signed by the attorney responsible for the case. Billing hours 
12 and expenses for guardian ad litem services rendered under a contract for 
13 such services shall be submitted to the entity with whom the guardian ad 
14 litem contracts in the form and manner prescribed by such entity for 
15 approval. Case time for guardian ad litem services shall be scrupulously 
16 accounted for by the attorney responsible for the case. Additionally, in 
17 the case of a multi-lawyer firm or organization retained for guardian ad 
18 litem services, the name of the attorney or attorneys assigned to each 
19 guardian ad litem case shall be recorded. 
20 (6) For purposes of subdivision (2)(d) of this section and this 
21 subsection: 
22 (a) Consultation with the juvenile means meeting in person with the 
23 juvenile unless prohibited or made impracticable by exceptional 
24 circumstances; and 
25 (b) Exceptional circumstances includes, but is not limited to, 
26 situations in which an unreasonable geographical distance is involved 
27 between the location of the guardian ad litem and the juvenile. When such 
28 exceptional circumstances exist, the guardian ad litem shall attempt 
29 consultation with the juvenile by other reasonable means, including, but 
30 not limited to, telephonic or other suitable electronic means, if the 
31 juvenile is of sufficient age and capacity to participate in such means 
32 of communication and there are no other barriers preventing such 
33 communication. When consultation by telephonic or other suitable 
34 electronic means is not feasible, the guardian ad litem shall seek 
35 direction from the court as to any other acceptable method by which to 
36 accomplish consultation with the juvenile. 
6 Sec. 3. Original section 43-272, Reissue Revised Statutes of 
7 Nebraska, and section 43-272.01, Revised Statutes Cumulative Supplement, 
8 2014, are repealed. 
9 Sec. 4. Since an emergency exists, this act takes effect when 
10 passed and approved according to law.

27 The abstract shall be signed by the members of the board and shall have
28 the seal of the state affixed by the Secretary of State. The canvass of
29 the votes for candidates for President and Vice President of the United
30 States and the return thereof shall be a canvass and return of the votes
