LB 394 would amend the process used to appoint the members of the Dry Bean Commission board. There may be additional staff time spent with the board appointment process as a result of LB 394, but it anticipated that the costs could be absorbed within the existing agency budget.

COMMENTS							

DEPT. OF AGRICULTURE – Concur with Dry Bean Commission's analysis and ability to incur additional costs within current existing cash fund appropriations in performing a review of each candidate's qualifications in being appointed to the board.

UNIVERSITY OF NEBRASKA - Concur. No fiscal impact.

^{*}Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

Explanation of Estimate:

LB 394 restructures how board members are appointed to the Dry Bean Commission. The board shall review each grower candidate's qualifications to serve and shall send copies of all applications for appointment and supporting material to the Governor along with its assessment of the candidates.

There will be a fiscal impact to the Dry Bean Commission for the additional work necessary to review qualifications to serve and preparation of supporting materials to be provided to the Governor's office. Since the commission is 100% funded by the excise tax collected, any additional costs will be included in the existing cash fund budget prepared annually.
